4 CORE PRINCIPLES

4.1 Principles for Authorised Firms – application

4.1.1 The ten Principles for Authorised Firms, set out in section 4.2, apply to every Authorised Firm in accordance with Rules 4.1.2 and 4.1.3.

- 4.1.2** (1) For the purposes of Rule 4.1.3 the term ‘activities’ means:
- (a) Financial Services;
 - (b) activities carried on in connection with a Financial Service;
 - (c) activities held out as being for the purpose of a Financial Service; and
 - (d) in relation to any particular Principle, any activity specified in (2), (3) and (4).
- (2) Principles 3 and 4 also apply in a Prudential Context to an Authorised Firm with respect to the carrying on of all its activities.
- (3) Principles 3 and 4 also take into account any activities of other members of the Group of which the Authorised Firm is a member.
- (4) Principle 10, to the extent that it relates to disclosing to the DFSA, also applies to an Authorised Firm with respect to the carrying on of all its activities, and takes into account any activities of other members of the Group of which the Authorised Firm is a member.

- 4.1.3** (1) The Principles apply to an Authorised Firm only with respect to activities carried on from an establishment maintained by it in the DIFC, unless an extension in (2), (3), (4) or (5) applies.
- (2) Where another applicable Rule, which is relevant to the activity, has a wider territorial scope than that in (1), any related Principle applies with that wider scope in relation to the activity described in the Rule.
- (3) Principles 1, 2 and 3 apply in a Prudential Context to an Authorised Firm with respect to activities wherever they are carried on.
- (4) Principles 4 and 10 apply to an Authorised Firm with respect to activities wherever they are carried on.

- (5) Principle 5 also applies to an Authorised Firm with respect to the activities carried on in or from any place outside the DIFC if and to the extent that the activities have, or might reasonably be regarded as likely to have, a negative effect on confidence in the financial markets operating in the DIFC.

Guidance

1. The Principles for Authorised Firms have the status of Rules and are a general statement of fundamental regulatory requirements which apply alongside the other Rules and also in new or unforeseen situations which may not be covered elsewhere by a specific Rule. Rules in other areas of the Rulebook build upon these fundamental principles. Consequently the Rules and Guidance elsewhere in the Rulebook should not be seen as exhausting the implications of the Principles.
2. Breaching a Principle for Authorised Firms makes an Authorised Firm liable to disciplinary action, and may indicate that it is no longer fit and proper to carry on a Financial Service or to hold a Licence and the DFSA may consider withdrawing authorisation or the Licence on that basis.
3. The onus will be on the DFSA to show that the Authorised Firm has been at fault in some way, taking into account the standard of conduct required under the Principle in question.

4.2 The Principles for Authorised Firms**Principle 1 - Integrity**

- 4.2.1** An Authorised Firm must observe high standards of integrity and fair dealing.

Principle 2 - Due skill, care and diligence

- 4.2.2** In conducting its business activities an Authorised Firm must act with due skill, care and diligence.

Principle 3 - Management, systems and controls

- 4.2.3** An Authorised Firm must ensure that its affairs are managed effectively and responsibly by its senior management. An Authorised Firm must have adequate systems and controls to ensure, as far as is reasonably practical, that it complies with legislation applicable in the DIFC.

Principle 4 - Resources

- 4.2.4** An Authorised Firm must maintain and be able to demonstrate the existence of adequate resources to conduct and manage its affairs. These include adequate financial and system resources as well as adequate and competent human resources.

Principle 5 - Market conduct

- 4.2.5** An Authorised Firm must observe proper standards of conduct in financial markets.

Principle 6 - Information and interests

- 4.2.6** An Authorised Firm must pay due regard to the interests of its customers and communicate information to them in a way which is clear, fair and not misleading.

Principle 7 - Conflicts of interest

- 4.2.7** An Authorised Firm must take all reasonable steps to ensure that conflicts of interest between itself and its customers and between one customer and another are identified and then prevented or managed in such a way that the interests of a customer are not adversely affected.

Principle 8 - Suitability

- 4.2.8** An Authorised Firm must take reasonable care to ensure the suitability of its advice and discretionary decisions for customers who are entitled to rely upon its judgement.

Principle 9 - Customer assets and money

- 4.2.9** Where an Authorised Firm has control of or is otherwise responsible for assets or money belonging to a customer which it is required to safeguard, it must arrange proper protection for them in accordance with the responsibility it has accepted.

Principle 10 - Relations with regulators

- 4.2.10** An Authorised Firm must deal with Regulators in an open and co-operative manner and keep the DFSA promptly informed of significant events or anything else relating to the Authorised Firm of which the DFSA would reasonably expect to be notified.

4.3 Principles for Authorised Individuals – application

4.3.1 The six Principles for Authorised Individuals set out in section 4.4 apply to every Authorised Individual in respect of every Licensed Function.

Guidance

1. The Principles for Authorised Individuals do not apply to an Authorised Individual in respect of any other functions he may carry out, although his conduct in those functions may be relevant to his fitness and propriety.
2. Breaching a Principle for Authorised Individuals makes an Authorised Individual liable to disciplinary action and may indicate that he is no longer fit and proper to perform a Licensed Function and the DFSA may consider suspending or withdrawing Authorised Individual status on that basis.
3. The onus will be on the DFSA to show that he is culpable, taking into account the standard of conduct required under the Principle in question. In determining whether or not the particular conduct of an Authorised Individual complies with the Principles for Authorised Individuals, the DFSA will take account of whether that conduct is consistent with the requirements and standards relevant to his Authorised Firm, the Authorised Individual's own role and the information available to him.

4.4 The Principles for Authorised Individuals

Principle 1 - Integrity

4.4.1 An Authorised Individual must observe high standards of integrity and fair dealing in carrying out every Licensed Function.

Principle 2 - Due skill, care and diligence

4.4.2 An Authorised Individual must act with due skill, care and diligence in carrying out every Licensed Function.

Principle 3 - Market conduct

4.4.3 An Authorised Individual must observe proper standards of conduct in financial markets in carrying out every Licensed Function.

Principle 4 - Relations with the DFSA

- 4.4.4** An Authorised Individual must deal with the DFSA in an open and co-operative manner and must disclose appropriately any information of which the DFSA would reasonably be expected to be notified.

Principle 5 - Management, systems and control

- 4.4.5** An Authorised Individual who has significant responsibility must take reasonable care to ensure that the business of the Authorised Firm for which he is responsible is organised so that it can be managed and controlled effectively.

Principle 6 - Compliance

- 4.4.6** An Authorised Individual who has significant responsibility must take reasonable care to ensure that the business of the Authorised Firm for which he is responsible complies with any legislation applicable in the DIFC.

5 MANAGEMENT, SYSTEMS AND CONTROLS

5.1 Application

- 5.1.1** (1) This chapter applies to every Authorised Firm with respect to the Financial Services carried on in or from the DIFC.
- (2) It also applies in a Prudential Context to a Domestic Firm with respect to all its activities wherever they are carried on.
- (3) Section 5.3 also applies to an Authorised Firm in a Prudential Context with respect to its entire DIFC branch's activities wherever they are carried on.

Guidance

The purpose of this chapter is:

- a. to set out the requirements for senior management within an Authorised Firm to take direct responsibility for their Authorised Firm's arrangements on matters likely to be of interest to the DFSA wherever they may give rise to risks to the DFSA's objectives or they affect the DFSA's functions under the legislation applicable in the DIFC; and
- b. to require an Authorised Firm to vest responsibility in senior management for effective and responsible organisation and to have effective systems and controls.

5.2 Senior management arrangements

Apportionment of significant responsibilities

- 5.2.1** An Authorised Firm must apportion significant responsibilities among its senior management and maintain such apportionment in such a way that:
- (a) it is appropriate with regard to:
 - (i) the business and affairs of the Authorised Firm; and
 - (ii) the ability and qualifications of the responsible individuals;
 - (b) it is clear who is responsible for which matters; and

- (c) the business and affairs of the Authorised Firm can be adequately monitored and controlled by the Authorised Firm's Governing Body and senior management.

5.2.2 An Authorised Firm must allocate to the Senior Executive Officer or to the individual holding equivalent responsibility for the conduct for the Authorised Firm's business or the Governing Body, the functions of:

- (a) dealing with the apportionment of responsibilities; and
- (b) overseeing the establishment and maintenance of systems and controls.

Recording of apportionment

- 5.2.3** (1) An Authorised Firm must establish and maintain an up-to-date record of the arrangements it has made to comply with Rules 5.2.1 and 5.2.2.
- (2) The record must show that the relevant senior management are aware of and have accepted the responsibilities apportioned in accordance with Rule 5.2.1.
- (3) Where a responsibility has been allocated to more than one individual, the record must show clearly how that responsibility is allocated between the individuals.
- (4) The record must be retained for six years from the date on which it was established or superseded by a more up-to-date record.

5.3 Systems and controls

General requirement

- 5.3.1** (1) An Authorised Firm must establish and maintain systems and controls that ensure that its affairs are managed effectively and responsibly by its senior management.
- (2) An Authorised Firm must undertake regular reviews of its systems and controls.

Guidance

The nature and extent of the systems and controls of an Authorised Firm will depend upon a variety of factors including the nature, size and complexity of its business. While all Authorised Firms, irrespective of size, legal structure or organisation need to comply with this chapter, the DFSA will take into account these factors and the differences that exist between Authorised Firms when assessing the adequacy of an Authorised Firm's systems and controls. Nevertheless, neither these factors nor the differences relieve an Authorised Firm from compliance with its regulatory obligations.

Organisation

- 5.3.2** An Authorised Firm must implement clear reporting lines that take into account the nature, scale and complexity of its business. These reporting lines, together with clear management responsibilities, must be communicated to all Employees and documented within the Authorised Firm.
- 5.3.3** An Authorised Firm must ensure that key duties and functions are segregated so as to avoid the situation where the allocation of duties and functions to be performed by the same individual could result in undetected errors or be vulnerable to abuse and thus expose the Authorised Firm or its customers to inappropriate risks.

Risk management

- 5.3.4** An Authorised Firm must establish and maintain risk management systems and controls to enable it to identify, assess, mitigate, control and monitor its risks.
- 5.3.5** An Authorised Firm must develop, implement and maintain policies and procedures to manage the risks to which the Authorised Firm and where applicable, its customers, are exposed.
- 5.3.6** (1) An Authorised Firm must appoint an individual to advise its Governing Body and senior management of such risks.
- (2) An Authorised Firm which is part of a Group should be aware of the implications of any Group wide risk policy and systems and controls regime.

Compliance

- 5.3.7** An Authorised Firm must establish and maintain compliance arrangements, including processes and procedures that ensure and evidence, as far as reasonably practicable, that the Authorised Firm complies with all legislation applicable in the DIFC.

- 5.3.8** An Authorised Firm must document the organisation, responsibilities and procedures of the compliance function.
- 5.3.9** An Authorised Firm must ensure that the Compliance Officer has access to sufficient resources, including an adequate number of competent staff, to perform his duties objectively and independently of operational and business functions.
- 5.3.10** An Authorised Firm must ensure that the Compliance Officer has unrestricted access to relevant records and to the Authorised Firm's Governing Body and senior management.
- 5.3.11** An Authorised Firm must establish and maintain monitoring and reporting processes and procedures to ensure that any compliance breaches are readily identified, reported and promptly acted upon.
- 5.3.12** An Authorised Firm must document the monitoring and reporting processes and procedures as well as keep records of breaches of any of legislation applicable in the DIFC.

Internal audit

- 5.3.13** (1) An Authorised Firm must establish and maintain an internal audit function with responsibility for monitoring the appropriateness and effectiveness of its systems and controls.
- (2) The internal audit function must be independent from operational and business functions.
- 5.3.14** An Authorised Firm must ensure that its internal audit function has unrestricted access to all relevant records and recourse when needed to the Authorised Firm's Governing Body or the relevant committee, established by its Governing Body for this purpose.
- 5.3.15** An Authorised Firm must document the organisation, responsibilities and procedures of the internal audit function.

Business plan and strategy

- 5.3.16** (1) An Authorised Firm must produce a business plan which enables it, amongst other things, to manage the risks to which it and its customers are exposed.
- (2) The business plan must take into account the Authorised Firm's current business activities and the business activities forecast for the next twelve months.

- (3) The business plan must be documented and updated as appropriate to take account of changes in the business environment and to reflect changes in the business of the Authorised Firm.

Management information

- 5.3.17** An Authorised Firm must establish and maintain arrangements to provide its Governing Body and senior management with the information necessary to organise and control its activities, to comply with legislation applicable in the DIFC and to manage risks. The information must be relevant, accurate, comprehensive, timely and reliable.

Staff and agents

- 5.3.18** An Authorised Firm must establish and maintain systems and controls that enable it to satisfy itself of the suitability of anyone who acts for it.

- 5.3.19** (1) An Authorised Firm must ensure, as far as reasonably practical, that its staff are:

- (a) fit and proper;
- (b) appropriately trained for the duties they perform; and
- (c) trained in the requirements of the legislation applicable in the DIFC.

- (2) An Authorised Firm must establish and maintain systems and controls to comply with (1).

Guidance

When assessing the fitness and propriety of individuals, the Authorised Firm should satisfy itself that the conditions set out in AUT section A1.3 continue to apply as appropriate and should monitor conflicts or potential conflicts of interest arising from all of the individual's links and activities.

Conduct

- 5.3.20** An Authorised Firm must establish and maintain systems and controls that ensure, as far as reasonably practical, that the Authorised Firm and its Employees do not engage in conduct, or facilitate others to engage in conduct, which may constitute:

- (a) market misconduct;

- (b) money laundering; or
- (c) a financial crime under any applicable U.A.E. laws.

Outsourcing

- 5.3.21** (1) An Authorised Firm which outsources any of its functions or activities directly related to Financial Services to third party providers (including within its Group) is not relieved of its regulatory obligations and remains responsible for compliance with legislation applicable in the DIFC.
- (2) The outsourced function under this Rule shall be deemed as being carried out by the Authorised Firm itself.
- (3) An Authorised Firm which uses such third party providers must ensure that it:
- (a) has undertaken due diligence in choosing suitable third party providers;
 - (b) effectively supervises the outsourced functions or activities; and
 - (c) deals effectively with any act or failure to act by the third party provider that leads, or might lead, to a breach of any legislation applicable in the DIFC.

Guidance

1. An Authorised Firm's outsourcing arrangements should include consideration of:
 - a. applicable guiding principles for outsourcing in financial services issued by the Joint Forum; or
 - b. any equivalent principles or regulations the Authorised Firm is subject to in its home country jurisdiction.
2. As a minimum, the DFSA expects an Authorised Firm which has material outsourcing arrangements to:
 - a. establish and maintain comprehensive outsourcing policies, contingency plans and outsourcing risk management programmes;
 - b. enter into an appropriate and written outsourcing contract; and
 - c. ensure that outsourcing arrangements neither reduce its ability to fulfil its obligations to customers and the DFSA, nor hinder the supervision by the DFSA.

5.3.22 An Authorised Firm must inform the DFSA about any material outsourcing arrangements.

Business continuity

- 5.3.23** (1) An Authorised Firm must have in place adequate arrangements to ensure that it can continue to function and meet its obligations under the legislation applicable in the DIFC in the event of an unforeseen interruption.
- (2) These arrangements must be kept up to date and regularly tested to ensure their effectiveness.

Guidance

1. In considering the adequacy of an Authorised Firm's business continuity arrangements, the DFSA will have regard to the Authorised Firm's management of the specific risks arising from interruptions to its business including its crisis management and disaster recovery plans.
2. The DFSA expects an Authorised Firm to have:
 - a. arrangements which establish and maintain the Authorised Firm's physical security and protection for its information systems for business continuity purposes in the event of planned or unplanned information system interruption or other events that impact on its operations;
 - b. considered its primary data centres' and business operations' reliance on infrastructure components, for example transportation, telecommunications networks and utilities and made the necessary arrangements to minimise the risk of interruption to its operations by arranging backup of infrastructure components and service providers; and
 - c. considered, in its plans for dealing with a major interruption to its primary data centre or business operations, its alternative data centres' and business operations' reliance on infrastructure components and made the necessary arrangements such that these do not rely on the same infrastructure components and the same service provider as the primary data centres and operations.

Complaints

5.3.24 An Authorised Firm must establish and maintain a register of Customer Complaints and their resolutions. Records of the complaints must be maintained for a minimum of six years.

Guidance

Depending on the nature, size and complexity of its business, it may be appropriate for an Authorised Firm to have a suitable complaint handling procedure in place in order to ensure that Customer Complaints are properly handled and that remedial action is taken promptly. Such complaint handling procedures would be expected to include provisions about the independence of staff investigating the complaint and bringing the matter to the attention of senior management.

Records

- 5.3.25** (1) An Authorised Firm must make and retain records of matters and dealings, including accounting records which are the subject of requirements and standards under the legislation applicable in the DIFC.
- (2) Such records, however stored, must be capable of reproduction on paper within a reasonable period not exceeding three days.
- 5.3.26** Subject to Rule 5.3.27, the records required by Rule 5.3.25 or by any other Rule in this Rulebook must be maintained by the Authorised Firm in the English language.
- 5.3.27** If an Authorised Firm's records relate to business carried on from an establishment in a territory outside the DIFC, an official language of that territory may be used instead of the English language as required by Rule 5.3.26.
- 5.3.28** An Authorised Firm must have systems and controls to fulfil the Authorised Firm's legal and regulatory obligations with respect to adequacy, access, period of retention and security of records.

6 GENERAL PROVISIONS

- (5) Section 6.8 applies to the DFSA.

6.2 Interpreting the rulebook

Guidance

Interpretation

1. Every provision in the Rulebook must be interpreted in the light of its purpose. The purpose of any provision is to be gathered first and foremost from the text of the provision in question and its context among other relevant provisions.
2. When this section refers to a provision, this means every type of provision, including Rules and Guidance.
3. Where reference is made in the Rulebook to another provision of the Rulebook or other DIFC legislation, it is a reference to that provision as amended from time to time.
4. Unless the contrary intention appears:
 - a. words in the Rulebook importing the masculine gender include the feminine gender and words importing the feminine gender include the masculine; and
 - b. words in the Rulebook in the singular include the plural and words in the plural include the singular.

-
5. If a provision in the Rulebook refers to a communication, notice, agreement, or other document 'in writing' then, unless the contrary intention appears, it means in legible form and capable of being reproduced on paper, irrespective of the medium used. Expressions related to writing must be interpreted accordingly.
 6. Any reference to 'dollars' or '\$' is a reference to United States Dollars unless the contrary intention appears.
 7. References to Articles made throughout the Rulebook are references to Articles in the Regulatory Law 2004 unless otherwise stated.
 8. Unless the contrary intention appears, a day or business day refers to:
 - a. in relation to anything done or to be done in (including to be submitted to a place in) the U.A.E. any day which is not a Friday or Saturday or an official U.A.E. bank holiday; and
 - b. in relation to anything done or to be done by reference to a market outside the U.A.E. any day on which that market is normally open for business.

Defined Terms

9. Defined terms are identified throughout the Rulebook by the capitalisation of the initial letter of a word or of each word in a phrase and are defined in the Glossary (GLO). Unless the context otherwise requires, where capitalisation of the initial letter is not used, an expression has its natural meaning.

6.3 Emergency

- 6.3.1** (1) If an Authorised Firm or Authorised Market Institution is unable to comply with a particular Rule due to an emergency which is outside its or its Employees' control and could not have been avoided by taking all reasonable steps, the Authorised Firm or Authorised Market Institution will not be in contravention of that Rule to the extent that, in consequence of the emergency, compliance with that Rule is impractical.
- (2) This Rule applies only for so long as the consequences of the emergency continue and the Authorised Firm or Authorised Market Institution is able demonstrate that it is taking all practical steps to deal with those consequences, to comply with the Rule, and to mitigate losses and potential losses to its customers.
- (3) An Authorised Firm or Authorised Market Institution must notify the DFSA as soon as practical of the emergency and of the steps it is taking and proposes to take to deal with the consequences of the emergency.

Guidance

1. Procedures for notification to the DFSA are set out in SUP chapter 7.
2. The Rules in section 6.3 do not affect the powers of the DFSA under Article 9 of the Markets Law 2004.

6.4 Disclosure of regulatory status

6.4.1 An Authorised Firm or Authorised Market Institution must not misrepresent its status expressly or by implication.

6.4.2 (1) An Authorised Firm or Authorised Market Institution must take reasonable care to ensure that every key business document which is in connection with the Authorised Firm or Authorised Market Institution carrying on a Financial Service in or from the DIFC includes one of the disclosures under this Rule.

(2) A key business document includes letterhead whether issued by post, fax or electronic means, terms of business, client agreements, written promotional materials, business cards, prospectuses and websites but does not include compliment slips, account statements or text messages.

(3) The disclosure required under this Rule is:

- (a) 'Regulated by the DIFC Financial Services Authority'; or
- (b) 'Regulated by the DFSA'.

(4) The DFSA logo must not be reproduced without express written permission from the DFSA and in accordance with any conditions for use.

6.5 Location of offices

6.5.1 (1) Where an Authorised Firm or Authorised Market Institution or a Person who has submitted an application for authorisation to carry on one or more Financial Services, is a Body Corporate incorporated under the Companies Law 2004, its head office and registered office must be in the DIFC.

- (2) Where an Authorised Firm or Authorised Market Institution or a Person who has submitted an application for authorisation to carry on one or more Financial Services, is a Partnership established under the Limited Liability Partnership Law 2004 or the General Partnership Law 2004, its head office must be in the DIFC.
- (3) Where an Authorised Firm or Authorised Market Institution or a Person who has submitted an application for authorisation to carry on one or more Financial Services is an unincorporated association formed within the jurisdiction of the DIFC, its head office must be in the DIFC.

Guidance

1. In considering the location of an Authorised Firm's or Authorised Market Institution's head office, the DFSA will have regard to the location of its directors, partners and senior management and to the main location of its day-to-day operational, control, management and administrative arrangements and will judge matters on a case by case basis.
2. Under the fit and proper test for Authorised Firms and the licensing requirements for Authorised Market Institutions, an Authorised Firm or Authorised Market Institution which does not satisfy the DFSA with respect to the location of its offices will, on this point alone not be considered fit and proper.

6.6 Close links

- 6.6.1** (1) Where an Authorised Firm or Authorised Market Institution or a Person who has submitted an application for authorisation to carry on one or more Financial Services has Close Links with another Person, the DFSA must be satisfied that those Close Links are not likely to prevent the effective supervision by the DFSA of the Authorised Firm or Authorised Market Institution.
- (2) If requested by the DFSA the Authorised Firm and Authorised Market Institution must submit a Close Links report or notification, in a form specified by the DFSA. This may be requested on an ad hoc or periodic basis.

Guidance

1. Procedures for notification to the DFSA are set out in SUP chapter 7.
2. Under the fit and proper test for Authorised Firms and the licensing requirements for Authorised Market Institutions, an Authorised Firm or Authorised Market Institution which does not satisfy the DFSA with respect of its Close Links will, on this point alone, not be considered fit and proper.

6.7 Complaints against the DFSA

Guidance

1. A Person who feels he has been adversely affected by the manner in which the DFSA has carried out its functions may make a complaint to the DFSA about its conduct or the conduct of its Employees.
2. A complaint must be in writing and should be addressed to the Chief Executive of the DFSA. The complaint will be dealt with by the DFSA in a timely manner.

6.8 Public register

Maintenance and publication

- 6.8.1** The registers required to be maintained and published by the DFSA pursuant to Article 62 shall be published and maintained in either or both of the following manners:
- (a) by maintaining hard copy registers which are made available for inspection at the premises of the DFSA during normal business hours; or
 - (b) by maintaining an electronic version of the registers and making the information from those registers available through the DFSA website.

6.9 Communication with the DFSA

- 6.9.1** An Authorised Firm must ensure that any communication with the DFSA is conducted in the English language.

7 FEES

7.1 Application

7.1.1 This chapter applies to every:

- (a) Authorised Firm, Authorised Market Institution and applicant for a Licence;
- (b) applicant for registration as an auditor with the DFSA; and
- (c) auditor registered with the DFSA.

7.2 General provisions

7.2.1 Where a fee is payable for any application to the DFSA, the application will not be regarded as submitted until the fee and any supplementary fee has been paid in full.

7.2.2 Where an annual fee or supplementary fee in relation to ongoing supervision is due from any Person under a provision of these Rules, the Person must pay it by the date on which it becomes due. If he fails to do so then, without limiting the right of the DFSA to take any other action, the sum due shall be increased by 1% for each calendar month, or part of a calendar month, that it remains outstanding beyond the due date.

Guidance

If a fee is not paid by the date on which it becomes due, the Person is in breach of a Rule and the DFSA is entitled to take action including, but not limited to, taking steps to withdraw authorisation to conduct one or more Financial Services.

7.2.3 The DFSA may reduce, waive or refund all or part of any fee if it considers that, in the exceptional circumstances of a particular case, it would be equitable to do so.

- 7.2.4**
- (1) The DFSA may require a Person to pay to the DFSA a supplementary fee in circumstances where it expects to incur substantial additional costs in dealing with an application or conducting ongoing supervision.
 - (2) In such cases the DFSA will notify the Person as soon as reasonably possible of the amount of the supplementary fee.

Guidance

1. A supplementary fee may be levied by the DFSA because it expects that certain applications will require more intensive scrutiny than others. An example is where the entity is a Branch from a jurisdiction where there are not or are not expected to be in place arrangements for co-operation between the DFSA and the relevant regulators in that jurisdiction. Equally, where the entity is incorporated in the DIFC, a full analysis of the prudential and systems arrangements will be required.
2. A supplementary fee may also be levied by the DFSA in cases where the ongoing supervision of the Authorised Firm or Authorised Market Institution appears to the DFSA to be likely to cause it to incur substantial additional costs.

7.3 Application fees**7.3.1** The following Persons:

- (a) an applicant for a Licence; and
- (b) an Authorised Firm or Authorised Market Institution applying for authorisation to carry on an additional Financial Service,

must pay to the DFSA:

- (c) the applicable fee specified in section A5.2 or A5.3 as appropriate; and
- (d) any supplementary fee required by the DFSA.

7.3.2 An applicant for registration as an auditor with the DFSA must pay to the DFSA the applicable fee specified in App6.**7.4 Annual fees****7.4.1** An Authorised Firm or Authorised Market Institution must pay to the DFSA:

- (a) the applicable fee specified in section A5.4; and

- 7.4.3** (1) The initial annual fee must be paid in full to the DFSA within 21 days of the date on which the Licence or registration is granted.
- (2) Subsequent annual fees must be paid in full to the DFSA on or before 1 January of any calendar year.

Guidance

In regard to the payment of an annual fee on or before 1 January, invoices will be issued at least 21 days before that date.

- (2) If an Authorised Firm is an Islamic Financial Institution it must prepare and maintain all financial accounts and statements in accordance with the accounting standards of the Accounting and Auditing Organisation for Islamic Financial Institutions (AAOIFI).
- (3) If an Authorised Firm operates an Islamic Window it must prepare and maintain all financial accounts and statements in accordance with the IFRS, as supplemented by AAOIFI FAS 18 in respect of its Islamic Financial Business.

Guidance

1. AAOIFI FAS 18 sets out the accounting rules for recognising, measuring and presenting the assets managed and funds mobilised on the basis of Islamic Shari'a rules and principles in the financial accounts and statements of conventional financial institutions that offer Islamic financial services, as well as the income generated from these services. The standard also determines the necessary disclosures related to these services.
2. Under AAOIFI FAS 18, Authorised Firms which operate Islamic Windows must disclose (in their relevant financial statements) the following:
 - a. whether or not they co-mingle funds related to Islamic Financial Business with funds relating to conventional financial business;

- b. the sources and applications of funds mobilised and invested through their Islamic Financial Business and the sources of funds used to cover a deficit if it occurs;
- c. any reserves of expenditures prohibited by Shari'a and the disposition of any revenues, the latter shall be determined by the Shari'a Supervisory Board;
- d. any reserves deducted from the funds mobilised according to Shari'a, the purpose of such reserves and to whom the reserves shall revert in the case where the activities in respect of which the reserves were deducted have ceased; and
- e. the percentage amount of funds relating to Islamic Financial Business in comparison with the percentage amount of funds relating to conventional financial business.

8.3 Accounting records and regulatory returns

8.3.1 Every Authorised Firm must keep accounting records which are sufficient to show and explain transactions and are such as to:

- (a) be capable of disclosing the financial position of the Authorised Firm on an ongoing basis; and
- (b) record the financial position of the Authorised Firm as at its financial year end.

8.3.2 Accounting records must be maintained by an Authorised Firm such as to enable its Governing Body to ensure that any accounts prepared by the Authorised Firm comply with the legislation applicable in the DIFC.

8.3.3 An Authorised Firm's accounting records must be:

- (a) retained by the Authorised Firm for at least ten years from the date to which they relate;
- (b) at all reasonable times, open to inspection by the DFSA or the auditor of the Authorised Firm; and
- (c) if requested by the DFSA capable of reproduction, within a reasonable period not exceeding three days, in hard copy and in English.

8.3.4 All regulatory returns prepared by the Authorised Firm must be prepared and submitted in accordance with the requirements set out in PIB appendix 7 or PIN chapter 6 as applicable.

Changes to the financial year end

- 8.3.5** (1) If an Authorised Firm is a Domestic Firm and intends to change its financial year end, it must obtain the DFSA's prior consent before implementing the change.
- (2) The application for consent must include reasons for the change.
- (3) The DFSA may require the Authorised Firm to obtain written confirmation from its auditor that the change of financial year end would not result in any significant distortion of the financial position of the Authorised Firm.
- 8.3.6** If an Authorised Firm is not a Domestic Firm and intends to change its financial year, it must provide the DFSA with reasonable advance notice prior to the change taking effect.

8.4 Appointment and termination of auditors

8.4.1 An Authorised Firm must:

- (a) notify the DFSA of the appointment of an auditor, including the name and business address of the auditor and the date of the commencement of the appointment;
- (b) prior to the appointment of the auditor, take reasonable steps to ensure that the auditor has the required skills, resources and experience to audit the business of the Authorised Firm for which the auditor has been appointed; and
- (c) if it is a Domestic Firm, ensure that the auditor, at the time of appointment and for the duration of the engagement as auditor, is registered with the DFSA.

8.4.2 An Authorised Firm must notify the DFSA immediately if the appointment of the auditor is or is about to be terminated, or on the resignation of its auditor, giving the reasons for the cessation of the appointment.

8.4.3 An Authorised Firm must appoint an auditor to fill any vacancy in the office of auditor and ensure that the replacement auditor can take up office at the time the vacancy arises or as soon as reasonably practicable.

8.4.4 (1) An Authorised Firm must take reasonable steps to ensure that the relevant audit staff of the auditor are independent of and not subject to any conflict of interest with respect to the Authorised Firm.

- (2) An Authorised Firm must notify the DFSA if it becomes aware, or has reason to believe, that the relevant audit staff of the auditor are no longer independent of the Authorised Firm, or have a conflict of interest which may affect their judgement in respect of the Authorised Firm.

Guidance

1. The relevant staff of an auditor are independent if their appointment or retention by an Authorised Firm is not contrary to any applicable ethical guidance issued by the professional supervisory body.
2. An Authorised Firm should consider rotating the appointed relevant staff of the auditor every five years to ensure that the relevant staff of the auditor remains independent.

8.4.5 If requested by the DFSA, an Authorised Firm which carries on Financial Services through a Branch must provide the DFSA with information on its appointed or proposed auditor with regard to the auditor's, skills, experience and independence.

8.4.6 Where an auditor appointed by an Authorised Firm is not suitable in the opinion of the DFSA, or where an auditor has not been appointed, the DFSA may direct an Authorised Firm to replace or appoint an auditor in accordance with the requirements in this chapter.

8.5 Co-operation with auditors

8.5.1 An Authorised Firm must take reasonable steps to ensure that it and its Employees:

- (a) provide such assistance as the auditor reasonably requires to discharge its duties;
- (b) give the auditor right of access at all reasonable times to relevant records and information;
