1 INTRODUCTION

1.1 Application

1.1.1 This module (COB) applies to every Authorised Firm with respect to the carrying on in or from the DIFC of:

- (a) any Financial Service, except to the extent that a provision of COB provides for a narrower application; and
- (b) any activity, which is in connection with or for the purposes of a Financial Service, to the extent specified in any provision of COB.

1.2 General

Guidance

This module is divided into seven parts: [Amended][VER5/04-06]

- a. COB part 1 prescribes certain restrictions in respect of the conduct of Insurance Business, Investment Business, Banking Business and Insurance Intermediation Business pursuant to Article 42(1) of the Regulatory Law 2004.
- b. COB part 2 deals with the conduct of Investment Business, that is, the relationship between the Authorised Firm and its Clients and how business is to be conducted with its Clients. The term Client includes Persons who are Market Counterparties. In their wholesale dealings, Market Counterparties do not expect nor require the same degree of protection as is afforded to Clients that are not Market Counterparties. Such dealings are mutually self-disciplining and Market Counterparties are expected to take responsibility for their own actions and decisions. Consequently, in their dealings with Market Counterparties, Authorised Firms are not required to comply with all the provisions of COB part 2, the sections which are not applicable are outlined in section 5.1.
- c. COB part 3 deals with the conduct of Insurance Intermediation Business, that is, the relationship between the Authorised Firm and its Commercial Customers and how business is to be conducted with its Commercial Customers.
- d. COB part 4 deals with the conduct of Insurance Business, that is, the relationship between the Authorised Firm and its Commercial Customers and how business is to be conducted with its Commercial Customers.
- e. COB part 5 contains additional Rules in relation to Operating Alternative Trading Systems. [Amended][VER2/08-05]

CONDUCT OF BUSINESS (COB)

- f. COB part 6 deals with the conduct of Providing Trust Services by a Trust Service Provider to its Clients. [Added] [VER4/01-06]
- g. COB part 7 contains Rules applying to Fund Administrators. [Added][VER5/04-06]

PART 1 - RESTRICTIONS ON BUSINESS

2 INSURANCE BUSINESS

2.1 Application

2.1.1 This chapter applies to an Authorised Firm which is an Insurer with respect to the conduct of Insurance Business.

Guidance

Insurance Business does not include the Financial Service of Insurance Intermediation or Insurance Management. An Authorised Firm carrying on either or both of these activities is required to comply with the restrictions set out in chapter 4. [Amended][VER3/12-05]

2.2 Restrictions

2.2.1 An Insurer may only conduct Insurance Business to the extent specified in this section.

2.2.2 (1) An Insurer must ensure that it does not in or from the DIFC:

[Amended][VER6/06-06]

- (a) Effect a Contract of Insurance or Carry Out a Contract of Insurance which is a contract of Long-Term Insurance; or
- (b) Effect Contracts of Insurance or Carry Out Contracts of Insurance in or from the DIFC a Contract of Insurance which is in relation to a risk situated within the U.A.E.;

unless such a contract is a contract of reinsurance.

(2) An Insurer which is a DIFC incorporated Insurer must ensure that it does not Effect a Contract of Insurance or Carry Out a Contract of Insurance with a natural person, in or from the DIFC , unless the contract is:

[Amended][VER6/06-06]

- (a) a contract of General Insurance effected or carried out collectively with the members of a Partnership or other unincorporated association, where the insured interest is held in common by the members of the Partnership or unincorporated association; or
 - (b) a contract of reinsurance effected or carried out with Lloyd's Underwriters.
- (3) An Insurer which is not a DIFC incorporated Insurer must ensure that it does not Effect Contracts of Insurance or Carry Out a Contract of Insurance with a natural person through a Branch in the DIFC unless the contract is:
- (a) a contract of General Insurance effected or carried out collectively with the members of a Partnership or other unincorporated association, where the insured interest is held in common by the members of the Partnership or unincorporated association; or
 - (b) a contract of reinsurance effected or carried out with Lloyd's Underwriters.
- (4) An Insurer must ensure that it does not carry on, in or from the DIFC, both Long-Term Insurance Business and General Insurance Business unless the General Insurance Business is restricted to Class 1 or Class 2 or both.
- (5) An Insurer which is a Protected Cell Company must ensure that, when it carries on Insurance Business in accordance with (1)-(4) as applicable, such business is attributable to a particular Cell of that Insurer.

Guidance

1. The classes of insurance are set out in GEN App4.
2. This Rule does not prevent an Insurer from being able to effect or carry out Direct Long-Term Contracts of Insurance from an establishment located outside the DIFC. Where an Insurer does so, it must comply with the requirements relating to Direct Long-Term Insurance Business that are set out in the PIN Module of the DFSA Rulebook. If the Insurer is a DIFC incorporated Insurer, SUP 7.2.2 requires it to notify the DFSA before establishing a branch outside the DIFC, and the DFSA has a right to object.

[Added] [VER11/07-07] [RM46/07]

- 2.2.3** An Insurer must not carry on any activity other than Insurance Business unless it is an activity in direct connection with or for the purposes of such business. For the purposes of this Rule, Managing Assets is not an activity in connection with or for the purposes of Insurance Business.

Guidance

1. The following activities will normally be considered in direct connection with or for the purposes of Insurance Business carried on by an Insurer:
 - a. investing, reinvesting or trading, as investor or rabb ul maal and for the Insurer's own account, that of its Subsidiary, its Holding Company or any Subsidiary of its Holding Company but not any other party, in Securities, loans, investment accounts, units or shares in collective investment funds, certificates of mudaraba, certificates of musharaka or other forms of investments that are intended to earn profit or return for the investor;

 - c. acting as agent for another insurer in respect of contracts of insurance in which both insurers participate; and
 - d. establishing Subsidiaries or Associates engaged or organised to engage exclusively in one or more of the businesses specified above.
2. The DFSA may give individual guidance on other business activities that may be determined to be in direct connection with Insurance Business.

Guidance

For an Employee to be a Client of the Authorised Firm they must meet the criteria under chapter 3.

6.4.3 Where an Authorised Firm has taken reasonable steps to determine that an Employee will not be involved to any material extent in, or have access to information about, the Authorised Firm's Investment Business, then the conditions or restrictions on Personal Account Transactions, in Rule 6.4.1, need not be applied to that Employee.

6.4.4 An Authorised Firm must establish and maintain procedures and controls so as to ensure that an Investment Analyst does not undertake a Personal Account Transaction in an Investment if the Investment Analyst is preparing Investment Research:

- (a) on that Investment or its Issuer; or
- (b) on a related investment, or its Issuer;

until the Investment Research is published or made available to the Authorised Firm's Clients.

Record Keeping

- 6.4.5** (1) An Authorised Firm must maintain and keep a record of:
- (a) the written notice setting out the conditions for Personal Account Transactions under Rule 6.4.1(a)(i);
 - (b) each permission given or denied by the Authorised Firm under Rule 6.4.1(a)(ii);

- (c) each notification made to it under Rule 6.4.1(b); and
 - (d) the basis upon which the Authorised Firm has ascertained that an Employee will not be involved in to any material extent, or have access to information about, the Authorised Firm's Investment Business under Rule 6.4.3.
- (2) The records in (1) must be retained for a minimum of six years from the date of:
- (a) in (1)(a) and (1)(d), termination of the employment contract of each Employee;
 - (b) in (1)(b), each permission given or denied by the Authorised Firm; and
 - (c) in (1)(c), each notification made to the Authorised Firm.

6.5 Investment research and offers of securities

Guidance

Investment Research is seen as a significant potential source of conflicts of interest within an Authorised Firm and therefore an Authorised Firm preparing or publishing investment research is expected to have adequate procedures, systems and controls to manage effectively any conflicts that arise.

- 6.5.1** An Authorised Firm that prepares and publishes Investment Research must have adequate procedures and controls to ensure:
- (a) the effective supervision and management of Investment Analysts;
 - (b) that the actual or potential conflicts of interest are proactively managed in accordance with the Rule 6.3.1;
 - (c) that the Investment Research issued to Clients is impartial; and
 - (d) that the Investment Research contains the disclosures described under Rules 6.5.2 and 6.5.3.

Guidance

An Authorised Firm's procedures, controls and internal arrangements, which may include Chinese Walls, should limit the extent of Investment Analysts participation in corporate finance business and sales and trading activities, and ensure remuneration structures do not affect their independence.

Disclosures in investment research

6.5.2 When an Authorised Firm publishes Investment Research it must take reasonable steps to ensure that the Investment Research:

- (a) identifies the types of Clients for whom it is principally intended;
- (b) distinguishes fact from opinion or estimates, and includes references to sources of data used;
- (c) specifies the date when it was first published;
- (d) specifies the period the ratings or recommendations are intended to cover;
- (e) contains a clear and unambiguous explanation of the rating or recommendation system used;
- (f) includes a price chart or line graph depicting the performance of the Investment for the period that the Authorised Firm has assigned a rating or recommendation for that investment, which must also show the dates on which the ratings were revised; and
- (g) includes a distribution of the different ratings or recommendations, in percentage terms:
 - (i) for all Investments;
 - (ii) for Investments in each sector covered; and
 - (iii) for Investments, if any, where the Authorised Firm has undertaken corporate finance business with or for the Issuer over the past 12 months.

Disclosure of conflicts in investment research and public appearances

6.5.3 For the purposes of this section, an Authorised Firm must take reasonable steps to ensure that when it publishes Investment Research, and in the case where a representative of the Authorised Firm makes a Public Appearance, disclosure is made of the following matters:

- (a) any financial interest or material interest that the Investment Analyst or a Close Relative has, which relates to the Investment;
- (b) any shareholding by the Authorised Firm or its Associate of 1% or more of the total issued share capital of the Issuer;
- (c) if the Authorised Firm or its Associate acts as corporate broker for the Issuer;
- (d) any material shareholding by the Issuer in the Authorised Firm;
- (e) any corporate finance business undertaken by the Authorised Firm with or for the Issuer over the past 12 months, and any future relevant corporate finance business initiatives; and
- (f) that the Authorised Firm is a Market Maker in the Investment, if that is the case.

Restrictions on publication

6.5.4 If an Authorised Firm acts as a manager or co-manager of an initial public offering or a secondary offering it must take reasonable steps to ensure that:

- (a) it does not publish Investment Research relating to the Investment during a Quiet Period; and
- (b) that an Investment Analyst from the Authorised Firm does not make a Public Appearance relating to that Investment during a Quiet Period.

Guidance

The DFSA does not consider the same conflicts of interest mentioned in this section arise if an Investment Analyst prepares Investment Research solely for an Authorised Firm's own use and not for publication. For example, if the research material is prepared solely for the purposes of the Authorised Firm's proprietary trading then the use of this information would fall outside the restrictions placed on publications.

Restriction on own account transactions

6.5.5 Unless Rule 6.5.6 applies, an Authorised Firm or its Associate must not knowingly execute an Own Account Transaction in an Investment or related Investments, which is the subject of Investment Research, prepared either by the Authorised Firm or its Associate, until the Clients for whom the Investment Research was principally intended have had a reasonable opportunity to act upon it.

Exceptions

- 6.5.6** The restriction in Rule 6.5.5 does not apply if:
- (a) the Authorised Firm or its Associate is a Market Maker in the relevant Investment;
 - (b) the Authorised Firm or its Associate Executes an unsolicited Transaction for a Client; or
 - (c) it is not expected to materially affect the price of the Investment.

Guidance

The exceptions in Rule 6.5.6 allow an Authorised Firm to continue to provide key services to the market and to its Clients even if the Authorised Firm would be considered to have knowledge of the timing and content of the Investment Research which is intended for publication to Clients, for example when it is impractical for an Authorised Firm to put in place a Chinese Wall because the Authorised Firm has few Employees or cannot otherwise separate its functions.

Offers of securities

- 6.5.7** When an Authorised Firm carries out a mandate to manage an offering of Securities, it must implement adequate internal arrangements, in accordance with section 6.3, to manage any conflicts of interest that may arise as a result of the Authorised Firm's duty to two distinct sets of Clients: the corporate finance Client and the investment Client.

Disclosure

- 6.5.8** For the purposes of Rule 6.5.7, when an Authorised Firm accepts a mandate to manage the offering, it must take reasonable steps to disclose to its corporate finance Client:
- (a) the process the Authorised Firm proposes to adopt in order to determine what recommendations it will make about allocations for the offering;
 - (b) details of how the target investor group, to whom it is planned to offer the Securities, will be identified;
 - (c) the process through which recommendations are prepared and by whom; and
 - (d) (if relevant) that it may recommend placing Securities with an investment Client of the Authorised Firm for whom the Authorised Firm provides other services, with the Authorised Firm's own proprietary book, or with an Associate, and that this represents a potential conflict of interest.

Guidance

It is the DFSA's expectation that an Authorised Firm's procedures to identify and manage conflicts of interest should extend to the allocation process for an offering of Securities.

6.6 Inducements**Guidance**

The Rules in this section do not apply to an Authorised Firm in circumstances where the Client is a Market Counterparty.

- 6.6.1** An Authorised Firm must have systems and controls, policies and procedures to ensure that neither it, nor any of its Employees, offers, gives, solicits or accepts any inducement which is likely to conflict significantly with any duty that it owes to its Clients.

6.7 Soft dollar agreements**Guidance**

The Rules in this section do not apply to an Authorised Firm in circumstances where the Client is a Market Counterparty.

- 6.7.1** An Authorised Firm may only accept goods and services under a Soft Dollar Agreement if the goods and services do not constitute an inducement for the purposes of Rule 6.6.1, and are reasonably expected to:

- (a) assist in the provision of Investment Business services to the Authorised Firm's Clients by means of:
 - (i) specific advice on dealing in, or on the value of, any Investment;
 - (ii) research or analysis relevant to (i) or about Investments generally;
or
 - (iii) use of computer or other information facilities to the extent that they are associated with specialist computer software or research services, or dedicated telephone lines;
- (b) provide custody services relating to Investments belonging to, or managed for, Clients;

- (c) provide services relating to portfolio valuation or performance measurement services; or
- (d) provide market price services.

Guidance

For the purposes of Rule 6.7.1, an Authorised Firm should undertake a thorough assessment of the goods and services, for example dealing screens and telephone lines to be provided under a Soft Dollar Agreement. The focus of this assessment should be towards ensuring that Clients get value for money. In this respect, the Authorised Firm should consider limiting the pass through of any management costs to Clients funds in the form of commission payments.

Requirements for soft dollar agreements

6.7.2 An Authorised Firm must not Deal in Investments as Agent for a Client, either directly or indirectly, through any broker under a Soft Dollar Agreement, unless:

- (a) the agreement is a written agreement for the supply of goods or services described in Rule 6.7.1, which do not take the form of, or include, cash or any other direct financial benefit;
- (b) Transaction execution by the broker is consistent with any best execution obligations owed to the Client;
- (c) the Authorised Firm has taken reasonable steps to ensure that the services provided by the broker are competitive, with no comparative price disadvantage, and take into account the interests of the Client;
- (d) for Transactions in which the broker acts as principal, the Authorised Firm has taken reasonable steps to ensure that Commission paid under the agreement will be sufficient to cover the value of the goods or services to be received and the costs of execution; and
- (e) the Authorised Firm makes adequate disclosure in accordance with Rules 6.7.3 and 6.7.4.

Prior disclosure

6.7.3 Before an Authorised Firm enters into a Transaction for a Client, either directly or indirectly, with or through the agency of another Person, under the Soft Dollar Agreement which the Authorised Firm has, or knows that another member of its Group has, with that other Person, it must disclose to its Client:

- (a) the existence of a Soft Dollar Agreement; and
- (b) the Authorised Firm's or its Group's policy relating to Soft Dollar Agreements.

Periodic disclosure

- 6.7.4** (1) If an Authorised Firm or member of its Group has a Soft Dollar Agreement under which either the Authorised Firm or member of its Group Deals for a Client, the Authorised Firm must provide that Client with the following information:
- (a) the percentage paid under Soft Dollar Agreements of the total Commission paid by or at the direction of:
 - (i) the Authorised Firm; and
 - (ii) any other member of the Authorised Firm's Group which is a party to those agreements;
 - (b) the value, on a cost price basis, of the goods and services received by the Authorised Firm under Soft Dollar Agreements, expressed as a percentage of the total Commission paid by or at the direction of:
 - (i) the Authorised Firm; or
 - (ii) other members of the Authorised Firm's Group;
 - (c) a summary of the nature of the goods and services received by the Authorised Firm under the Soft Dollar Agreements; and
 - (d) the total Commission paid from the portfolio of that Client.
- (2) The information in (1) must be provided to that Client at least once a year, covering the period since the Authorised Firm last reported to that Client.

Record keeping

- 6.7.5** An Authorised Firm must make and retain records of:
- (a) the reports sent to its Clients as required by Rules 6.7.3 and 6.7.4 and retain those records for at least six years from the date on which the Soft Dollar Agreement to which they relate is terminated; and

7 DEALING

7.1 Best execution

Guidance

The Rules in this section do not apply to an Authorised Firm in circumstances where the Client is a Market Counterparty.

- 7.1.1** (1) When an Authorised Firm agrees, or decides in the exercise of its discretion, to Execute any Transaction with or for a Client in an Investment, it must provide best execution.
- (2) An Authorised Firm provides best execution if it takes reasonable care to determine the best overall price available for that Investment under the prevailing market conditions and deals at a price which is no less advantageous to that Client.
- (3) An Authorised Firm is not required to provide best execution where the Authorised Firm has agreed with the Client in writing that it will not provide best execution.
- (4) An Authorised Firm which is an ATS Operator is not required to provide best execution for its clients in circumstances where such clients are dealing with each other on the Authorised Firm's facility and the Authorised Firm is not acting for or on behalf of any such client in relation to a deal on that facility. [Added][VER2/08-05]

Requirements

- 7.1.2** In determining whether an Authorised Firm has taken reasonable care to provide the best overall price for a Client in accordance with Rule 7.1.1, the DFSA will have regard to whether an Authorised Firm has:
- (a) discounted any fees and charges previously disclosed to the Client;
 - (b) not taken a Mark-up or Mark-down from the price at which it Executed the Transaction, unless this is disclosed to the Client; and
 - (c) had regard to price competition or the availability of a range of price sources for the execution of its Clients' Transactions. In the case where the Authorised Firm has access to prices of different Authorised Market Institutions, other regulated financial markets or alternative trading systems, it must Execute the Transaction at the best overall price available having considered other relevant factors.

- 7.1.3** If another Person is responsible for the execution of a Transaction an Authorised Firm may rely on that Person to provide best execution provided that the Person has undertaken to provide best execution in accordance with this section.

Guidance

When determining best execution an Authorised Firm should consider the direct costs and indirect costs and the relevant order type and size, settlement arrangements and timing of a Client's order that could affect decisions on when, where and how to trade.

7.2 Non-market price transactions

- 7.2.1** (1) An Authorised Firm must not enter into a non-market price transaction in any capacity, with or for a Client, unless it has taken reasonable steps to ensure that the transaction is not being entered into by the Client for an improper purpose.

- (3) An Authorised Firm must make and retain, for a minimum of six years, a record of the steps it has taken in relation to each transaction, under this Rule.

Guidance

1. A non-market price transaction is a transaction where the dealing rate or price paid by the Authorised Firm or its Client differs from the prevailing market rate or price to a material extent or the Authorised Firm or its Client gives materially more or less in value than it receives in return.
2. In general, Authorised Firms should undertake transactions at the prevailing market price. Failure to do this may result in an Authorised Firm participating, whether deliberately or unknowingly, in the concealment of a profit or loss, or in the perpetration of a fraud.

7.3 Aggregation and allocation

Guidance

The Rules in this section do not apply to an Authorised Firm in circumstances where the Client is a Market Counterparty.

Aggregation of orders

- 7.3.1** An Authorised Firm may aggregate an order for a Client with an order for other Clients or with an order for its own account where:
- (a) it is unlikely that the aggregation will operate to the disadvantage of any of the Clients whose Transactions have been aggregated;
