1.2 General provisions

.....

- 1.2.6**
- (1) The DFSA may require a Person to pay to the DFSA a supplementary fee in circumstances where it expects to incur substantial additional costs in dealing with an application, notification or conducting ongoing supervision.
 - (2) In such cases the DFSA will notify the Person as soon as reasonably possible of the amount of the supplementary fee.
 - (3) Such a supplementary fee is applicable in respect of any fee payable under chapter 2 or 3 other than a fee under section 2.6, 3.7 or 3.8.

Guidance

1. A supplementary fee may be levied by the DFSA because it expects that certain applications or notifications will require more intensive scrutiny than others. in circumstances where it expects to incur substantial additional costs in dealing with a matter. Such circumstances could include, for example:
 - (a) complex applications by reason of the applicant's start-up profile, origin, ownership structure or proposed business model;
 - (b) cases where it may be necessary to conduct intense supervisory scrutiny of an entity from a risk perspective;
 - (c) complex waiver or modification requests; complex restructurings or changes in an Authorised Person's structure; or activities which necessitate a change in the Rulebook; or
 - (d) novel proposals and applications that cover untested ground or untested areas of the regulatory regime.
 2. An example is where the entity is a Branch from a jurisdiction where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in that jurisdiction. Equally, where the entity is incorporated in the DIFC, a full analysis of the prudential and systems arrangements will be required.
 3. A further example is where the Fund Manager of a Domestic Fund delegates activities or out sources functions to an entity in another jurisdiction or to several entities in different jurisdictions where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in those jurisdictions.
 4. A supplementary fee may also be levied by the DFSA in cases where the ongoing supervision of the Authorised Person or Domestic Fund appears to the DFSA to be likely to cause it to incur substantial additional costs.
