1 APPLICATION OF THE RECOGNITION MODULE

1.1 Application

1.1.1 This module (REC) applies to every Recognised Person and to applicants for admission to the list of Recognised Persons under Part 3 of the Markets Law 2012.

Guidance

1. A Recognised Person is defined in Article 37(3) as a Recognised body or a Recognised Member. A Recognised Body and a Recognised Member are also defined in Article 37(3) as follows:
 - a. “recognised body” means a person which operates an exchange, clearing house or alternative trading system in a jurisdiction other than the DIFC which has been admitted to, and appears on, the list of recognised bodies maintained by the DFSA pursuant to this Article.
 - b. “recognised member” means a person located in a jurisdiction other than the DIFC which has been admitted to, and appears on, the list of recognised members maintained by the DFSA pursuant to this article.
2. References to Articles made in this module are references to Articles in the Markets Law 2012 (“the Law”) unless otherwise stated.
3. This module is divided into three main chapters. Chapter 2 sets out the requirements for admission to the list of Recognised Persons, including the Recognition Criteria a Recognised Person must satisfy at the time of admission to the list of Recognised Persons and on a continuing basis. Chapter 3 sets out types of information a Recognised Person must provide the DFSA with on an ongoing basis, and in the case of a Recognised Body the information that must be included in its annual report to the DFSA. Chapter 4 sets out the process for a Recognised Person to request removal from the list of Recognised Persons, and also contains the requirements on the DFSA if it removes a Recognised Person from the list.
4. The following parts of the DFSA Rulebook also apply to Recognised Persons:

Module	Applicable chapters
General (GEN)	1 and 6
Enforcement (ENF)	All chapters

5. The Regulatory Policy and Process Sourcebook (RPP) may also be relevant to Recognised Persons.

2 ADMISSION TO THE LIST OF RECOGNISED PERSONS

2.1 Application

2.1.1 This chapter applies to every Recognised Person except to the extent that a provision provides for a narrower application.

2.2 Recognition as a recognised person

Guidance

1. The DFSA may only admit a Person to its list of Recognised Persons if it appears to the DFSA that such Person satisfies and will continue to satisfy the Recognition Criteria.
2. An applicant, or potential applicant for Recognition is advised to contact the DFSA to discuss their application at the earliest possible opportunity prior to the submission of any written documentation.

2.2.1 An applicant to be a Recognised Person must submit a written application to the DFSA demonstrating how the applicant satisfies or intends to satisfy the relevant Recognition Criteria at the date of Recognition and on an ongoing basis.

Guidance

A written application should also set out the basic general information relating to an applicant for a Recognised Person, including:

- a. its name;
- b. any business name or trading name it intends to use in the DIFC, if different to (a);
- c. the address of its registered office and head office; and
- d. the name of the Authorised Market Institution or ATS Operator upon which it is applying for membership.

2.2.2 In assessing an application for Recognition the DFSA may:

- (a) carry out any enquiries which it considers appropriate including enquiries independent of the applicant;
- (b) require the applicant to submit such additional information as the DFSA may reasonably require;
- (c) require any information submitted by the applicant to be verified in such manner as the DFSA may specify; and
- (d) take into account any information which the DFSA considers appropriate in relation to the applicant.

- 2.2.3** If an applicant becomes aware of a material change in circumstances that is reasonably likely to be relevant to an application which is under consideration by the DFSA, it must inform the DFSA of the change in writing, without delay.

2.3 Determination of applications and appeals

- 2.3.1** The DFSA may, in its absolute discretion, refuse to recognise an applicant as a Recognised Person if it appears to the DFSA that such applicant does not satisfy, or will not be able to satisfy, the Recognition Criteria at the date of application and on an ongoing basis.

- 2.3.2** Upon refusing such an application, the DFSA shall without undue delay, inform the applicant in writing of such refusal and the reasons for such refusal.

Guidance

Determination of applications

1. Where the DFSA recognises a Person pursuant to Article 37 of the Law, it will include such person in its list of Recognised Persons.

Appeals

2. Under Article 37(9) of the Law, an applicant for Recognition may appeal to the DFSA's Regulatory Appeals Committee against any determination by the DFSA in relation to an application for Recognition.
3. Under Article 28 of the Regulatory Law, a Person wishing to appeal to the Regulatory Appeals Committee a decision of the DFSA must submit a written notice of appeal within 30 days of the notification of the relevant decision.
4. The form of submission that an appeal must take is specified in the rules of procedures of the Regulatory Appeals Committee.

2.4 Recognition criteria for recognised bodies

- 2.4.1** For the purposes of Article 37(6) of the Law the Recognition Criteria for a Recognised Body are that:

- (e) it has its head and registered offices outside of the DIFC; and
- (f) it operates to a standard which would reasonably satisfy the Licensing Requirements for Authorised Market Institutions set out in AML.

- (b) it is regulated in respect of the trading in (a) by a Financial Services Regulator to a standard satisfactory to the DFSA;
- (c) the law and practice under which the Recognised Member is licensed or otherwise authorised is broadly equivalent to the DFSA's regulatory regime as it applies to a DIFC Member;
- (d) adequate arrangements exist, or will exist for co-operation between the DFSA and the Financial Services Regulator responsible for the Recognised Member's licensing and regulation.
- (e) when using the facilities of an exchange, clearing house or alternative trading system in the DIFC, it does not exceed the scope of the activities it is licensed to carry on by its Financial Services Regulator;

- 2. Events which may cause a Recognised Person to be unable to meet the Recognition Criteria include significant changes to any relevant laws or regulations in its home jurisdiction, which:
 - a. govern exchanges, clearing houses or alternative trading systems;

4.4 Removal from the list of Recognised Persons by the DFSA

- 4.4.3** Subject to Rule 4.4.4, the DFSA will only exercise its power under Article 37(7) of the Law after it has given the relevant Recognised Person a suitable opportunity to make representations in person or in writing to the DFSA in relation to the proposed removal.
- 4.4.4** The restriction imposed on the DFSA under Rule 4.4.3 does not apply if the DFSA concludes that any delay likely to arise as a result of such requirement would be disproportionate or prejudicial to the interests of the DIFC.

 - b. the Recognised Person is failing, has failed, or is likely to fail, to satisfy the Recognition Criteria;
 - c. the Recognised Person requests to have its name removed from the list of Recognised Persons; or
 - d. the DFSA considers that the exercise of the power is otherwise necessary or desirable in the pursuit of its objectives.
2. For the avoidance of doubt, the DFSA may remove a Person from the list of Recognised Persons in circumstances where such Person continues to meet the Recognition Criteria. This may include where the DFSA considers it necessary or desirable in the pursuit of its objectives to prevent damage to the reputation of the DIFC or to protect direct or indirect users of the financial services industry in the DIFC.
