The DFSA Rulebook

Fees Module

(FER)

1. INTRODUCTION

1.1 Application

.....

1.1.2 This module also applies to a Person who:

- (a) is an Authorised Person;
- (b) is an Auditor;
- (c) meets part (1) (d), (e) or (f) of the definition of a DNFBP; or
- (d) is a Bidder;
- (e) is a Recognised Person;
- (f) is a Listed Entity; or
- (g) is an Exempt Offeror.

1.2 General provisions

.....

- 1.2.6** (1) The DFSA may require a Person to pay to the DFSA a supplementary fee in circumstances where it expects to incur substantial additional costs in dealing with an application, notification or conducting ongoing supervision.
- (2) In such cases the DFSA will notify the Person as soon as reasonably possible of the amount of the supplementary fee.
- (3) Such a supplementary fee is applicable in respect of any fee payable under:
- (a) chapter 2 or 3 other than a fee under section 2.6, 3.7 or 3.8; and
 - (b) section 4.1.

Guidance

1. A supplementary fee may be levied by the DFSA in circumstances where it expects to incur substantial additional costs in dealing with a matter. Such circumstances could include, for example:
 - (a) complex applications by reason of the applicant's start-up profile, origin, ownership structure or proposed business model;
 - (b) cases where it may be necessary to conduct intense supervisory scrutiny of an entity from a risk perspective;
 - (c) complex waiver or modification requests; complex restructurings or changes in an Authorised Person's structure; or activities which necessitate a change in the Rulebook; or
 - (d) novel proposals and applications that cover untested ground or untested areas of the regulatory regime; or
 - (e) if a transaction or event involving a Listed Entity, such as an acquisition, disposal, takeover, merger, significant corporate event, or a serious law or Rule breach, is likely to cause the DFSA to incur substantial additional costs.
2. An example is where the entity is a Branch from a jurisdiction where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in that jurisdiction. Equally, where the entity is incorporated in the DIFC, a full analysis of the prudential and systems arrangements will be required.
3. A further example is where the Fund Manager of a Domestic Fund delegates activities or out sources functions to an entity in another jurisdiction or to several entities in different jurisdictions where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in those jurisdictions.
4. A supplementary fee may also be levied by the DFSA in cases where the ongoing supervision of the Authorised Person or Domestic Fund appears to the DFSA to be likely to cause it to incur substantial additional costs.

Guidance

The DFSA may levy a supplementary fee under Rule 1.2.6 if it appears to it that approval of a Prospectus or other document is likely to cause it to incur substantial additional costs, for example, because the Prospectus or transaction is complex. In such cases, the DFSA will usually discuss with the Issuer the level of supplementary fee before or as soon as possible after the submission of an application for approval of the document. Any supplementary fee must be paid before the document is approved.

Bids for all classes of equity Share capital must be included in the calculation of the value of the Bid, but Bids for non-equity Share capital, Convertibles, Options and the like must not;
 - (b) when a merger is effected by Bids for both entities by a new entity created to make the Bids, the fee will be determined by the value of the lower of the two Bids; and
