1. INTRODUCTION

1.1 Application

1.1.1 This module (FER) applies to a Person in relation to:

- (a) an application for a Licence;
- (b) an application for an extension to scope of authorisation under a Licence;
- (c) an application for Recognition as a Recognised Body;
- (d) an application for registration as an Auditor;
- (e) an application to register a Public Fund;
- (f) seeking the DFSA's consent to winding up a Domestic Fund or the transfer of the property of a Domestic Fund to another body;
- (g) filing a Prospectus or Issue Note pursuant to OSR Rule 4.2.1; and
- (h) an application for registration as an Ancillary Service Provider.

1.1.2 This module also applies to a Person who is:

- (a) an Authorised Person;
- (b) an Auditor ;
- (c) an Ancillary Service Provider; and
- (d) a Bidder.

Guidance

1. The FER module comes into force on 1 December 2007. The effect of the coming into force of the Rules on that date is:
 - a. All applications filed on or after 1 December will be subject to the new fee structure in respect of application fees and, thereafter, in respect of initial and subsequent annual fees.
 - b. All applications filed prior to 1 December will be subject to the current application fees set out in the relevant modules. However, the initial annual fee to be charged will depend on whether registration, authorisation or Recognition is granted prior to 1 December in which case the current fees remain applicable or if the registration, authorisation or Recognition is granted on or after 1 December then the new fee structure applies in respect of initial annual fees and subsequent annual fees.

-
2. In paragraph 1, “applications” include applications to extend the scope of a Licence, to wind up a Fund, upon filing a Prospectus and in respect of bid documents.

1.2 General provisions

1.2.1 Where pursuant to chapter 2 or 4, a fee is payable for any application to the DFSA, the application will not be regarded as submitted until the fee and any supplementary fee has been paid in full.

1.2.2 In regard to fees payable pursuant to chapter 3:

- (a) the initial annual fee must be paid in full to the DFSA within 21 days of the date on which the Licence, Recognition or registration is granted or notification made; and
- (b) subsequent annual fees must be paid in full to the DFSA on or before 1 January of any calendar year.

Guidance

In regard to the payment of an annual fee on or before 1 January, invoices will be issued at least 21 days before that date.

1.2.3 In respect of a fee payable pursuant to chapter 5, payment must be made to the DFSA by the Bidder:

- (a) at the time of filing of the Bid Document with the DFSA; and
- (b) before the document is posted.

1.2.4 Where any fee is due from any Person under a provision of these Rules, the Person must pay it by the date on which it becomes due. If the Person fails to do so then, without limiting the right of the DFSA to take any other action, the sum due shall be increased by 1% for each calendar month, or part of a calendar month, that it remains outstanding beyond the due date.

Guidance

If a fee is not paid by the date on which it becomes due, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking steps to withdraw authorisation to conduct one or more Financial Services or to suspend or cancel listing.

1.2.5 The DFSA may reduce, waive or refund all or part of any fee if it considers that, in the exceptional circumstances of a particular case, it would be equitable to do so.

1.2.6 (1) The DFSA may require a Person to pay to the DFSA a supplementary fee in circumstances where it expects to incur substantial additional costs in dealing with an application, notification or conducting ongoing supervision.

- (2) In such cases the DFSA will notify the Person as soon as reasonably possible of the amount of the supplementary fee.
- (3) Such a supplementary fee is applicable in respect of any fee payable under chapter 2 or 3 other than a fee under section 2.6, 2.7, 3.7 or 3.8.

Guidance

1. A supplementary fee may be levied by the DFSA because it expects that certain applications or notifications will require more intensive scrutiny than others.
2. An example is where the entity is a Branch from a jurisdiction where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in that jurisdiction. Equally, where the entity is incorporated in the DIFC, a full analysis of the prudential and systems arrangements will be required.
3. A further example is where the Operator of a Domestic Fund delegates activities or out sources functions to an entity in another jurisdiction or to several entities in different jurisdictions where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in those jurisdictions.
4. A supplementary fee may also be levied by the DFSA in cases where the ongoing supervision of the Authorised Person or Domestic Fund appears to the DFSA to be likely to cause it to incur substantial additional costs.

1.2.7 In respect of any fee payable in accordance with FER, the fee must be paid by the responsible Person in United States Dollars and by bank transfer to the DFSA's bank account.
