## 1 INTRODUCTION

### 1.1 Application

- 1.1.1** This module (GEN) applies to every Person to whom the Regulatory Law 2004 or Markets Law 2012 applies and to the same extent in relation to every such Person as that law, except to the extent that a provision of GEN provides for a narrower application.

#### Guidance

Pursuant to the application provisions in each chapter, only chapters 1 to 3 inclusive of GEN apply to a Representative Office.

### 1.2 Overview of the module

#### Guidance

1. Chapter 2 prescribes, pursuant to Article 41(2) of the Regulatory Law 2004, the activities which constitute a Financial Service and, pursuant to Article 42(1) of the Regulatory Law 2004, the kind of Financial Services that may be carried on by Authorised Firms and Authorised Market Institutions. It also specifies various exclusions in relation to the 'by way of business' requirement and, where applicable, in relation to each Financial Service. Further, the appendices contain detailed definitions of what constitutes a Deposit, Investment, Collective Investment Fund and Contract of Insurance.
2. Chapter 3 sets out the requirements for a Person making or intending to make a Financial Promotion in or from the DIFC.
3. Chapter 4 sets out the Principles for Authorised Firms and Authorised Individuals.
4. Chapter 5 specifies the requirements upon senior management to implement effective systems and controls. There are also requirements upon the Authorised Firm to apportion material responsibility among its senior management.
5. Chapter 6 contains mainly guidance in respect of: interpretation of the Rulebook, emergency procedures, disclosure, the location of offices, close links, complaints against the DFSA and the public register.
6. Chapter 7 specifies DFSA's authorisation requirements for any applicant intending to become an Authorised Firm or Authorised Individual.
7. Chapter 8 specifies, in relation to Authorised Persons, the auditing and accounting requirements which deal with such matters as the appointment and termination of auditors, accounts and regulatory returns and the functions of an auditor. There are also requirements for auditors to register with the DFSA.
8. Chapter 9 prescribes the manner in which an Authorised Firm must handle Complaints made against it by Retail Clients or Professional Clients.
9. Chapter 10 contains two sets of Transitional Rules.
  - a. Rules 10.1.2 and sections 10.2, 10.3, 10.4 and 10.5 impact on various modules of the Rulebook, particularly COB and CIR. These Rules enable Authorised Firms to make a smooth transition to the Current Regime that came into force on 1 July 2008 under Rulemaking Instrument No 56, following the DFSA's "Key Policy

Review” outlined in Consultation Paper 52. They also provide for the continued application of some of the provisions of the Previous Regime under the Current Regime; and

- b. Section 10.6 contains Transitional Rules that allow, with effect from 4 January 2009:
    - i. an Authorised Person to carry on a Financial Service in respect of a Designated Investment as if that Designated Investment were a Structured Product; and
    - ii. a Designated Investment included in an Official List of Securities before that date to continue to be a listed Structured Product,
10. Chapter 11 specifies the DFSA’s supervisory requirements for any Authorised Person being regulated by the DFSA.

- (a) it is an activity specified in Rule 2.2.2; and

- (t) Providing Trust Services;
- (u) Providing Fund Administration;
- (v) Acting as the Trustee of a Fund;
- (w) Operating a Representative Office; and
- (x) Operating a Credit Rating Agency.

**Guidance**

Note that the ambit of these activities in Rule 2.2.2 may be restricted under COB, AMI or REP and may be fettered by the continuing operation of the Federal Law.

**2.2.3** Each activity specified in Rule 2.2.2:

- (a) is to be construed in the manner provided under these Rules; and
- (b) is subject to exclusions under these Rules which may apply to such an activity.

**Permitted Financial Services for Authorised Firms**

**2.2.4** Pursuant to Article 42(1)(a) of the Regulatory Law 2004 an Authorised Firm, subject to the Rules, may carry on any one or more Financial Services other than Providing Money Services.

**2.2.5** The Financial Services of Effecting Contracts of Insurance and Carrying Out Contracts of Insurance may be carried on only by an Authorised Firm which by virtue of its Licence is permitted to carry on such Financial Services and no other Financial Services.

**2.2.6** The Financial Service of Managing a Profit Sharing Investment Account may be carried on only by an Authorised Firm which by virtue of an appropriate endorsement on its Licence is permitted to conduct Islamic Financial Business.

**2.2.7** The Financial Service of Managing a Collective Investment Fund may be carried on in respect of an Islamic Fund only by an Operator which by virtue of an appropriate endorsement on its Licence is permitted to conduct Islamic Financial Business.

**2.2.8** A Financial Service may be carried on with or for a Retail Client only by an Authorised Firm which is permitted to do so by endorsement on its Licence.

**2.2.9** An Authorised Firm which is licenced to carry on the Financial Service of Operating a Representative Office may not be licenced to carry on any other Financial Service.

**2.2.10** An Authorised Firm (other than a Representative Office) may carry on an activity of the kind described in Rule 2.26.1 that constitutes marketing without the need for any additional authorisation to do so.

#### **Permitted Financial Services for Authorised Market Institutions**

**2.2.11** Pursuant to Article 42(1)(b) of the Regulatory Law 2004 and subject to Rule 2.2.12, an Authorised Market Institution may carry on any one or more of the following Financial Services:

- (a) Operating an Exchange;
- (b) Operating a Clearing House; or
- (c) Operating an Alternative Trading System to the extent that such activities constitute operating a Multilateral Trading Facility as defined in Rule 2.22.1(1)(a).

**2.2.12** The Financial Service of Operating an Alternative Trading System, to the extent that such activities constitute operating a Multilateral Trading Facility, may be carried on by an Authorised Market Institution which is permitted to do so by an endorsement on its Licence.

#### **Other permitted activities**

- (2) In (1), a Trade Repository is a centralised registry that maintains an electronic database containing records of transactions in Investments and over-the-counter derivatives.

#### **Guidance**

1. Maintaining a Trade Repository is not a separately licensed Financial Service, but may be carried on by an Authorised Person which has on its Licence an endorsement permitting it to do so. An Authorised Person maintaining a Trade Repository is subject to some specific requirements relating to that activity, which are set out in App 5.
2. The functions of a Trade Repository promote increased transparency and integrity of information, particularly for centrally clearing over-the-counter derivatives. Currently there are no transaction reporting requirements in the DIFC which require reporting to Trade Repositories.
3. An Authorised Person does not carry on the activities of a Trade Repository to the extent that it maintains records of transactions pursuant to the record keeping requirements applicable to that firm (such as those relating to transactions carried out on behalf of its Clients by an Authorised Firm, or transactions carried out on the facilities of an Authorised Market Institution).

## 2.3 By way of business

**2.3.1** Subject to Rules 2.3.2 and 2.3.3, for the purpose of these Rules a Person carries on an activity by way of business if the Person:

- (a) such Shares carry at least 50% of the voting rights or the acquisition will take an existing holding to at least 50%; or

- (3) For the purposes of this Rule and Rule 2.11.2, a “financial product” is an Investment, Deposit, Profit Sharing Investment Account or rights under a contract of Long-Term Insurance, that is not a contract of reinsurance.

### Exclusions

**2.11.2** A Person does not Advise on Financial Products or Credit by giving advice in any newspaper, journal, magazine, broadcast service or similar service in any medium if the principal purpose of the publication or service, taken as a whole, is neither:

- (a) that of giving advice of the kind mentioned in Rule 2.11.1; nor
- (b) that of leading or enabling Persons:
  - (i) to buy, sell, subscribe for or underwrite a particular financial product; or
  - (ii) to enter into a particular Credit Facility.

**2.11.3** A Person does not Advise on Financial Products or Credit if the activity:

- (a) is carried on in the course of Providing Legal Services or Providing Accountancy Services, which does not otherwise consist of the carrying on of Financial Services;
- (b) may reasonably be regarded as a necessary part of any other services provided in the course of Providing Legal Services or Providing Accountancy Services; and

- (c) is not remunerated separately from the other services.

## **2.12 Managing a collective investment fund**

- 2.12.1** (1) In Rule 2.2.2, Managing a Collective Investment Fund means:
- (a) being legally accountable to the Unitholders in the Fund for the management of the property held for or within a Fund under the Fund's Constitution; and
  - (b) establishing, managing or otherwise operating or winding up a Collective Investment Fund; and
- (2) To the extent that any activity under (1) constitutes Managing Assets, Providing Fund Administration, Dealing as Agent, Dealing as Principal, Arranging Credit or Deals in Investments, or Providing Custody, such a Financial Service is taken to be incorporated within Managing a Collective Investment Fund.
- (3) The Person referred to in (1) is a Fund Manager.

### **Exclusions**

- 2.12.2** Pursuant to Article 20(3) of the Collective Investment Law 2010, a Person is hereby prescribed by the DFSA as not Managing a Collective Investment Fund merely because that Person:
- (a) is acting as an agent, employee or delegate of the Fund Manager; or
  - (b) takes steps to wind up or dissolve a Fund or remedy a defect that led to a Fund being deregistered.

## **2.13 Providing custody**

- 2.13.1** (1) In Rule 2.2.2, Providing Custody means one or more of the following activities:
- (a) safeguarding Investments belonging to another Person;
  - (b) in the case of a Fund, safeguarding Fund Property;
  - (c) acting as a Central Securities Depository; or
  - (d) administering Investments or Fund Property for the purpose of (a) and (b).
- (2) In (1)(d), the following activities do not constitute the 'administration of such Investments or Fund Property':
- (a) providing information as to the number and value of any Investments or Fund Property safeguarded;

- (b) converting currency; or
  - (c) receiving documents relating to an Investment or Fund Property for the purpose of onward transmission to, from or at the direction of the Person to whom the Investment or Fund Property belongs.
- (3) In (1)(c), “acting as a Central Securities Depository” means holding securities in uncertificated (dematerialised) form to enable book entry transfer of such securities for the purposes of clearing or settlement of transactions executed on a facility operated by an Authorised Market Institution or an Alternative Trading System or a similar facility regulated and supervised by a Financial Services Regulator.

#### **Guidance**

A Person does not become a Fund Manager of a Fund merely by being appointed by a Fund Manager of a Fund to provide the Financial Service of Providing Custody to the Fund. This is because the Fund Manager remains legally accountable to the Unitholders of the Fund for the safe custody and proper management of the Fund in accordance with its Constitution and Prospectus.

## **2.14 Arranging custody**

**2.14.1** In Rule 2.2.2, Arranging Custody means arranging for one or more Persons to carry on the activity described in Rule 2.13.1.

#### **Exclusions**

- 2.14.2** (1) A Person (the ‘introducer’) does not Arrange Custody by introducing a Person to another Person (the ‘custodian’) who is authorised by the DFSA or a Financial Services Regulator to carry on the activity described in Rule 2.13.1, if the introducer is not connected to the custodian.
- (2) For the purposes of (1) an introducer is connected to a custodian if:
- (a) the custodian is a member of the same Group as the introducer; or
  - (b) the introducer is remunerated by the custodian or a member of the custodian’s Group for making the introduction.

## **2.15 Effecting contracts of insurance**

**2.15.1** In Rule 2.2.2, Effecting Contracts of Insurance means effecting such contracts as principal.

## 2.16 Carrying out contracts of insurance

**2.16.1** In Rule 2.2.2, Carrying Out Contracts of Insurance means carrying out such contracts as principal.

## 2.17 Operating an exchange

- 2.17.1** (1) In Rule 2.2.2, Operating an Exchange means operating a facility which functions regularly and brings together multiple third party buying and selling interests in Investments, in accordance with its non-discretionary rules, in a way that can result in a contract in respect of Investments admitted to trading or traded on the facility.
- (2) The facility referred to in (1) may be organised on a temporary or permanent basis and can be an order driven system, a quote driven system or a hybrid of such systems that enables the market to operate electronic trading or trading by other means.
- (3) To the extent that any activity under (1) constitutes Dealing in Investments as Agent, Arranging Credit or Deals in Investments or Arranging Custody, such Financial Services are taken to be incorporated within Operating an Exchange, provided such activity is carried out as an incidental and integral part of the activities of Operating an Exchange.

### Guidance

1. An Authorised Market Institution authorised to Operate an Exchange may carry on the Financial Service of operating a Multilateral Trading Facility, as defined in Rule 2.22.1(1)(a), provided it has an endorsement on its Licence that permits it to do so (see Rule 2.2.12).
2. An Authorised Market Institution may also act as a Trade Repository if it has an endorsement on its Licence that permits it to do so (see Rule 2.2.14). Acting as a Trade Repository does not constitute a Financial Service but is subject to the additional conduct requirements in GEN App 5.

## 2.18 Operating a clearing house

- 2.18.1** (1) In Rule 2.2.2, operating a Clearing House means operating a facility where confirmation, clearance and settlement of transactions in Investments are carried out in accordance with the non-discretionary rules of the facility, under which the Person operating the facility:
- (a) becomes a Central Counterparty (“CCP”); or
  - (b) provides a book-entry Securities Settlement System (“SSS”),
- regardless of whether or not such a Person also operates a Central Securities Depository.

- 
- (2) In (1), confirmation, clearance and settlement means the process of:
- (a) establishing settlement positions, including the calculation of net positions arising from any transactions in Investments (the transactions);
  - (b) checking that Investments, cash or both, including margin, are available to secure the exposure arising from the transactions; and
  - (c) securing the timely discharge (whether by performance, compromise or otherwise) of the rights and liabilities in relation to the transactions.
- (3) In (1)(a), a Person operates as a CCP where it:
- (a) ensures the performance of open contracts relating to Investments made on a facility for trading Investments; and
  - (b) does so by interposing itself between counterparties to such contracts by becoming either the buyer to every seller, or the seller to every buyer.
- (4) In (1)(b), a Person operates an SSS where it operates a system which enables Investments held in accounts to be transferred and settled by book entry according to a set of predetermined multilateral rules.
- (5) Acting as a Central Securities Depository in (1) means holding securities in uncertificated (dematerialised) form to enable book entry transfer of such securities for the purposes of clearing or settlement of transactions on its own facility and on any other similar facility, including an Alternative Trading Facility or a facility supervised or regulated by another Financial Services Regulator.
- (6) To the extent that any activity under (1) constitutes Dealing In Investments as Principal, Dealing in Investments as Agent, Arranging Credit or Deals in Investments, Managing Assets or Arranging Custody, such Financial Services are taken to be incorporated within Operating a Clearing House, provided such activities are carried out as an incidental and integral part of Operating a Clearing House.

### **Guidance**

1. The activity of operating a Central Securities Depository may be carried on by an Authorised Market Institution licensed to Operate a Clearing House in conjunction with its regulated activities, particularly operating an SSS. An Authorised Firm which has a licence authorising it to carry on Custody Services may also operate a CSD under its licence (see GEN Rule 2.13.1(3)). If a Clearing House were to operate a CSD through a subsidiary, that subsidiary would need to be licensed separately as an Authorised Firm Providing Custody.
2. An Authorised Market Institution Licensed to Operate a Clearing House may also act as a Trade Repository if it has an endorsement on its Licence that permits it to do so (see Rule 2.2.14). Acting as a Trade Repository does not constitute a Financial Service but is subject to the additional conducts requirements in GEN App 5.

## 2.19 Insurance intermediation

**2.19.1** (1) In Rule 2.2.2, Insurance Intermediation means:

- (a) advising on insurance;
  - (b) acting as agent for another Person in relation to the buying or selling of insurance for that other Person; or
  - (c) making arrangements with a view to another Person, whether as principal or agent, buying insurance.
- (2) In (1)(a), 'advising' means giving advice to a Person in his capacity as a policyholder or potential policyholder, or in his capacity as agent for a policyholder or potential policyholder on the merits of his entering into a Contract of Insurance whether as principal or agent.
- (3) In (2), 'advice' includes a statement, opinion or report:
- (a) where the intention is to influence a Person, in making a decision, to select a particular Contract of Insurance or insurance cover; or
  - (b) which could reasonably be regarded as being intended to have such influence.
- (4) The arrangements in (1)(c) include arrangements which do not bring about the transaction.
- (5) The arrangements in (1)(c) do not include arrangements of the kind described in Rule 2.26.1 that constitute marketing.

### Guidance

In regard to arrangements under Rule 2.19.1(5), pursuant to Rule 2.2.10, an Authorised Firm (other than a Representative Office) may carry on an activity of the kind described in Rule 2.26.1 that constitutes marketing without the need for any additional authorisation to do so.

### Exclusions

**2.19.2** A Person does not carry on the activities specified in Rule 2.19.1(1)(b) or (c) if he enters or is to enter into a transaction in respect of a Contract of Insurance as principal.

**2.19.3** A Person does not carry on Insurance Intermediation if the activity:

- (a) is carried on in the course of any professional business which does not otherwise consist of the carrying on of Financial Services;
- (b) may reasonably be regarded as a necessary part of any other services provided in the course of that professional business; and
- (c) is not remunerated separately from the other services.

**2.19.4** A Person does not give advice in relation to a Contract of Insurance by giving advice in any newspaper, journal, magazine, broadcast service or similar

service in any medium if the principal purpose of the publication or service, taken as a whole, is neither:

- (a) that of giving advice of the kind mentioned in Rule 2.19.1; nor
- (b) that of leading or enabling Persons to buy types of insurance.

**2.19.5** A Person does not arrange a Contract of Insurance merely by providing the means by which one party to a transaction is able to communicate with other such parties.

**2.19.6** A Person who is an Authorised Firm does not advise in relation to an Insurance Contract if it is authorised under its Licence to carry on the Financial Service of Advising on Financial Products or Credit, to the extent the advice relates to a contract of Long-Term Insurance not being a contract of reinsurance.

**2.19.7** A Person who is an Authorised Firm does not arrange a Contract of Insurance if it is authorised under its Licence to carry on the Financial Service of Arranging Credit or Deals in Investments, to the extent that the arranging relates to rights under a contract of Long-Term Insurance not being a contract of reinsurance.

## **2.20 Insurance management**

- 2.20.1** (1) In Rule 2.2.2, Insurance Management means providing management services or exercising managerial functions for an insurer.
- (2) In (1) management services and managerial functions include administration and underwriting.
- (3) In (1) an 'insurer' means a Person effecting or carrying out Contracts of Insurance.

### **Exclusions**

**2.20.2** A Person does not provide Insurance Management to an insurer if he is an Employee of that insurer.

**2.20.3** A Person who is an Authorised Firm does not provide Insurance Management if it is an Insurer.

## **2.21 Managing a profit sharing investment account**

**2.21.1** In Rule 2.2.2, Managing a Profit Sharing Investment Account means managing an account or portfolio which is a Profit Sharing Investment Account.

## **2.22 Operating an alternative trading system**

- 2.22.1** (1) In Rule 2.2.2, Operating an Alternative Trading System means:
- (a) operating a Multilateral Trading Facility (“MTF”); or
  - (b) operating an Organised Trading Facility (“OTF”).
- (2) In (1)(a), a Person operates an MTF if that Person operates a system which brings together multiple third party buying and selling interests in Investments, in accordance with its non-discretionary rules, in a way that results in a contract in respect of such Investments.
- (3) In (1)(b), a Person operates an OTF if that Person operates a system which brings together multiple third party buying and selling interests in Investments, in accordance with its discretionary rules, in a way that results in a contract in respect of such Investments.

### **Guidance**

The main distinction between operating an MTF and operating an OTF is that the former is operated in accordance with the non-discretionary rules adopted and implemented by the operator, whereas the latter is operated in accordance with the discretionary rules of the operator. Accordingly, a Person operating an OTF has more flexibility relating to how it applies its rules to participants on its facility, whereas a Person operating an MTF is required to apply its rules in a non-discretionary manner across all participants on its facility.

### **Exclusion**

- 2.22.2** A Person does not carry on the activity of the kind specified in Rule 2.22.1 if it operates a facility which is merely an order routing system where buying and selling interests in, or orders for, Investments are merely transmitted but do not interact.

## **2.23 Providing Trust Services**

- 2.23.1** In Rule 2.2.2, Providing Trust Services means:
- (a) the provision of services with respect to the creation of an express trust;
  - (b) arranging for any Person to act as a trustee in respect of any express trust;
  - (c) acting as trustee in respect of an express trust;
  - (d) the provision of Trust Administration Services in respect of an express trust; or
  - (e) acting as protector or enforcer in respect of an express trust.

**Guidance**

Providing generic advice on the desirability of using a trust does not amount to Providing Trust Services as defined in Rule 2.23.1.

**Exclusions**

**2.23.2** A Person meeting part (1)(d) or (e) of the definition of a DNFBP does not provide Trust Services where it only:

- (a) arranges for a Person to act as trustee in respect of an express trust; or
- (b) provides services with respect to the creation of an express trust; provided that:
  - (i) the provision of such services is solely incidental to the practice of law or accounting as the case may be; and
  - (ii) the DNFBP is not holding itself out as Providing Trust Services.

**Guidance**

Acting as trustee, protector or enforcer or Providing Trust Administration Services are not activities incidental to the practice of law or accounting and require a Licence.

**2.23.3** A Person is not Providing Trust Services if that Person is the Trustee of a Fund and the activities are in connection with or arise from, acting as the Trustee of the Fund.

**2.24 Providing fund administration**

**2.24.1** In Rule 2.2.2, Providing Fund Administration means providing one or more of the following services in relation to a Fund:

- (a) processing dealing instructions including subscriptions, redemptions, stock transfers and arranging settlements;
- (b) valuing of assets and performing net asset value calculations;
- (c) maintaining the share register and Unitholder registration details;
- (d) performing anti money laundering requirements;
- (e) undertaking transaction monitoring and reconciliation functions;
- (f) performing administrative activities in relation to banking, cash management, treasury and foreign exchange;
- (g) producing financial statements, other than as the Fund's registered auditor; or

- (h) communicating with participants, the Fund, the Fund Manager, and investment managers, the prime brokers, the Regulators and any other parties in relation to the administration of the Fund.

## **2.25 Acting as the Trustee of a Fund**

- 2.25.1** (1) In Rule 2.2.2, Acting as the Trustee of a Fund means holding the assets of a Fund on trust for the Unitholders where the Fund is in the form of an Investment Trust.
- (2) To the extent that any activity under (1) constitutes Providing Fund Administration or Providing Custody, such a Financial Service is taken to be incorporated within Acting as the Trustee of a Fund.

### **Guidance**

Rule 2.25.1(2) alleviates any requirement upon a Trustee to obtain further authorisations for certain Financial Services where the activities fall within the ordinary scope of the activity of Acting as the Trustee of a Fund. The provision also facilitates the delegation of these discrete activities under CIR section 7.3.

### **Exclusions**

- 2.25.2** A Person is not Acting as the Trustee of a Fund merely because he is acting as an agent, employee or delegate of a Trustee.

## **2.26 Operating a Representative Office**

- 2.26.1** (1) In Rule 2.2.2 Operating a Representative Office means the marketing of one or more financial services or financial products which are offered in a jurisdiction other than the DIFC.
- (2) For the purposes of (1) 'marketing' means:
- (a) providing information on one or more financial products or financial services;
  - (b) engaging in promotions in relation to (a); or
  - (c) making introductions or referrals in connection with the offer of financial services or financial products;
- provided that such activities do not constitute:
- (d) Advising on Financial Products or Credit; or
  - (e) receiving and transmitting orders in relation to a financial product.
- (3) For the purposes of (1) and (2) (a), (c) and (d), the term 'financial product' means an Investment, a Credit Facility, a Deposit, a Profit Sharing Investment Account or a Contract of Insurance.

### Exclusions

- 2.26.2** An Authorised Firm other than a Representative Office does not Operate a Representative Office if it undertakes any activities of the kind described in Rule 2.26.1 that constitute marketing.
- 2.26.3** Any communication which amounts to marketing in respect of a financial service or financial product, which is issued by or on behalf of a government or non-commercial government entity, does not constitute marketing for the purposes of Rule 2.26.1.

## 2.27 Operating a Credit Rating Agency

- 2.27.1** (1) In Rule 2.2.2, Operating a Credit Rating Agency means undertaking one or more Credit Rating Activities for the purpose of producing a Credit Rating with a view to that Credit Rating being:
- (a) disseminated to the public; or
  - (b) distributed to a Person by subscription;
- whether or not it is in fact disseminated or distributed.
- (2) For the purposes of (1):
- (a) Credit Rating Activities are data and information analysis relating to a Credit Rating or the evaluation, approval, issue or review of a Credit Rating; and
  - (b) a Credit Rating is an opinion expressed using an established and defined ranking system of rating categories regarding the creditworthiness of a Rating Subject.
- (3) In (2), a Rating Subject means:
- (a) a Person other than a natural person;
  - (b) a credit commitment; or
  - (c) a debt or debt-like Investment.

### Exclusions

- 2.27.2** A Person does not Operate a Credit Rating Agency where that Person prepares any credit scores, credit scoring systems or similar assessments relating to obligations arising from consumer, commercial or industrial relationships.

### Guidance

1. The effect of Rule 2.27.1 is that even if a Person undertakes from a place of business in the DIFC some but not all of the Credit Rating Activities for the purpose of producing a Credit Rating, that Person needs to have a Licence authorising it to Operate a Credit Rating Agency.

2. Where a Credit Rating Agency outsources some of its Credit Rating Activities, it will need to ensure that it meets the relevant requirements, including those relating to outsourcing, in Rule 5.3.21.
3. There is no express prohibition against carrying on the Financial Service of Operating a Credit Rating Agency by Persons who are authorised to carry on other Financial Services. However, the specific conduct requirements applicable to Credit Rating Agencies in COB chapter 8, include a prohibition against certain types of consultancy and advisory services being provided by a Credit Rating Agency. Therefore, even if a Credit Rating Agency has an appropriate Licence authorising it to provide advice on financial products, it will not be able to provide the prohibited type of consultancy and advisory services.
4. A Person may provide a private Credit Rating for the exclusive use of another Person (Second Person) without seeking a License authorising it to Operate a Credit Rating Agency where the Credit Rating is produced based on the request of the Second Person and is not intended to be disseminated to the public or distributed by subscription. Such a Person may wish to include an express warning in the Credit Rating that it is intended only for the exclusive use of the Second Person and obtain from such Second Person a prior written undertaking that the Credit Rating will not be disseminated to the public or distributed on subscription.
5. Credit scoring referred to in Rule 2.27.2 is a method of assessing creditworthiness. A credit score is primarily based on credit report information typically sourced from credit bureaus. A Person does not become a Credit Rating Agency merely by preparing or providing credit assessments. Lenders, such as banks and credit card companies, use credit scores to evaluate the potential risk posed by lending money to consumers and to mitigate losses due to bad debt. Insurance companies, and government departments also employ the same techniques.

### 3. FINANCIAL PROMOTIONS

#### 3.1 Application

**3.1.1** This chapter applies to any Person who approves, makes or intends to make a Financial Promotion in or from the DIFC.

**3.1.2** Rules 3.4.1 to 3.6.3 do not apply to a Person who makes an Offer which is in accordance with the requirements relating to:

- (a) an Offer of Securities under the Markets Law 2012 and the MKT Rules; or
- (b) an Offer of Units under the Collective Investment Law 2010 and CIR Rules.

#### 3.2 Overview

**3.2.1** The Rules in this chapter are made for the purposes of the Financial Promotions Prohibition in Article 41A of the Regulatory Law 2004.

##### Guidance

1. Article 41A(3) of the Regulatory Law 2004 defines a Financial Promotion as:
  - “Any communication, however made, which invites or induces a Person to:
    - (a) enter into, or offer to enter into, an agreement in relation to the provision of a financial service; or
    - (b) exercise any rights conferred by a financial product or acquire, dispose of, underwrite or convert a financial product.”
2. The Guidance in this chapter is designed to help explain the scope of the Financial Promotions Prohibition.
3. The definition of a Financial Promotion is very broad and encompasses the definitions of a “financial promotion” in Article 19(3) of the Collective Investment Law 2010. A Financial Promotion also includes “marketing material” as defined elsewhere in the Rulebook.
4. The DFSA considers that a Financial Promotion may be made in any manner and by any form including, but not limited to, an oral, electronic or written communication and includes an advertisement, or any form of promotion or marketing. A disclaimer stating that a communication is not a Financial Promotion would not, on its own, prevent a communication from being a Financial Promotion.
5. A Person who is permitted to make a Financial Promotion in the DIFC pursuant to these Rules should ensure that in making such a Financial Promotion he does not breach the Financial Services Prohibition in Article 41 of the Regulatory Law 2004.

- 
6. Depending on the nature and scale of the activities, if a Person makes Financial Promotions on a regular basis or for a prolonged period while physically located in the DIFC, for example by way of a booth, meetings or conferences, the DFSA may consider such activities as constituting the carrying on of a Financial Service, such as Operating a Representative Office. The DFSA considers that in the context of Financial Promotions, “a regular basis” would be anything more than occasional and “a prolonged period” would usually be anything more than 3 consecutive days.

### **3.3 Definition of a Financial Product**

- 3.3.1** Pursuant to Article 41A(4) of the Regulatory Law 2004, “financial product” in Article 41A(3)(b) of the Regulatory Law 2004 is hereby prescribed to mean an Investment, a Credit Facility, a Deposit, a Profit Sharing Investment Account, or a Contract of Insurance.

### **3.4 Scope of the Financial Promotions Prohibition**

- 3.4.1** (1) A Person shall not, subject to (2), make a Financial Promotion in or from the DIFC unless that Person is an Authorised Person.
- (2) A Person other than an Authorised Person may make a Financial Promotion in or from the DIFC if, and only to the extent that, the Person:
- (a) is licensed and supervised by a Financial Services Regulator in the UAE;
  - (b) is a Recognised Body or External Fund Manager;
  - (c) is a Reporting Entity and makes a Financial Promotion in or from the DIFC exclusively for the purpose of discharging its mandatory disclosure requirements; or
  - (d) makes an exempt Financial Promotion as specified in (3).
- (3) For the purposes of (2)(d), a communication is an “exempt Financial Promotion” if it is:
- (a) approved by an Authorised Firm;
  - (b) directed at and capable of acceptance exclusively by a Person who appears on reasonable grounds to be a Professional Client of the type specified in COB Rule 2.3.2(2);
  - (c) made to a Person in the DIFC (the “recipient”) as a result of an unsolicited request by the recipient to receive the Financial Promotion;
  - (d) made or issued by or on behalf of a government or non-commercial government entity; or
  - (e) made in the DIFC by a Person in the course of providing legal or accountancy services and which may reasonably be
-

regarded as incidental to and a necessary part of the provision of such services.

**3.4.2** A Person does not breach the Financial Promotions Prohibition if:

- (a) the Person causes a Financial Promotion to be made in the course of providing a facility which is a mere conduit for the making of the Financial Promotion;
- (b) the Person is located outside the DIFC and makes a Financial Promotion which appears, on reasonable grounds, to be a communication which is not directed at or intended to be acted upon by a Person in the DIFC; or
- (c) the Financial Promotion is not made for a commercial or business purpose.

**Guidance**

1. Examples of a mere conduit would include a newspaper or magazine, a website carrying third-party banner ads, a postman or courier, a person paid to hand out promotional material to the public and an event venue - unless in each case they were the originator i.e the Person who makes the Financial Promotion.
2. In Rule 3.4.2(b) the DFSA considers that the following non-exhaustive list of factors may each be indicative of whether or not a Financial Promotion is “intended to be acted upon by, or targeted at, Persons in the DIFC”:
  - i. whether it is expressed to be for a Person or type of Person in the DIFC;
  - ii. whether it is sent to an address (including a P.O. Box) in the DIFC;
  - iii. whether it is physically distributed to Persons in the DIFC;
  - iv. whether it takes place in the DIFC;
  - v. whether it makes reference to the DIFC;
  - vi. whether it appears in a DIFC publication;
  - vii. whether it appears on a DIFC-based or related website or other media
  - viii. whether it is sent to the email of a Person in the DIFC; or
  - ix. whether it contains a prominent and clear disclaimer on its face that it is not intended to be acted upon by Persons in the DIFC.
3. The DFSA in applying Rule 3.4.2(c) will generally consider that for a communication to be made “for a commercial or business purpose” there must be a commercial element to the Financial Promotion, whether or not the Financial Promotion actually leads to the provision of any financial service. However, the DFSA considers that “for a commercial or business purpose” requires a commercial or business interest on the part of the communicator and the nature of the communicator’s business need not be related to any specific financial service.
4. The DFSA considers that a Person located outside the DIFC who makes a Financial Promotion into the DIFC, makes that communication in the DIFC. The DFSA considers that the prohibition in Article 41A(1) applies irrespective of where the communicator of the Financial Promotion is located.

### **3.5 Additional Rules for Financial Promotions**

- 3.5.1** (1) A Person in Rule 3.4.1(2) (a) to (d) must, subject to (2), take reasonable care to ensure that any Financial Promotion it makes in or from the DIFC:
- (a) is clear, fair and not misleading;
  - (b) includes the Person's name, address and regulatory status;
  - (c) if it is intended only for Professional Clients, is not sent or directed to any Person who appears on reasonable grounds not to be a Professional Client, and contains a clear statement that only a Person meeting the criteria for a Professional Client should act upon it; and
  - (d) which is provided to or directed at a Retail Client and contains any information or representation relating to past performance, or any forecast based on past performance or on any other assumptions:
    - (i) presents a balanced view of the financial products or financial services to which the Financial Promotion relates;
    - (ii) identifies, in an easy to understand manner, the information from which the past performance or forecast is derived and how any key facts and assumptions used in that context are drawn; and
    - (iii) contains a prominent warning that past performance is not necessarily a reliable indicator of future performance.
- (2) A Person described in Rule 3.4.1(2)(a) who makes a Financial Promotion to an existing client in the DIFC is not required to comply with (1) provided that in making the Financial Promotion that Person complies with the requirements of the relevant Financial Services Regulator in the UAE which relate to Financial Promotions.

#### **Guidance**

1. In presenting information relating to past performance of a financial product or financial service, a Person should use a reputable independent actuarial, financial or statistical reporting service provider.
2. The effect of Rule 3.5.1(2) is that a Person who is licensed and regulated by a Financial Services Regulator in the UAE is not required to comply with Rule 3.5.1(1) when communicating with an existing client. However, when making a Financial Promotion to a prospective client in the DIFC, Rule 3.5.1(1) does apply to such Persons, as do the prohibitions on the making of offers contained in the Markets Law 2012 and Collective Investment Law 2010 respectively.

- 3.5.2** A Person must not, in any Financial Promotion, attempt to limit or avoid any duty or liability it may have under any DFSA-administered laws or the Rules.

## **3.6 Approval of Financial Promotions by an Authorised Firm**

**3.6.1** For the purposes of GEN Rule 3.4.1(3)(a), an Authorised Firm must not approve a Financial Promotion unless:

- (a) the Financial Promotion includes a clear and prominent statement that it has been “approved by” the relevant Authorised Firm; and
- (b) the Financial Promotion is made in accordance with the requirements in Section 3.5.

**3.6.2** An Authorised Firm must not approve a Financial Promotion which is directed at a Person who appears on reasonable grounds to be a Retail Client unless:

- (a) it has an endorsement on its License which permits it to carry on a Financial Service with or for a Retail Client; and
- (b) the scope of its License includes the Financial Service and, if applicable, the particular financial product, to which the Financial Promotion relates.

**3.6.3** An Authorised Firm must ensure that a Financial Promotion it has approved complies with the requirements in this chapter on an on-going basis.

### **Guidance**

An Authorised Firm which proposes to approve a Financial Promotion where all or part of that promotion will be real time, such as a live event, will need to consider whether it is able to comply effectively with any relevant Rules in relation to the Financial Promotion or its approval

## 4 CORE PRINCIPLES

### 4.1 Principles for Authorised Firms – application

- 4.1.1** (1) The twelve Principles for Authorised Firms, set out in section 4.2, apply subject to (2) and (3) to every Authorised Firm in accordance with Rules 4.1.2 and 4.1.3.
- (2) The twelve Principles for Authorised Firms, set out in section 4.2, do not apply to an Authorised Firm which is a Representative Office.
- (3) An Authorised Firm which is a Credit Rating Agency does not have to comply with the Principles set out in Rules 4.2.6, 4.2.7, 4.2.8 and 4.2.9.
- 4.1.2** (1) For the purposes of Rule 4.1.3 the term ‘activities’ means:
- (a) Financial Services business;
- (b) activities carried on in connection with a Financial Service business;
- (c) activities held out as being for the purpose of a Financial Service business; and
- (d) in relation to any particular Principle, any activity specified in (2), (3) and (4).
- (2) Principles 3 and 4 also apply in a Prudential Context to an Authorised Firm with respect to the carrying on of all its activities.
- (3) Principles 3 and 4 also take into account any activities of other members of the Group of which the Authorised Firm is a member.
- (4) Principles 10 and 11, to the extent that it relates to disclosing to the DFSA, also applies to an Authorised Firm with respect to the carrying on of all its activities, and takes into account any activities of other members of the Group of which the Authorised Firm is a member.
- 4.1.3** (1) The Principles apply to an Authorised Firm only with respect to activities carried on from an establishment maintained by it in the DIFC, unless an extension in (2), (3), (4) or (5) applies.
- (2) Where another applicable Rule, which is relevant to the activity, has a wider territorial scope than that in (1), any related Principle applies with that wider scope in relation to the activity described in the Rule.
- (3) Principles 1, 2 and 3 apply in a Prudential Context to an Authorised Firm with respect to activities wherever they are carried on.
- (4) Principles 4 and 11 apply to an Authorised Firm with respect to activities wherever they are carried on.

- (5) Principle 5 also applies to an Authorised Firm with respect to the activities carried on in or from any place outside the DIFC if and to the extent that the activities have, or might reasonably be regarded as likely to have, a negative effect on confidence in the financial markets operating in the DIFC.

#### **Guidance**

1. The Principles for Authorised Firms have the status of Rules and are a general statement of fundamental regulatory requirements which apply alongside the other Rules and also in new or unforeseen situations which may not be covered elsewhere by a specific Rule. Rules in other areas of the Rulebook build upon these fundamental principles. Consequently the Rules and Guidance elsewhere in the Rulebook should not be seen as exhausting the implications of the Principles.
2. Breaching a Principle for Authorised Firms makes an Authorised Firm liable to disciplinary action, and may indicate that it is no longer fit and proper to carry on a Financial Service or to hold a Licence and the DFSA may consider withdrawing authorisation or the Licence on that basis.
3. The onus will be on the DFSA to show that the Authorised Firm has been at fault in some way, taking into account the standard of conduct required under the Principle in question.

## **4.2 The Principles for Authorised Firms**

### **Principle 1 - Integrity**

- 4.2.1** An Authorised Firm must observe high standards of integrity and fair dealing.

### **Principle 2 - Due skill, care and diligence**

- 4.2.2** In conducting its business activities an Authorised Firm must act with due skill, care and diligence.

### **Principle 3 - Management, systems and controls**

- 4.2.3** An Authorised Firm must ensure that its affairs are managed effectively and responsibly by its senior management. An Authorised Firm must have adequate systems and controls to ensure, as far as is reasonably practical, that it complies with legislation applicable in the DIFC.

### **Principle 4 - Resources**

- 4.2.4** An Authorised Firm must maintain and be able to demonstrate the existence of adequate resources to conduct and manage its affairs. These include adequate financial and system resources as well as adequate and competent human resources.

### **Principle 5 - Market conduct**

- 4.2.5** An Authorised Firm must observe proper standards of conduct in financial markets.

---

**Principle 6 - Information and interests**

- 4.2.6** An Authorised Firm must pay due regard to the interests of its customers and communicate information to them in a way which is clear, fair and not misleading.

**Principle 7 - Conflicts of interest**

- 4.2.7** An Authorised Firm must take all reasonable steps to ensure that conflicts of interest between itself and its customers, between its Employees and customers and between one customer and another are identified and then prevented or managed, or disclosed, in such a way that the interests of a customer are not adversely affected.

**Principle 8 - Suitability**

- 4.2.8** An Authorised Firm must take reasonable care to ensure the suitability of its advice and discretionary decisions for customers who are entitled to rely upon its judgement.

**Principle 9 - Customer assets and money**

- 4.2.9** Where an Authorised Firm has control of or is otherwise responsible for assets or money belonging to a customer which it is required to safeguard, it must arrange proper protection for them in accordance with the responsibility it has accepted.

**Principle 10 - Relations with regulators**

- 4.2.10** An Authorised Firm must deal with Regulators in an open and co-operative manner and keep the DFSA promptly informed of significant events or anything else relating to the Authorised Firm of which the DFSA would reasonably expect to be notified.

**Principle 11 - Compliance with high standards of corporate governance**

- 4.2.11** An Authorised Firm must have a corporate governance framework as appropriate to the nature, scale and complexity of its business and structure, which is adequate to promote the sound and prudent management and oversight of the Authorised Firm's business and to protect the interests of its customers and stakeholders.

**Guidance**

**Principle 12 – Remuneration practices**

- 4.2.12** An Authorised Firm must have a remuneration structure and strategies which are well aligned with the long term interests of the firm, and are appropriate to the nature, scale and complexity of its business.

## **4.3 Principles for Authorised Individuals – application**

**4.3.1** The six Principles for Authorised Individuals set out in section 4.4 apply to every Authorised Individual in respect of every Licensed Function.

### **Guidance**

1. The Principles for Authorised Individuals do not apply to an Authorised Individual in respect of any other functions he may carry out, although his conduct in those functions may be relevant to his fitness and propriety.
2. Breaching a Principle for Authorised Individuals makes an Authorised Individual liable to disciplinary action and may indicate that he is no longer fit and proper to perform a Licensed Function and the DFSA may consider suspending or withdrawing Authorised Individual status on that basis.
3. The onus will be on the DFSA to show that he is culpable, taking into account the standard of conduct required under the Principle in question. In determining whether or not the particular conduct of an Authorised Individual complies with the Principles for Authorised Individuals, the DFSA will take account of whether that conduct is consistent with the requirements and standards relevant to his Authorised Firm, the Authorised Individual's own role and the information available to him.

## **4.4 The Principles for Authorised Individuals**

### **Principle 1 - Integrity**

**4.4.1** An Authorised Individual must observe high standards of integrity and fair dealing in carrying out every Licensed Function.

### **Principle 2 - Due skill, care and diligence**

### **Principle 5 - Management, systems and control**

**4.4.5** An Authorised Individual who has significant responsibility must take reasonable care to ensure that the business of the Authorised Firm for which he is responsible is organised so that it can be managed and controlled effectively.

### **Principle 6 - Compliance**

- 4.4.6** An Authorised Individual who has significant responsibility must take reasonable care to ensure that the business of the Authorised Firm for which he is responsible complies with any legislation applicable in the DIFC.

## 5 MANAGEMENT, SYSTEMS AND CONTROLS

### 5.1 Application

- 5.1.1** (1) Subject to (5), this chapter applies to every Authorised Person with respect to the Financial Services carried on in or from the DIFC.
- (2) It also applies in a Prudential Context to a Domestic Firm with respect to all its activities wherever they are carried on.
- (3) Section 5.3 also applies to an Authorised Firm in a Prudential Context with respect to its entire DIFC branch's activities wherever they are carried on.
- (4) This chapter also applies to an Authorised Market Institution, if it has an endorsed Licence authorising it to maintain an Official List of Securities, with respect to such maintenance.
- (5) Rules 5.3.13, 5.3.14, 5.3.15, 5.3.23, 5.3.24, 5.3.30 and 5.3.31 do not apply to an Authorised ISPV.
- (6) This chapter does not apply to a Representative Office.

#### Guidance

1. The purpose of this chapter is to set out the requirements for the Governing Body and the senior management within an Authorised Person who are to take direct responsibility for the Authorised Person's arrangements on matters likely to be of interest to the DFSA wherever they may give rise to risks to the DFSA's objectives or they affect the DFSA's functions under the legislation applicable in the DIFC. See also the requirements relating to organisation in Rules 5.3.2 and 5.3.3.
2. In relation to an Authorised Market Institution, this chapter should be read in conjunction with the AMI module.
3. In relation to an Authorised Firm which is a Fund Manager or the Trustee, this chapter should be read in conjunction with the CIR module and construed to take into account any Fund which the Authorised Firm operates or for which it acts as the Trustee.
4. In relation to an Authorised Person which carries on Islamic Financial Business in or from the DIFC, this chapter should be read in conjunction with the IFR module.

### 5.2 Allocation of significant responsibilities

#### Apportionment of significant responsibilities

- 5.2.1** An Authorised Person must apportion significant responsibilities between the members of its Governing Body and its senior management and maintain such apportionment in such a way that:
- (a) it meets the corporate governance requirements in Rule 5.3.30;
  - (b) it is appropriate with regard to:

- (i) the nature, scale and complexity of the business of the Authorised Person; and
- (ii) the ability and qualifications of the responsible individuals;
- (c) it is clear who is responsible for which matters; and
- (d) the business of the Authorised Person can be adequately monitored and controlled by the Authorised Person's Governing Body and senior management.

**5.2.2** An Authorised Person must allocate to the Senior Executive Officer or to the individual holding equivalent responsibility for the conduct for the Authorised Person's business or the Governing Body, the functions of:

- (a) dealing with the apportionment of responsibilities; and
- (b) overseeing the establishment and maintenance of systems and controls.

#### **Guidance**

Rules 5.2.1 and 5.2.2 do not derogate from the overall responsibility of the Governing Body in Rule 5.3.30(2).

#### **Recording of apportionment**

- 5.2.3**
- (1) An Authorised Person must establish and maintain an up-to-date record of the arrangements it has made to comply with Rules 5.2.1 and 5.2.2.
  - (2) The record must show that the members of the Governing Body and the senior management are aware of and have accepted the responsibilities apportioned in accordance with Rule 5.2.1.
  - (3) Where a responsibility has been allocated to more than one individual, the record must show clearly how that responsibility is allocated between the individuals.
  - (4) The record must be retained for six years from the date on which it was established or superseded by a more up-to-date record.

## **5.3 Systems and controls**

### **General requirement**

- 5.3.1**
- (1) An Authorised Person must establish and maintain systems and controls, including but not limited to financial and risk systems and controls, that ensure that its affairs are managed effectively and responsibly by its senior management.
  - (2) An Authorised Person must undertake regular reviews of its systems and controls.

### Guidance

The nature and extent of the systems and controls of an Authorised Person will depend upon a variety of factors including the nature, scale and complexity of its business. While all Authorised Persons, irrespective of the nature, scale, and complexity of their business and legal structure or organisation need to comply with this chapter, the DFSA will take into account these factors and the differences that exist between Authorised Persons when assessing the adequacy of an Authorised Person's systems and controls. Nevertheless, neither these factors nor the differences relieve an Authorised Person from compliance with its regulatory obligations.

### Organisation

- 5.3.2** (1) An Authorised Person must establish and implement, taking due account of the nature, scale and complexity of its business and structure, adequate measures to ensure that:
- (a) the roles and responsibilities assigned to its Governing Body and the members of that body, senior management and Persons Undertaking Key Control Functions are clearly defined;
  - (b) there are clear reporting lines applicable to the individuals undertaking those functions; and
  - (c) the roles, responsibilities and reporting lines referred to in (a) and (b) are documented and communicated to all relevant Employees.
- (2) An Authorised Firm must ensure that any Employee who will be delivering Financial Services to its customers is clearly identified, together with his respective lines of accountability and supervision.
- (3) An Authorised Firm which is conducting Investment Business or the Financial Services of Providing Fund Administration or Providing Trust Services, must ensure it makes publically available details of any Employee who delivers Financial Services to its customers, by including such information:
- (a) in a register, maintained by the Authorised Firm at its place of business and open for inspection during business hours; or
  - (b) on the website of the Authorised Firm.
- (4) An Authorised Firm referred to in (3), must have complete and up to date information on its register or website, including:
- (a) the date on which the relevant Employee commenced delivering of Financial Services to customers; and
  - (b) the Financial Services which that Employee is permitted by the Authorised Firm to deliver to customers.

**Guidance**

1. The term Employee is defined in the GLO widely and includes members of the Governing Body or directors and senior managers of the Authorised Firm. Therefore, the requirements relating to Employees in Rules 5.3.3 and 5.3.6 apply to all Employees including those across the organisation.
2. The division of responsibilities between the Governing Body and the senior management should be clearly established and set out in writing. In assigning duties, the Governing Body should take care that no one individual has unfettered powers in making material decisions.
3. Members of the Governing Body may include individuals undertaking senior management functions (such as the chief executive of the firm) and Persons Undertaking Key Control Functions. In assigning specific functions to such individuals, care should be taken to ensure that the integrity and effectiveness of the functions they are to perform are not compromised. For example, if the Chairperson of the Governing Body is also the chief executive officer of the Authorised Person, the Governing Body should ensure that the performance assessment of that individual in his roles should be undertaken by a senior non-executive member of the Governing Body or an independent external consultant.
4. Persons Undertaking Key Control Functions are defined in GLO in an inclusive manner to encompass Persons such as the heads of risk control, compliance and internal audit functions. In the case of an Insurer, the actuary also is a Person who Undertakes a Key Control Function.
5. An example of an Employee providing Financial Services to a customer is a client relationship manager employed by an Authorised Firm providing wealth management services. In contrast, an Employee who may be employed in the back office of an Authorised Firm with responsibility for setting up client accounts would not be client facing.

**5.3.3** An Authorised Person must ensure that key duties and functions are segregated. Such segregation must ensure that the duties and functions to be performed by the same individual do not conflict with each other, thereby impairing the effective discharge of those functions by the relevant individuals (such as undetected errors or any abuse of positions) and thus exposing the Authorised Person or its customers or users to inappropriate risks.

**Risk management**

**5.3.4** An Authorised Person must establish and maintain risk management systems and controls to enable it to identify, assess, mitigate, control and monitor its risks.

**5.3.5** An Authorised Person must develop, implement and maintain policies and procedures to manage the risks to which the Authorised Person and where applicable, its customers or users, are exposed.

**5.3.6** (1) An Authorised Person must appoint an individual to advise its Governing Body and senior management of such risks.

(2) An Authorised Person which is part of a Group should be aware of the implications of any Group wide risk policy and systems and controls regime.

### **Compliance**

- 5.3.7** An Authorised Person must establish and maintain compliance arrangements, including processes and procedures that ensure and evidence, as far as reasonably practicable, that the Authorised Firm complies with all legislation applicable in the DIFC.
- 5.3.8** An Authorised Person must document the organisation, responsibilities and procedures of the compliance function.
- 5.3.9** An Authorised Person must ensure that the Compliance Officer has access to sufficient resources, including an adequate number of competent staff, to perform his duties objectively and independently of operational and business functions.
- 5.3.10** An Authorised Person must ensure that the Compliance Officer has unrestricted access to relevant records and to the Authorised Person's Governing Body and senior management.
- 5.3.11** An Authorised Person must establish and maintain monitoring and reporting processes and procedures to ensure that any compliance breaches are readily identified, reported and promptly acted upon.
- 5.3.12** An Authorised Person must document the monitoring and reporting processes and procedures as well as keep records of breaches of any of legislation applicable in the DIFC.

### **Internal audit**

- 5.3.13** (1) An Authorised Person must establish and maintain an internal audit function with responsibility for monitoring the appropriateness and effectiveness of its systems and controls.
- (2) The internal audit function must be independent from operational and business functions.

### **Guidance**

The Person appointed as the Internal Auditor of an Authorised Market Institution is a Key Individual pursuant to AMI Rule 5.3.1.

- 5.3.14** An Authorised Person must ensure that its internal audit function has unrestricted access to all relevant records and recourse when needed to the Authorised Person's Governing Body or the relevant committee, established by its Governing Body for this purpose.
- 5.3.15** An Authorised Person must document the organisation, responsibilities and procedures of the internal audit function.

### **Business plan and strategy**

- 5.3.16** (1) An Authorised Person must produce a business plan which enables it, amongst other things, to manage the risks to which it and its customers are exposed.

- (2) The business plan must take into account the Authorised Person's current business activities and the business activities forecast for the next twelve months.
- (3) The business plan must be documented and updated as appropriate to take account of changes in the business environment and to reflect changes in the business of the Authorised Person.

### **Management information**

**5.3.17** An Authorised Person must establish and maintain arrangements to provide its Governing Body and senior management with the information necessary to organise, monitor and control its activities, to comply with legislation applicable in the DIFC and to manage risks. The information must be relevant, accurate, comprehensive, timely and reliable.

### **Staff and agents**

**5.3.18** An Authorised Person must establish and maintain systems and controls that enable it to satisfy itself of the suitability of anyone who acts for it.

- 5.3.19** (1) An Authorised Firm must ensure, as far as reasonably practical, that its Employees are:
- (a) fit and proper;
  - (b) competent and capable of performing the functions which are to be assigned to those Employees; and
  - (c) trained in the requirements of the legislation applicable in the DIFC.
- (2) An Authorised Firm must establish and maintain systems and controls to comply with (1). An Authorised Firm must be able to demonstrate that it has complied with these requirements through appropriate measures, including the maintenance of relevant records.

### **Guidance**

1. When considering whether an Employee is fit and proper, competent and capable, an Authorised Firm should consider any training undertaken or required by an Employee, the nature of the Clients to whom an Employee provides Financial Services, and the type of activities performed by an Employee in the provision of such Financial Services including any interface with Clients.
2. When assessing the fitness and propriety of Employees, an Authorised Firm should be guided by the matters set out in section 2.3 of the RPP Sourcebook and should also monitor conflicts or potential conflicts of interest arising from all of the individual's links and activities.
3. When assessing the competence and capability of an Employee, an Authorised Firm should:
  - a. obtain details of the skills, knowledge and experience of the Employee relevant to the nature and requirements of the role;
  - b. take reasonable steps to verify the relevance, accuracy and authenticity of any information obtained;

- c. determine, in light of the Employee's relevant skills, knowledge and experience, that the Employee is competent and capable of fulfilling the duties of the role; and
  - d. consider the level of responsibility that the Employee will assume within the Authorised Firm, including whether the Employee will be providing Financial Services to Retail Clients in an interfacing role.
4. An Authorised Firm should also satisfy itself that an Employee:
- a. continues to be competent and capable of performing the role;
  - b. has kept abreast of market, product, technology, legislative and regulatory developments that are relevant to the role, through training or other means; and
  - c. is able to apply his knowledge.
5. Refer to section 2.2.13 of the RPP Sourcebook for criteria for suitability of members of the Governing Body of the Authorised Firm.

### **Conduct**

**5.3.20** An Authorised Person must establish and maintain systems and controls that ensure, as far as reasonably practical, that the Authorised Person and its Employees do not engage in conduct, or facilitate others to engage in conduct, which may constitute:

- (a) market misconduct; or
- (b) a financial crime under any applicable U.A.E. laws.

### **Outsourcing**

**5.3.21** (1) An Authorised Person which outsources any of its functions or activities directly related to Financial Services to service providers (including within its Group) is not relieved of its regulatory obligations and remains responsible for compliance with legislation applicable in the DIFC.

(2) The outsourced function under this Rule shall be deemed as being carried out by the Authorised Person itself.

(3) An Authorised Person which uses such service providers must ensure that it:

- (a) has undertaken due diligence in choosing suitable service providers;
- (b) effectively supervises the outsourced functions or activities; and
- (c) deals effectively with any act or failure to act by the service provider that leads, or might lead, to a breach of any legislation applicable in the DIFC.

**5.3.22** (1) An Authorised Person must inform the DFSA about any material outsourcing arrangements.

- (2) An Authorised Person which has a material outsourcing arrangement must:
  - (a) establish and maintain comprehensive outsourcing policies, contingency plans and outsourcing risk management programmes;
  - (b) enter into an appropriate and written outsourcing contract; and
  - (c) ensure that the outsourcing arrangements neither reduce its ability to fulfil its obligations to customers and the DFSA, nor hinder supervision of the Authorised Person by the DFSA.
  
- (3) An Authorised Person must ensure that the terms of its outsourcing contract with each service provider under a material outsourcing arrangement require the service provider to:
  - (a) provide for the provision of information under section 11.1 in relation to the Authorised Person and access to their business premises; and
  - (b) deal in an open and co-operative way with the DFSA.

**Guidance**

- 1. An Authorised Person's outsourcing arrangements should include consideration of:
  - a. applicable guiding principles for outsourcing in financial services issued by the Joint Forum; or
  - b. any equivalent principles or regulations the Authorised Person is subject to in its home country jurisdiction.
  
- 2. An outsourcing arrangement would be considered to be material if it is a service of such importance that weakness or failure of that service would cast serious doubt on the Authorised Person's continuing ability to remain fit and proper or to comply with DFSA administered Laws and Rules.

**Business continuity and disaster recovery**

- 5.3.23** (1) An Authorised Person must have in place adequate arrangements to ensure that it can continue to function and meet its obligations under the legislation applicable in the DIFC in the event of an unforeseen interruption.
- (2) These arrangements must be kept up to date and regularly tested to ensure their effectiveness.

**Guidance**

- 1. In considering the adequacy of an Authorised Person's business continuity arrangements, the DFSA will have regard to the Authorised Person's management of the specific risks arising from interruptions to its business including its crisis management and disaster recovery plans.
  
- 2. The DFSA expects an Authorised Person to have:
  - a. arrangements which establish and maintain the Authorised Person's physical security and protection for its information systems for business continuity

purposes in the event of planned or unplanned information system interruption or other events that impact on its operations;

- b. considered its primary data centres' and business operations' reliance on infrastructure components, for example transportation, telecommunications networks and utilities and made the necessary arrangements to minimise the risk of interruption to its operations by arranging backup of infrastructure components and service providers; and
- c. considered, in its plans for dealing with a major interruption to its primary data centre or business operations, its alternative data centres' and business operations' reliance on infrastructure components and made the necessary arrangements such that these do not rely on the same infrastructure components and the same service provider as the primary data centres and operations.

### **Records**

**5.3.24** (1) An Authorised Person must make and retain records of matters and dealings, including Accounting Records and corporate governance practices which are the subject of requirements and standards under the legislation applicable in the DIFC.

(2) Such records, however stored, must be capable of reproduction on paper within a reasonable period not exceeding 3 business days.

**5.3.25** Subject to Rule 5.3.26, the records required by Rule 5.3.24 or by any other Rule in this Rulebook must be maintained by the Authorised Person in the English language.

**5.3.26** If an Authorised Person's records relate to business carried on from an establishment in a territory outside the DIFC, an official language of that territory may be used instead of the English language as required by Rule 5.3.25.

**5.3.27** An Authorised Person must have systems and controls to fulfil the Authorised Person's legal and regulatory obligations with respect to adequacy, access, period of retention and security of records.

### **Fraud**

**5.3.28** An Authorised Person must establish and maintain effective systems and controls to:

- (a) deter and prevent suspected fraud against the Authorised Person; and
- (b) report suspected fraud and other financial crimes to the relevant authorities.

**5.3.29** Deleted

### **Corporate Governance**

**5.3.30** (1) An Authorised Person must have a Governing Body and senior management that meet the requirements in (2) and (3) respectively.

(2) The Governing Body of the Authorised Person must:

- (a) be clearly responsible for setting or approving (or both) the business objectives of the firm and the strategies for achieving

- those objectives and for providing effective oversight of the management of the firm;
- (b) comprise an adequate number and mix of individuals who have, among them, the relevant knowledge, skills, expertise and time commitment necessary to effectively carry out the duties and functions of the Governing Body; and
  - (c) have adequate powers and resources, including its own governance practices and procedures, to enable it to discharge those duties and functions effectively.
- (3) The senior management of the Authorised Person must be clearly responsible for the day-to-day management of the firm's business in accordance with the business objectives and strategies approved or set by the Governing Body.

### **Guidance**

#### **Scope of corporate governance**

1. Corporate governance is a framework of systems, policies, procedures and controls through which an entity:
  - a. promotes the sound and prudent management of its business;
  - b. protects the interests of its customers and stakeholders; and
  - c. places clear responsibility for achieving (a) and (b) on the Governing Body and its members and the senior management of the Authorised Person.
2. Many requirements designed to ensure sound corporate governance of companies, such as those relating to shareholder and minority protection and responsibilities of the Board of Directors of companies, are found in the company laws and apply to Authorised Persons. Additional disclosure requirements also apply if they are listed companies. The requirements in this Module are tailored to Authorised Persons and are designed to augment and not to exclude the application of those requirements.
3. Whilst Rule 5.3.30 deals with two aspects of corporate governance, the requirements included in other provisions under sections 5.2 and 5.3 also go to the heart of sound corporate governance by promoting prudent and sound management of the Authorised Person's business in the interest of its customers and stakeholders. These requirements together are designed to promote sound corporate governance practices in Authorised Persons whilst also providing a greater degree of flexibility for Authorised Persons in establishing and implementing a corporate governance framework that are both appropriate and practicable to suit their operations.
4. Stakeholder groups of an Authorised Person, who would benefit from the sound and prudent management of firms, can be varied but generally encompass its owners (shareholders), customers (in the case of an AMI, its members and investors), creditors, counterparties and employees, whose interests may not necessarily be mutually coextensive. A key objective in enhancing corporate governance standards applicable to Authorised Persons is to ensure that firms are soundly and prudently managed, with the primary regard being had to its customers.

#### **Proportionate application to firms depending on the nature of their business**

5. One of the key considerations that underpins how the corporate governance requirements set out in Rule 5.3.30 apply to an Authorised Person is the nature, scale and complexity of the Authorised Person's business, and its organisational structure.

6. While requiring banks, insurers and dealers to have more detailed and complex corporate governance systems and controls, simpler systems and procedures could be required for other firms, depending on the nature and scale of their Financial Services. For example, in the case of certain types of Category 4 Financial Service providers such as arranging or advising only firms, less extensive and simpler corporate governance systems and procedures may be sufficient to meet their corporate governance obligations.
7. For example, an Authorised Person which is a small scale operation with a tightly held ownership structure may not have a Governing Body which comprises members who are fully independent of the firm's business and from each other, nor be sufficiently large to be able to form numerous committees of the Governing Body to undertake various functions such as nomination and remuneration. In such cases, whilst strict adherence to such aspects of best practice would not be required, overall measures as appropriate to achieve the sound and prudent management of the business would be needed. For example, a firm with no regulatory track record would be expected to have additional corporate governance controls in place to ensure the sound and prudent management of its business, such as the appointment of an independent director (who has relevant regulatory experience) to its Governing Body.

#### **Application to Branches and Groups**

8. As part of the flexible and proportionate application of corporate governance standards to firms, whether a firm is a Branch or a subsidiary within a Group is also taken into account. An Authorised Person which is a member of a Group may, instead of developing its own corporate governance policies, adopt group-wide corporate governance standards. However, the Governing Body of the Authorised Person should consider whether those standards are appropriate for the firm, and to the extent possible, make any changes as necessary.
9. In the case of a Branch, corporate governance practices adopted at the head office would generally apply to the Branch and are expected to be adequate. The DFSA considers, as part of its authorisation of a Branch and on-going supervision, the adequacy of regulatory and supervisory arrangements applicable in the home jurisdiction, including a corporate governance framework adopted and implemented by the head office (see section 3.2.15 of the RPP Sourcebook).

#### **Best practice relating to corporate governance**

10. In addition to the considerations noted above, best practice that an Authorised Person may adopt to achieve compliance with the applicable corporate governance standards is set out in Guidance at Appendix 3.1. An Authorised Person may, where the best practice set out in App3.1 is not suited to its particular business or structure, deviate from such best practice or any aspects thereof. The DFSA will expect the Authorised Person to demonstrate to the DFSA, upon request, what the deviations are and why such deviations are considered by the Authorised Person to be appropriate.

#### **Remuneration structure and strategies**

- 5.3.31** (1) The Governing Body of an Authorised Person must ensure that the remuneration structure and strategy of the firm:
- (a) are consistent with the business objectives and strategies and the identified risk parameters within which the firm's business is to be conducted;
  - (b) provide for effective alignment of risk outcomes and the roles and functions of the Employees, taking account of:
    - (i) the nature of the roles and functions of the relevant Employees; and

- (ii) whether the actions of the Employees may expose the firm to unacceptable financial, reputational and other risks;
  - (c) at a minimum, include the members of its Governing Body, the senior management, Persons Undertaking Key Control Functions and any major risk-taking Employees; and
  - (d) are implemented and monitored to ensure that they operate, on an on-going basis, effectively and as intended.
- (2) The Governing Body must provide to the DFSA and relevant stakeholders sufficient information about its remuneration structure and strategies to demonstrate that such structure and strategies meet the requirements in (1) on an on-going basis.
- (3) For the purposes of this Rule, “major risk-taking Employees” are Employees whose actions have a material impact on the risk exposure of the Authorised Person.

### **Guidance**

#### **Proportionate application to firms depending on the nature of their business**

1. Those considerations set out in Guidance items 5 – 7 under Rule 5.3.30 apply equally to the way in which the remuneration structure and strategies related requirement in Rule 5.3.31 is designed to apply to an Authorised Person. Accordingly, whilst most Category 4 firms may have simple arrangements to achieve the outcome of aligning performance outcomes and risks associated with remuneration structure and strategies, banks, insurers and dealers are expected to have more stringent measures to address such risks.

#### **Application to Branches and Groups**

2. As part of the flexible and proportionate application of corporate governance standards to firms, whether a firm is a Branch or a subsidiary within a Group is also taken into account. As such, the considerations noted in Guidance items 8 – 9 under Rule 5.3.30 apply equally to the application of the remuneration related requirements for Branches and Groups. For example, where an Authorised Person is a member of a Group, its Governing Body should consider whether the Group wide policies, such as those relating to the Employees covered under the remuneration strategy and the disclosure relating to remuneration made at the Group level are adequate to meet its obligations under Rule 5.3.31.

#### **Best practice relating to corporate governance**

3. In addition to the considerations noted above, best practice that an Authorised Person may adopt to promote sound remuneration structure and strategies within the firm is set out as Guidance at Appendix 3.2. Where such best practice or any aspects thereof are not suited to a particular Authorised Person’s business or structure, it may deviate from such best practice. The DFSA will expect the Authorised Person to demonstrate, upon request, what the deviations are and why such deviations are considered appropriate.

#### **Disclosure of information relating to remuneration structure and strategy**

4. The information which an Authorised Person provides to the DFSA relating to its remuneration structure and strategies should be included in the annual report or

accounting statements. The DFSA expects the annual report of Authorised Persons to include, at a minimum, information relating to:

- a. the decision making process used to determine the firm-wide remuneration policy (such as by a remuneration committee or an external consultant if any, or by the Governing Body);
  - b. the most important elements of its remuneration structure (such as, in the case of performance based remuneration, the link between pay and performance and the relevant assessment criteria); and
  - c. aggregate quantitative information on remuneration of its Governing Body, the senior management, Persons Undertaking Key Control Functions and any major risk taking Employees.
5. The DFSA may, pursuant to its supervisory powers, require additional information relating to the remuneration structure and strategy of an Authorised Firm to assess whether the general elements relating to remuneration under Rule 5.3.31(1) are met by the firm. Any significant changes to the remuneration structure and strategy should also be notified to the DFSA before being implemented. See Rule 11.10.20.
6. The information included in the annual report is made available to the DFSA and the shareholders, and in the case of a listed company, to the public. The Governing Body of the Authorised Person should also consider what additional information should be included in the annual report. In the case of banks, insurers and dealers, more detailed disclosure of remuneration structure and strategy and its impact on the financial soundness of the firm would be required. When providing disclosure relating to remuneration in its annual report, Authorised Persons should take account of the legal obligations that apply to the firm including the confidentiality of information obligations.

### 6.2 Interpreting the rulebook

#### Guidance

#### Interpretation

1. Every provision in the Rulebook must be interpreted in the light of its purpose. The purpose of any provision is to be gathered first and foremost from the text of the provision in question and its context among other relevant provisions.
2. When this section refers to a provision, this means every type of provision, including Rules and Guidance.
3. Where reference is made in the Rulebook to another provision of the Rulebook or other DIFC legislation, it is a reference to that provision as amended from time to time.
4. Unless the contrary intention appears:
  - a. words in the Rulebook importing the masculine gender include the feminine gender and words importing the feminine gender include the masculine; and
  - b. words in the Rulebook in the singular include the plural and words in the plural include the singular.
5. If a provision in the Rulebook refers to a communication, notice, agreement, or other document 'in writing' then, unless the contrary intention appears, it means in legible form and capable of being reproduced on paper, irrespective of the medium used. Expressions related to writing must be interpreted accordingly.
6. Any reference to 'dollars' or '\$' is a reference to United States Dollars unless the contrary intention appears.
7. References to Articles made throughout the Rulebook are references to Articles in the Regulatory Law 2004 unless otherwise stated.

8. Unless stated otherwise, a day means a calendar day. If an obligation falls on a calendar day which is either a Friday or Saturday or an official State holiday in the DIFC, the obligation must take place on the next calendar day which is a business day.

#### **Defined Terms**

9. Defined terms are identified throughout the Rulebook by the capitalisation of the initial letter of a word or of each word in a phrase and are defined in the Glossary (GLO), however, where a word or phrase is used only in a prudential context in PIB then for convenience purposes it is only defined under Rule 1.2.1 of PIB rather than in GLO. Unless the context otherwise requires, where capitalisation of the initial letter is not used, an expression has its natural meaning.

## **6.3 Emergency**

- 6.3.1** (1) If an Authorised Person is unable to comply with a particular Rule due to an emergency which is outside its or its Employees' control and could not have been avoided by taking all reasonable steps, the Authorised Person will not be in contravention of that Rule to the extent that, in consequence of the emergency, compliance with that Rule is impractical.
- (2) This Rule applies only for so long as the consequences of the emergency continue and the Authorised Person is able demonstrate that it is taking all practical steps to deal with those consequences, to comply with the Rule, and to mitigate losses and potential losses to its customers or users.
- (3) An Authorised Person must notify the DFSA as soon as practical of the emergency and of the steps it is taking and proposes to take to deal with the consequences of the emergency.

#### **Guidance**

1. Procedures for notification to the DFSA are set out in section 11.11.
2. The Rules in section 6.3 do not affect the powers of the DFSA under Article 26 of the Markets Law 2012.

## **6.4 Disclosure of regulatory status**

**6.4.1** An Authorised Person must not misrepresent its status expressly or by implication.

**6.4.2** (1) An Authorised Person must take reasonable care to ensure that every key business document which is in connection with the Authorised Person carrying on a Financial Service in or from the DIFC includes one of the disclosures under this Rule.

- (2) A key business document includes letterhead whether issued by post, fax or electronic means, terms of business, client agreements, written promotional materials, business cards, prospectuses and websites but

does not include compliment slips, account statements or text messages.

- (3) The disclosure required under this Rule is:
  - (a) 'Regulated by the Dubai Financial Services Authority'; or
  - (b) 'Regulated by the DFSA'.
- (4) The DFSA logo must not be reproduced without express written permission from the DFSA and in accordance with any conditions for use.
- (5) Rules 6.4.2(1) to (4) also apply to the operation and administration of an Official List of Securities by an Authorised Market Institution.

## **6.5 Location of offices**

- 6.5.1** (1) Where an Authorised Person or a Person who has submitted an application for authorisation to carry on one or more Financial Services, is a Body Corporate incorporated in the DIFC, its head office and registered office must be in the DIFC.
- (2) Where an Authorised Person or a Person who has submitted an application for authorisation to carry on one or more Financial Services, is a partnership established under the DIFC Limited Partnership Law or the DIFC General Partnership Law, its head office must be in the DIFC.

### **Guidance**

1. In considering the location of an Authorised Firm's or Authorised Market Institution's head office, the DFSA will have regard to the location of its directors, partners and senior management and to the main location of its day-to-day operational, control, management and administrative arrangements and will judge matters on a case by case basis.
2. Under the fit and proper test for Authorised Firms and the Licensing Requirements for Authorised Market Institutions, an Authorised Firm or Authorised Market Institution which does not satisfy the DFSA with respect to the location of its offices will, on this point alone not be considered fit and proper or able to satisfy the Licensing Requirements.

## **6.6 Close links**

- 6.6.1** (1) Where an Authorised Person or a Person who has submitted an application for authorisation to carry on one or more Financial Services has Close Links with another Person, the DFSA must be satisfied that those Close Links are not likely to prevent the effective supervision by the DFSA of the Authorised Person.

- (2) If requested by the DFSA the Authorised Person must submit a Close Links report or notification, in a form specified by the DFSA. This may be requested on an ad hoc or periodic basis.

**Guidance**

1. Procedures for notification to the DFSA are set out in section 11.11.
2. Under the fit and proper test for Authorised Firms and the Licensing Requirements for Authorised Market Institutions, an Authorised Firm or Authorised Market Institution which does not satisfy the DFSA with respect of its Close Links will, on this point alone, not be considered fit and proper or able to satisfy the Licensing Requirements.

## **6.7 Complaints against the DFSA**

**Guidance**

1. A Person who feels he has been adversely affected by the manner in which the DFSA has carried out its functions may make a complaint to the DFSA about its conduct or the conduct of its Employees.

- 7.2.3** A Person licensed by the Emirates Securities and Commodities Authority to trade on an U.A.E. exchange will not be granted a Licence by the DFSA unless that Person has the prior approval of the Emirates Securities and Commodities Authority.

- 7.2.4** A Person applying for a Licence must complete and submit the appropriate form or forms in AFN.

**Guidance**

A Person submitting an application under Rule 7.2.4 is required to:

- a. pay the appropriate application fee as set out in FER; and
- b. include information relating to its Controllers, completed by the relevant Controllers themselves, in the appropriate form in AFN.

**Consideration and assessment of applications**

- 7.2.5** In order to become authorised to carry on one or more Financial Services, the applicant must demonstrate to the satisfaction of the DFSA that it:

- (a) has adequate resources, including financial resources;
- (b) is fit and proper; and

- (c) has adequate compliance arrangements, including policies and procedures, that will enable it to comply with all the applicable legal requirements, including the Rules.

### **Adequate resources**

**7.2.6** In assessing whether an applicant has adequate resources, the DFSA will consider:

- (a) how the applicant will comply with the applicable provisions of PIB or PIN;
- (b) the provision the applicant makes in respect of any liabilities, including contingent and future liabilities;
- (c) the means by which the applicant and members of its Group manage risk in connection with their business; and
- (d) the rationale for, and basis of, the applicant's business plan.

### **Guidance**

A Credit Rating Agency is not subject to any specific capital requirements in PIB. Instead, it is required, pursuant to Rules 4.2.4 and 7.2.6 to have and maintain adequate financial resources to manage its affairs prudently and soundly.

### **Fitness and propriety**

**7.2.7** (1) In assessing whether an applicant is fit and proper, the DFSA will consider:

- (a) the fitness and propriety of the members of its Governing Body;
- (b) the suitability of the applicant's Controllers or any other Person;
- (c) the impact a Controller might have on the applicant's ability to comply with the applicable requirements;
- (d) the Financial Services concerned;
- (e) the activities of the applicant and any associated risks that those activities pose to the DFSA's objectives described under Article 8(3) of the Regulatory Law 2004;
- (f) whether the applicant's affairs will be conducted and managed in a sound and prudent manner;
- (g) any matter which may harm or may have harmed the integrity or the reputation of the DFSA or DIFC; and
- (h) any other relevant matters.

(2) The DFSA will, in assessing the matters in (1), consider the cumulative effect of factors which, if taken individually, may be

regarded as insufficient to give reasonable cause to doubt the fitness and propriety of an applicant.

**Guidance**

Section 2.2 of the RPP Sourcebook sets out matters which the DFSA takes into consideration when making an assessment under Rule 7.2.7.

**Compliance arrangements**

**7.2.8** In assessing whether an applicant has adequate compliance arrangements, the DFSA will consider whether it has:

- (a) clear and comprehensive policies and procedures relating to compliance with all applicable legal requirements including the Rules;
- (b) adequate means to implement those policies and procedures and monitor that they are operating effectively and as intended.

**7.2.10** (1) In assessing an application for a Licence the DFSA may, by means of written notice, indicate the legal form that the applicant may adopt to enable authorisation to be granted.

- (2) Where the DFSA thinks it appropriate it may treat an application made by one legal form or Person as having been made by the new legal form or Person.

**7.2.11** In assessing an application for a Licence authorising the applicant to Operate an Alternative Trading System, the DFSA will have regard to, but is not limited to, considering the following matters:

- (a) whether the establishment of an Alternative Trading System is, or is likely to be, in the interests of the Financial Services and Markets industry;
- (b) whether the Alternative Trading System will or is likely to lead to more efficient price discovery of, or deepen liquidity in, an Investment; and
- (c) whether there is any risk of market fragmentation, loss of liquidity or inefficiency in price discovery as a result of the proposed Alternative Trading System operation.

---

## 7.3 Application for an endorsement for Retail Clients

- 7.3.1** (1) An Authorised Firm may apply to the DFSA for an endorsement on its Licence, including variation of such an endorsement, to carry on a Financial Service with or for a Retail Client.
- (2) The DFSA may in its absolute discretion refuse to grant an endorsement or a variation of an endorsement pursuant to an application under (1).
- (3) Upon refusing to grant an endorsement or a variation to an endorsement, the DFSA must without undue delay inform the applicant in writing of such refusal and, if requested by the applicant, the reasons for such refusal.
- (4) The Regulatory Appeals Committee has jurisdiction to hear and determine any appeal in relation to a decision to refuse an application for an endorsement or a variation to an endorsement made under this section.

## 7.4 Licensed Functions and Authorised individuals

- 7.4.1** (1) Pursuant to Article 43 of the Regulatory Law 2004, the functions specified in Rules 7.4.2 to 7.4.9 are Licensed Functions.
- (2) An individual must not, subject to, (3), (4) and Rule 11.6.1, carry out a Licensed Function for an Authorised Firm unless he is authorised by the DFSA as an Authorised Individual to carry out that Licensed Function for that Authorised Firm.
- (3) The prohibition in (2) does not apply to a function performed by a registered insolvency practitioner (subject to the restrictions defined within Article 88 of the Insolvency Law 2009) if the practitioner is:
- (a) acting as a nominee in relation to a company voluntary arrangement within the meaning of Article 8 of the Insolvency Law 2009;
  - (b) appointed as a receiver or administrative receiver within the meaning of Article 14 of the Insolvency Law 2009;
  - (c) appointed as a liquidator in relation to a members' voluntary winding up within the meaning of Article 32 of the Insolvency Law 2009;
  - (d) appointed as a liquidator in relation to a creditors' voluntary winding up within the meaning of Article 32 of the Insolvency Law 2009; or
  - (e) appointed as a liquidator or provisional liquidator in relation to a compulsory winding up within the meanings of Article 58 and 59 of the Insolvency Law 2009.

- (4) The prohibition in (2) does not apply to individuals appointed to act as managers of the business of an Authorised Firm or Authorised Market Institution as directed by the DFSA under Article 88 of the Regulatory Law 2004.

### **Senior Executive Officer**

**7.4.2** The Senior Executive Officer function is carried out by an individual who:

- (a) has, either alone or jointly with other Authorised Individuals, ultimate responsibility for the day-to-day management, supervision and control of one or more (or all) parts of an Authorised Firm's Financial Services carried on in or from the DIFC; and
- (b) is a Director, Partner or Senior Manager of the Authorised Firm.

### **Licensed Director**

**7.4.3** Subject to Rule 7.5.4, the Licensed Director function is carried out by an individual who is a Director of an Authorised Firm which is a Body Corporate.

### **Licensed Partner**

**7.4.4** The Licensed Partner function is carried out, in the case of an Authorised Firm which is a Partnership or Limited Liability Partnership, by an individual specified in Rule 7.5.5.

### **Finance Officer**

**7.4.5** The Finance Officer function is carried out by an individual who is a Director, Partner or Senior Manager of an Authorised Firm who has responsibility for the Authorised Firm's compliance with the applicable Rules in PIN or PIB.

### **Compliance Officer**

**7.4.6** The Compliance Officer function is carried out by an individual who is a Director, Partner or Senior Manager of an Authorised Firm who has responsibility for compliance matters in relation to the Authorised Firm's Financial Services.

### **Senior Manager**

**7.4.7** The Senior Manager function is carried out by an individual who is responsible either alone or jointly with other individuals for the management, supervision or control of one or more parts of an Authorised Firm's Financial Services who is:

- (a) an Employee of the Authorised Firm; and
- (b) not a Director or Partner of the Authorised Firm.

### **Guidance**

In respect of a Fund, the DFSA would expect the Fund Manager to appoint at least one individual other than the Senior Executive Officer to carry out Senior Manager functions in relation to the Fund such as managing operational risk and other internal controls.

## **Money Laundering Reporting Officer**

- 7.4.8** The Money Laundering Reporting Officer function is carried out by an individual who is a Director, Partner or Senior Manager of an Authorised Firm and who has responsibility for the implementation of an Authorised Firm's anti money laundering policies, procedures, systems and controls and day to day oversight of its compliance with the Rules in AML and any relevant anti money laundering legislation applicable in the DIFC.

## **Responsible Officer**

- 7.4.9** The Responsible Officer function is carried out by an individual who:
- (a) has significant responsibility for the management of one or more aspects of an Authorised Firm's affairs;
  - (b) exercises a significant influence on the firm as a result of (a); and
  - (c) is not an Employee of the Authorised Firm.

### **Guidance**

1. The Licensed Function of Responsible Officer applies to an individual employed by a Controller or other Group company who is not an Employee of the Authorised Firm, but who has significant responsibility for, or for exercising a significant influence on, the management of one or more aspects of the Authorised Firm's business.
2. Examples of a Responsible Officer might include an individual responsible for the overall strategic direction of an Authorised Firm or a regional manager to whom a Senior Executive Officer reports and from whom he takes direction.

- 7.4.10** An Authorised Individual may perform one or more Licensed Functions for one or more Authorised Firms.

### **Guidance**

1. In considering whether to grant an individual Authorised Individual status with respect to more than one Authorised Firm, the DFSA will consider each Licensed Function to be carried out and the allocation of responsibility for that individual among the Authorised Firms.
2. In the above situation the DFSA will need to be satisfied that the individual will be able to carry out his role effectively, is fit and proper to do so, and that there are no conflicts of interest or that any actual or potential conflicts of interest are appropriately managed.

## **7.5 Mandatory appointments**

- 7.5.1** (1) An Authorised Firm must, subject to (2), make the following appointments and ensure that they are held by one or more Authorised Individuals at all times:
- (a) Senior Executive Officer;
  - (b) Finance Officer;

- (c) Compliance Officer; and
  - (d) Money Laundering Reporting Officer.
- (2) An Authorised Firm which is a Credit Rating Agency:
- (a) need not make the appointment referred to in (1)(b) and (d); and
  - (b) must ensure that the appointments referred to in 1(a) and (c) are held by separate Authorised Individuals at all times.

**Guidance**

1. This Guidance addresses a range of circumstances:
  - a. one individual performing more than one function in a single firm, as contemplated in Rule 7.5.1;
  - b. more than one individual performing one function in a single firm, not addressed by that Rule;
  - c. one individual performing a single function in more than one firm, also not addressed by that Rule.
2. The DFSA will only authorise an individual to perform more than one Licensed Function or combine Licensed Functions with other functions where it is satisfied that the individual is fit and proper to perform each Licensed Function or combination of Licensed Functions.
3. In the above situation the DFSA will need to be satisfied that the individual will be able to carry out his role effectively, is fit and proper to do so, and that there are no conflicts of interest or that any actual or potential conflicts of interest are appropriately managed.
4. Notwithstanding this Rule, an Authorised Firm would generally be expected to separate the roles of Compliance Officer and Senior Executive Officer. In addition, the roles of Compliance Officer, Finance Officer and Money Laundering Reporting Officer would not be expected to be combined with any other functions unless appropriate monitoring and control arrangements independent of the individual concerned will be implemented by the Authorised Firm. This may be possible in the case of a Branch, where monitoring and controlling of the individual (carrying out more than one role in the Branch) is conducted from the firm's home state by an appropriate individual for each of the relevant Licenced Functions. However, it is recognised that, on a case by case basis, there may be exceptional circumstances in which this may not always be practical or possible.
5. In what it considers to be exceptional circumstances, the DFSA may register more than one individual to perform the Licensed Function of Compliance Officer in respect of different internal business divisions within a large Authorised Firm. In this regard the DFSA may consider, amongst other things, the nature, scale and complexity of the activities of the firm, the clarity of demarcation between areas of responsibility, the potential for gaps in responsibility, and processes of communication with the DFSA.
6. The DFSA may also register an individual as the Compliance Officer for more than one Authorised Firm. The DFSA will only do this where it is satisfied that the individual is able to carry out his functions effectively in each firm taking into consideration factors such as the amount and nature of business conducted by the firms. Each Authorised Firm has a duty under GEN 5 to monitor its compliance

arrangements to ensure, as far as reasonably practicable, that it complies with all legislation applicable in the DIFC.

**7.5.2** The Authorised Individuals referred to in Rule 7.5.1(a), (c) and (d) must be resident in the U.A.E.

**Guidance**

1. In appropriate circumstances, the DFSA may waive the requirement for a Compliance Officer or MLRO to be resident in the UAE. In determining whether to grant a waiver, the DFSA will consider a range of factors on a case by case basis focused on whether the firm can demonstrate that it has appropriate compliance arrangements (see GEN section 5.3). These factors may include, but are not limited to: the nature, scale and complexity of the activities of the firm; the ability of a remote officer to carry out his functions in differing time zones and a differing working week; the size, resourcing and capabilities of a remote compliance function; the ability of a remote officer to liaise and communicate readily with the DFSA; and the competency and capability of a remote officer and whether the remote officer is able effectively to undertake or supervise regular compliance monitoring and keep up to date with applicable Rules.
2. The DFSA will also take into account factors such as the relevant regulatory experience of the proposed Authorised Individual and whether the applicant firm has previously been subject to financial services regulation.

**7.5.3** In the case of a Trust Service Provider, the Authorised Individuals referred to in Rule 7.5.1 (c) and (d) must not act also as trustees on behalf of the Trust Service Provider.

**7.5.4** An Authorised Firm which is a Body Corporate (other than a Limited Liability Partnership) whose head office and registered office are located in the DIFC, must register with the DFSA all of its Directors as Licensed Directors.

**7.5.5** (1) In the case of an Authorised Firm which is a partnership established under either the DIFC General Partnership Law or Limited Liability Partnership Law, the Licensed Partner function must be carried out by:

- (a) each individual Partner who must be registered as a Licensed Partner; and
- (b) in the case of a Partner which is a Body Corporate, by an individual nominated by that Body Corporate and registered as a Licensed Partner to act on its behalf.

(2) In the case of an Authorised Firm which is a partnership established under the DIFC Limited Partnership Law, the Licensed Partner function must be carried out by:

- (a) each individual General Partner who must be registered as a Licensed Partner; and
- (b) in the case of a General Partner which is a Body Corporate, by an individual nominated by that Body Corporate and registered as a Licensed Partner to act on its behalf.

**Guidance**

**7.6.13** An Authorised Firm must ensure, in the case of individuals seeking to perform the Licensed Functions of Senior Executive Officer, Money Laundering

Reporting Officer, or Compliance Officer, that such individuals are able to demonstrate sufficient knowledge of relevant anti money laundering requirements.

For example, the application of COB App6 to an Authorised Firm carrying on the Financial Service of Arranging Custody is much more limited than its application to an Authorised Firm carrying on the Financial Service of Providing Custody. In this particular instance an auditor producing a Safe Custody Auditor's Report for an Authorised Firm carrying on the Financial Service of Arranging Custody, will generally only need to consider COB App Rules 6.5.1(1), 6.5.1(2), 6.5.1(3), 6.5.2 and 6.7.1(1).

#### Guidance

When assessing a person's suitability to be appointed as an Audit Principal, an Auditor should ascertain matters such as whether any disciplinary action has been taken against that person by a Recognised Professional Body.

## 8.10 Notification of changes

### 8.10.1 An Auditor must notify the DFSA in writing within 30 days:

- (a) of any change of its Audit Principals, including the appointment of any new Audit Principal;

## 8.12 Withdrawal of registration

### Guidance

Under Article 98(3) of the Regulatory Law 2004, the DFSA may make Rules setting out how and on what grounds registration may be withdrawn.

**8.12.1** (1) The DFSA may withdraw an Auditor's registration either on its own initiative or at the request of the Auditor.

- (2) A request for withdrawal by an Auditor must be in writing.

**8.12.2** In considering requests for the withdrawal of an Auditor's registration, the DFSA must be satisfied that:

- (a) the Auditor has made appropriate arrangements with respect to its existing customers; and

- (b) any other matter which the DFSA would reasonably expect to be resolved has been resolved;

before granting a request for a withdrawal.

**8.12.3** An application by an Auditor to withdraw its registration does not in itself result in a cancellation of its registration. Until such time as the DFSA withdraws the registration, the Auditor remains subject to, and must comply with, the Regulatory Law 2004, Rules and any other relevant legislation administered by the DFSA.

**8.12.4** Once an Auditor applies to withdraw its registration, the Auditor must not accept appointments as an Auditor nor issue any audit reports without obtaining the prior written consent of the DFSA.

**8.12.5** The DFSA must take the necessary steps to withdraw the registration of an Auditor as soon as practicable after an Auditor has applied to withdraw its registration.

### **8.13 Withdrawal on the DFSA's initiative**

**8.13.1** The DFSA may withdraw the registration of an Auditor on its own initiative if it has reasonable grounds to believe that:

- (a) the Auditor is no longer fit and proper; or
- (b) the Auditor has breached, or is breaching, the Regulatory Law 2004, Rules or other legislation administered by the DFSA.

**8.13.2** The DFSA may only withdraw the registration of an Auditor on its own initiative if it has given to the Auditor:

- (a) a prior written notice setting out the DFSA's reasons for proposing to withdraw its registration; and
- (b) a suitable opportunity for the Auditor to make representations in person and in writing to the DFSA in relation to the proposed withdrawal.

**8.13.3** Upon deciding to withdraw the registration of an Auditor, the DFSA must without delay inform the Auditor in writing of:

- (a) such decision; and
- (b) the date on which the decision is to take effect.

#### **Guidance**

Generally, the DFSA will only consider exercising the power to withdraw the registration of an Auditor on its own initiative after a thorough investigation. For example, the DFSA may receive a notification of termination of that Auditor of a Domestic Fund under CIR Rule 12.2.2. Whether or not the DFSA would exercise its discretion to withdraw registration of the Auditor would depend on the grounds upon which the cessation of the appointment had occurred and the DFSA's investigation.

**8.13.4** An Auditor may appeal to the Regulatory Appeals Committee against a decision of the DFSA to withdraw its registration, and the Regulatory Appeals Committee has jurisdiction to hear such an appeal.

## **8.14 Suspension by the DFSA**

### **Guidance**

Under Article 105 of the Regulatory Law, the DFSA may make Rules setting out how and on what grounds registration may be suspended.

**8.14.1** The DFSA may suspend an Auditor's registration if it has reasonable grounds to believe that:

- (a) the Auditor is no longer fit and proper; or
- (b) the Auditor has breached, or is breaching, the Regulatory Law 2004, Rules or other legislation administered by the DFSA.

**8.14.2** Subject to Rule 8.14.3, the DFSA may only suspend the registration of an Auditor after it has given to the Auditor:

- (a) a prior written notice setting out the DFSA's reasons for proposing to suspend its registration; and
- (b) a suitable opportunity for the Auditor to make representations in person and in writing to the DFSA in relation to the proposed suspension.

**8.14.3** Where the DFSA forms the view that any delay likely to arise as a result of having to comply with the requirements in Rule 8.14.2 is likely to be prejudicial to the interests of the DIFC, it may suspend an Auditor's registration immediately. In such circumstances, the Auditor may make representations during the suspension period.

**8.14.4** An Auditor may appeal to the Regulatory Appeals Committee in relation to the DFSA's decision to suspend the Auditor's registration, and the Regulatory Appeals Committee has jurisdiction to hear such an appeal.

**8.14.5** Upon deciding to exercise its powers under Rule 8.14.1, the DFSA must, without delay, inform the Auditor in writing of:

- (a) its decision;
- (b) the reasons for the suspension; and
- (c) the date on which the decision is to take effect and, if known, the duration of the suspension.

### **Guidance**

The decision of the DFSA to suspend an Auditor's registration remains in effect until the appeal is heard and a decision is rendered, unless the Regulatory Appeals Committee orders a stay of the suspension decision.

## **8.15 Continuing professional development**

**8.15.1** An Auditor must ensure that all Employees, including Audit Principals, engaged in audit work undertake continuing professional development in accordance with the requirements of:

**8.17.3** An Auditor's professional indemnity insurance may be effected with any reputable insurance company or other underwriter provided that the DFSA may require Auditors not to use certain insurance companies or underwriters or forms of insurance cover.

### **Run-off cover**

**8.17.4** An Auditor, who intends to cease operations in the DIFC, must make appropriate arrangements to cover its liability in connection with past conduct of the Auditor for a period of at least 2 years.

## 8.18 Register of Auditors

**8.18.1** The DFSA must maintain a register of Auditors by recording the following information in respect of current and former Auditors:

- (a) full name of the Auditor;
- (b) names of the Audit Principals of the Auditor;
- (c) address of the Auditor;
- (d) contact details of the Auditor;
- (e) date of registration of the Auditor;
- (f) date of withdrawal of registration of the Auditor;
- (g) date of any suspensions of registration applicable to an Auditor; and

2. In handling Complaints, an Authorised Firm should consider its obligations under the Data Protection Law 2007.
3. An Authorised Firm should consider its obligations under GEN Rule 5.3.19 and accompanying guidance.
4. The DFSA considers 60 days from the receipt of a Complaint to be an appropriate period in which an Authorised Firm should be able to resolve most Complaints.

**9.2.3** On receipt of a Complaint, an Authorised Firm must:

- (a) acknowledge the Complaint promptly in writing;
- (b) provide the complainant with:
  - (i) the contact details of any individual responsible for handling the Complaint;

- (ii) key particulars of the Authorised Firm's Complaints handling procedures; and
  - (iii) a statement that a copy of the procedures is available free of charge upon request in accordance with GEN Rule 9.2.11; and
- (c) consider the subject matter of the Complaint.

**9.2.4** Where appropriate, an Authorised Firm must update the complainant on the progress of the handling of the Complaint.

**Guidance**

1. The DFSA considers 7 days to be an adequate period in which an Authorised Firm should be able to acknowledge most Complaints.
2. The DFSA expects an update to be provided to the complainant in circumstances where the resolution of the Complaint is taking longer than 30 days.

**Resolution of Complaints**

**9.2.5** Upon conclusion of an investigation of a Complaint, an Authorised Firm must promptly:

- (a) advise the complainant in writing of the resolution of the Complaint;
- (b) provide the complainant with clear terms of redress, if applicable; and
- (c) comply with the terms of redress if accepted by the complainant.

**9.2.6** If the complainant is not satisfied with the terms of redress offered by the Authorised Firm, the Authorised Firm must inform the complainant of other avenues, if any, for resolution of the Complaint and provide him with the appropriate contact details upon request.

**Guidance**

Other avenues for resolution of a Complaint may include an external dispute resolution scheme, arbitration or the DIFC Court.

**Employees handling Complaints**

**9.2.7** Where appropriate, taking into account the nature, scale and complexity of an Authorised Firm's business, an Authorised Firm must ensure that any individual handling the Complaint is not or was not involved in the conduct of the Financial Service about which the Complaint has been made, and is able to handle the Complaint in a fair and impartial manner.

**9.2.8** An Authorised Firm must ensure that any individual responsible for handling the Complaint has sufficient authority to resolve the Complaint or has access to individuals with the necessary authority.

## Complaints involving other Authorised Firms or Regulated Financial Institutions

- 9.2.9** If an Authorised Firm considers that another Authorised Firm or a Regulated Financial Institution is entirely or partly responsible for the subject matter of a Complaint, it may refer the Complaint, or the relevant part of it, to the other Authorised Firm or Regulated Financial Institution in accordance with Rule 9.2.10.
- 9.2.10** To refer a Complaint, an Authorised Firm must:
- (a) inform the complainant promptly and in writing that it would like to refer the Complaint, either entirely or in part, to another Authorised Firm or Regulated Financial Institution, and obtain the written consent of the complainant to do so;
  - (b) if the complainant consents to the referral of the Complaint, refer the Complaint to the other Authorised Firm or Regulated Financial Institution promptly and in writing;
  - (c) inform the complainant promptly and in writing that the Complaint has been referred and include adequate contact details of any individual at the other Authorised Firm or Regulated Financial Institution responsible for handling the Complaint; and
  - (d) continue to deal with any part of the Complaint not referred to the other Authorised Firm or Regulated Financial Institution, in accordance with this chapter.

### Guidance

The referral of a Complaint may involve the transfer of Personal Data, as defined under the Data Protection Law 2007, DIFC Law No 1 of 2007. In this respect, an Authorised Firm should consider its obligations under the Data Protection Law 2007.

### Retail Client awareness

- 9.2.11** An Authorised Firm must ensure that a copy of its Complaints handling procedures is available free of charge to any Retail Client upon request.

### Systems and controls

- 9.2.14** In accordance with GEN Rules 5.3.4 and 5.3.5, an Authorised Firm must put in place adequate systems and controls in order for it to identify and remedy any recurring or systemic problems identified from Complaints.

**Guidance**

An Authorised Firm should consider whether it is required to notify the DFSA, pursuant to Rule 11.10.7, of any recurring or systemic problems identified from Complaints.

**Outsourcing****Guidance**

An Authorised Firm may outsource the administration of its Complaints handling procedures in accordance with GEN Rule 5.3.21.

**9.3 Complaints recording procedures for Professional Clients**

**9.3.2** An Authorised Firm must maintain a record of any Complaint made against it for a minimum period of six years from the date of receipt of the Complaint.

**Guidance**

Depending on the nature, scale and complexity of its business, it may be appropriate for an Authorised Firm to have in place a suitable Complaints handling procedure for Professional Clients in order to ensure that such Complaints are properly handled and remedial action is taken promptly. Such Complaints handling procedures would be expected to include provisions about the independence of staff investigating the Complaint and bringing the matter to the attention of senior management.

Where such legislation exists, the Authorised Person must keep copies of relevant documents or material in a jurisdiction which does allow access in accordance with legislation applicable in the DIFC.

**11.2.5** An Authorised Person must immediately notify the DFSA if it becomes aware of any material change in circumstances which may affect the application for a waiver.

### **Continuing relevance of waivers**

- 11.2.6** An Authorised Person must immediately notify the DFSA if it becomes aware of any material change in circumstances which could affect the continuing relevance of a waiver.

## **11.3 Application to change the scope of a Licence**

- 11.3.1** This section applies to an Authorised Firm applying to change the scope of its Licence or, where a condition or restriction has previously been imposed, to have the condition or restriction varied or withdrawn.

- 11.3.2** The provisions relating to permitted legal forms, fitness and propriety, adequate resources, compliance arrangements, enquiries and the provision of additional information set out in section 7.2 also apply to an Authorised Firm making an application under this chapter, and are to be construed accordingly.

- 11.3.3** An Authorised Firm applying to change the scope of its Licence, or to have a condition or restriction varied or withdrawn, must provide the DFSA, with written details of the proposed changes.

**11.5.1** An application to extend the scope of an Authorised Individual status to other Licensed Functions may be made by the Authorised Individual and Authorised Firm by the completion and submission of the appropriate form in AFN.

**11.5.2** An Authorised Firm or Authorised Individual requesting:

**11.5.3** A request for the variation or withdrawal of a condition or restriction may only be made after the expiry of any period within which an appeal to the Regulatory Appeals Committee relating to the relevant condition or restriction may commence under Article 28.

### **Guidance**

1. Notification of the determination of an application under Rule 11.5.1 or request under Rule 11.5.2 will be made in accordance with Articles 55 and 57.
2. In considering the suitability of such an application or request the DFSA may take into account any matter referred to in RPP with respect to fitness and propriety for Authorised Individuals.

## **11.6 Temporary cover**

**11.6.1** (1) An Authorised Firm may, subject to (2), appoint an individual, who is not an Authorised Individual, to carry out the functions of an Authorised Individual where the following conditions are met:

- (a) the absence of the Authorised Individual is temporary or reasonably unforeseen;
- (b) the functions are carried out for 12 weeks maximum in any consecutive 12 months; and
- (c) the Authorised Firm has assessed that the individual has the relevant skills and experience to carry out these functions.

- (2) An Authorised Firm may not appoint under (1) an individual to carry out the Licensed Functions of a Licensed Director or Licensed Partner.
- (3) The Authorised Firm must take reasonable steps to ensure that the individual complies with all the Rules applicable to Authorised Individuals.
- (4) Where an individual is appointed under this Rule, the Authorised Firm must notify the DFSA in writing of the name and contact details of the individual appointed.

**11.6.2** Where an individual is appointed under this section, the DFSA may exercise any powers it would otherwise be entitled to exercise as if the individual held Authorised Individual status.

## **11.7 Dismissal or resignation of an Authorised Individual**

**11.7.1** An Authorised Firm must request the withdrawal of an Authorised Individual status within seven days of the Authorised Individual ceasing to be employed by the Authorised Firm to perform a Licensed Function.

**11.7.2** In requesting the withdrawal of an Authorised Individual status, the Authorised Firm must submit the appropriate form in AFN, including details of any circumstances where the Authorised Firm may consider that the individual is no longer fit and proper.

**11.7.3** If an Authorised Individual is dismissed or requested to resign, a statement of the reason, or reasons, for the dismissal or resignation must be given to the DFSA by the Authorised Firm.

**11.7.4** If the Authorised Individual was acting as a trustee, the Trust Service Provider must confirm to the DFSA in writing that a new trustee has been appointed in place of the trustee in question.

## **11.8 Changes relating to control**

- 11.8.1** (1) This section applies, subject to (2) and (3), to:
- (a) an Authorised Firm; or
  - (b) a Person who is, or is proposing to become, a Controller specified in Rule 11.8.3.
- (2) This chapter does not apply to a Representative Office or a Person who is a Controller of such a firm.
- (3) A Credit Rating Agency must comply with the requirements in this section as if it were a non-DIFC established company.

**Guidance**

The requirements in respect of notification of changes relating to control of Branches (i.e. Non-DIFC established companies) are set out in Rule 11.8.10. Although some Credit Rating Agencies may be companies established in the DIFC, such companies will only be subject to the notification requirements relating to their Controllers. Accordingly, regardless of whether a Credit Rating Agency is a company established in the DIFC or a Branch operation, it is subject to the notification requirements only and not to the requirement for prior approval by the DFSA of changes relating to its Controllers.

**Definition of a Controller**

- 11.8.2** (1) A Controller is a Person who, either alone or with any Associate:
- (a) holds 10% or more of the shares in either the Authorised Firm or a Holding Company of that firm;
  - (b) is entitled to exercise, or controls the exercise of, 10% or more of the voting rights in either the Authorised Firm or a Holding Company of that firm; or
  - (c) is able to exercise significant influence over the management of the Authorised Firm as a result of holding shares or being able to exercise voting rights in the Authorised Firm or a Holding Company of that firm or having a current exercisable right to acquire such shares or voting rights.
- (2) A reference in this chapter to the term:
- (a) “share” means:
    - (i) in the case of an Authorised Firm, or a Holding Company of an Authorised Firm, which has a share capital, its allotted shares;
    - (ii) in the case of an Authorised Firm, or a Holding Company of an Authorised Firm, with capital but no share capital, rights to a share in its capital; and
    - (iii) in the case of an Authorised Firm, or a Holding Company of an Authorised Firm, without capital, any interest conferring a right to share in its profits or losses or any obligation to contribute to a share of its debt or expenses in the event of its winding up; and
  - (b) “a holding” means, in respect of a Person, shares, voting rights or a right to acquire shares or voting rights in an Authorised Firm or a Holding Company of that firm held by that Person either alone or with any Associate.

**Guidance**

1. For the purposes of these Rules, the relevant definition of a Holding Company is found in the DIFC Companies Law. That definition describes when one body corporate is considered to be a holding company or a subsidiary of another body

corporate and extends that concept to the ultimate holding company of the body corporate.

2. Pursuant to Rule 11.8.2(1)(c), a Person becomes a Controller if that Person can exert significant management influence over an Authorised Firm. The ability to exert significant management influence can arise even where a Person, alone or with his Associates, controls less than 10% of the shares or voting rights of the Authorised Firm or a Holding Company of that firm. Similarly, a Person may be able to exert significant management influence where such Person does not hold shares or voting rights but has current exercisable rights to acquire shares or voting rights, such as under Options.

### **Disregarded holdings**

**11.8.3** For the purposes of determining whether a Person is a Controller, any shares, voting rights or rights to acquire shares or voting rights that a Person holds, either alone or with any Associate, in an Authorised Firm or a Holding Company of that firm are disregarded if:

- (a) they are shares held for the sole purpose of clearing and settling within a short settlement cycle;
- (b) they are shares held in a custodial or nominee capacity and the voting rights attached to the shares are exercised only in accordance with written instructions given to that Person by another Person; or
- (c) the Person is an Authorised Firm or a Regulated Financial Institution and it:
  - (i) acquires the shares as a result of an underwriting of a share issue or a placement of shares on a firm commitment basis;
  - (ii) does not exercise the voting rights attaching to the shares or otherwise intervene in the management of the issuer; and
  - (iii) retains the shares for a period less than one year.

### **Requirement for prior approval of Controllers of Domestic Firms**

**11.8.4** (1) In the case of an Authorised Firm which is a Domestic Firm, a Person must not:

- (a) become a Controller; or
- (b) increase the level of control which that Person has in the firm beyond a threshold specified in (2),

unless that Person has obtained the prior written approval of the DFSA to do so.

(2) For the purposes of (1)(b), the thresholds at which the prior written approval of the DFSA is required are when the relevant holding is increased:

- (a) from below 30% to 30% or more; or
- (b) from below 50% to 50% or more.

**Guidance**

See Rules 11.8.2 and 11.8.3 for the circumstances in which a Person becomes a Controller of an Authorised Person.

**Approval process**

- 11.8.5** (1) A Person who is required to obtain the prior written approval of the DFSA pursuant to Rule 11.8.4(1) must make an application to the DFSA using the appropriate form in AFN.
- (2) Where the DFSA receives an application under (1), it may:
- (a) approve the proposed acquisition or increase in the level of control;
  - (b) approve the proposed acquisition or increase in the level of control subject to such conditions as it considers appropriate; or
  - (c) object to the proposed acquisition or increase in the level of control.

**Guidance**

1. A Person intending to acquire or increase control in an Authorised Firm should submit an application for approval in the appropriate form in AFN sufficiently in advance of the proposed acquisition to be able to obtain the DFSA approval in time for the proposed acquisition. Sections 3-2-34 – 3-2-37 of the RPP Sourcebook set out the matters which the DFSA will take into consideration when exercising its powers under Rule 11.8.5 to approve, object to or impose conditions of approval relating to a proposed Controller or a proposed increase in the level of control of an existing Controller.
2. The DFSA will exercise its powers relating to Controllers in a manner proportionate to the nature, scale and complexity of an Authorised Firm's business, and the impact a proposed change in control would have on that firm and its Clients. For example, the DFSA would generally be less likely to impose conditions requiring a proposed acquirer of control of an Authorised Firm whose financial failure would have a limited systemic impact or impact on its Clients to provide prudential support to the firm by contributing more capital. Most advisory and arranging firms will fall into this class.

- 11.8.6** (1) Where the DFSA proposes to approve a proposed acquisition or an increase in the level of control in an Authorised Firm pursuant to Rule 11.8.5(2)(a), it must:
- (a) do so as soon as practicable and in any event within 90 days of the receipt of a duly completed application, unless a different period is considered appropriate by the DFSA and notified to the applicant in writing; and
  - (b) issue to the applicant, and where appropriate to the Authorised Firm, an approval notice as soon as practicable after making that decision.
- (2) An approval, including a conditional approval granted by the DFSA pursuant to Rule 11.8.5(2)(a) or (b), is valid for a period of one year

from the date of the approval, unless an extension is granted by the DFSA in writing.

**Guidance**

1. If the application for approval lodged with the DFSA does not contain all the required information, then the 90 day period runs from the date on which all the relevant information has been provided to the DFSA.
2. If a Person who has obtained the prior DFSA approval for an acquisition or an increase in the control of an Authorised Firm is unable to effect the acquisition before the end of the period referred to in Rule 11.8.6(2), it will need to obtain fresh approval from the DFSA.

**Objection or conditional approval process**

- 11.8.7** (1) Where the DFSA proposes to exercise its objection or conditional approval power pursuant to Rule 11.8.5(2)(b) or (c) in respect of a proposed acquisition of, or an increase in the level of control in, an Authorised Firm, it must, as soon as practicable and in any event within 90 days of the receipt of the duly completed application form, provide to the applicant:
- (a) a written notice stating:
    - (i) the DFSA's reasons for objecting to that Person as a Controller or to the Person's proposed increase in control; and
    - (ii) any proposed conditions subject to which that Person may be approved by the DFSA; and
  - (b) an opportunity to make representations within 14 days of the receipt of such notice or such other longer period as agreed to by the DFSA.
- (2) The DFSA must, as soon as practicable after receiving representations or, if no representations are received, after the expiry of the period for making representations referred to in (1)(b), issue a final notice stating that:
- (a) the proposed objections and any conditions are withdrawn and the Person is an approved Controller;
  - (b) the Person is approved as a Controller subject to conditions specified in the notice; or
  - (c) the Person is not approved and therefore is an unacceptable Controller with respect to that Person becoming a Controller of, or increasing the level of control in, the Authorised Firm.

**Guidance**

A final decision made by the DFSA pursuant to Rule 11.8.7(2)(b) or (c) is appealable to the Regulatory Appeals Committee (see Article 27(2)(i) of the Regulatory Law 2004).

- 
- 11.8.8** (1) A Person who has been approved by the DFSA as a Controller of an Authorised Firm subject to any conditions must comply with the relevant conditions of approval.
- (2) A Person who has been notified by the DFSA pursuant to Rule 11.8.7(2)(c) as an unacceptable Controller must not proceed with the proposed acquisition of control of the Authorised Firm.

**Guidance**

A Person who acquires control of or increases the level of control in an Authorised Firm without the prior DFSA approval or breaches a condition of approval is in breach of the Rules. See Rule 11.8.13 for the actions that the DFSA may take in such circumstances.

**Notification for decrease in the level of control of Domestic Firms**

- 11.8.9** A Controller of an Authorised Firm which is a Domestic Firm must submit, using the appropriate form in AFN, a written notification to the DFSA where that Person:
- (a) proposes to cease being a Controller; or
- (b) proposes to decrease that Person's holding from more than 50% to 50% or less.

**Requirement for notification of changes relating to control of Branches**

- 11.8.10** (1) In the case of an Authorised Firm which is a Branch, a written notification to the DFSA must be submitted by a Controller or a Person proposing to become a Controller of that Authorised Firm in accordance with (3) in respect of any one of the events specified in (2).
- (2) For the purposes of (1), a notification to the DFSA is required when:
- (a) a Person becomes a Controller;

**Obligations of Authorised Firms relating to its Controllers**

- 11.8.11** (1) An Authorised Firm must have adequate systems and controls to monitor:

- (a) any change or proposed change of its Controllers; and
  - (b) any significant changes in the conduct or circumstances of existing Controllers which might reasonably be considered to impact on the fitness and propriety of the Authorised Firm or its ability to conduct business soundly and prudently.
- (2) An Authorised Firm must, subject to (3), notify the DFSA in writing of any event specified in (1) as soon as possible after becoming aware of that event.
- (3) An Authorised Firm need not comply with the requirement in (2) if it is satisfied on reasonable grounds that a proposed or existing Controller has either already obtained the prior approval of the DFSA or notified the event to the DFSA as applicable.

**Guidance**

Steps which an Authorised Firm may take in order to monitor changes relating to Controllers include the monitoring of any relevant regulatory disclosures, press reports, public announcements, share registers and entitlements to vote, or the control of voting rights, at general meetings.

- 11.8.12** (1) An Authorised Firm must submit to the DFSA an annual report on its Controllers within four months of its financial year end.
- (2) The Authorised Firm's annual report on its Controllers must include:
- (a) the name of each Controller; and
  - (b) the current holding of each Controller, expressed as a percentage.

**Guidance**

1. An Authorised Firm may satisfy the requirements of Rule 11.8.12 by submitting a corporate structure diagram containing the relevant information.
2. An Authorised Firm must take account of the holdings which the Controller, either alone or with any Associate, has in the Authorised Firm or any Holding Company of the firm (see the definition of a Controller in Rule 11.8.2).

**Other Powers relating to Controllers**

- 11.8.13** (1) Without limiting the generality of its other powers, the DFSA may, subject only to (2), object to a Person as a Controller of an Authorised Firm where such a Person:
- (a) has acquired or increased the level of control that Person has in an Authorised Firm without the prior written approval of the DFSA as required under Rule 11.8.4;
  - (b) has breached the requirement in Rule 11.8.8 to comply with the conditions of approval applicable to that Person; or
  - (c) is no longer acceptable to the DFSA as a Controller.

- 
- (2) Where the DFSA proposes to object to a Person as a Controller of an Authorised Firm under (1), the DFSA must provide such a Person with:
    - (a) a written notice stating:
      - (i) the DFSA's reasons for objecting to that Person as a Controller; and
      - (ii) any proposed conditions subject to which that Person may be approved by the DFSA; and
    - (b) an opportunity to make representations within 14 days of the receipt of such objections notice or such other longer period as agreed to by the DFSA.
  - (3) The DFSA must, as soon as practicable after receiving representations, or if no representations are made, after the expiry of the period for making representations referred to in (2)(b), issue a final notice stating that:
    - (a) the proposed objections and any conditions are withdrawn and the Person is an approved Controller;
    - (b) the Person is approved as a Controller subject to conditions specified in the notice; or
    - (c) the Person is an unacceptable Controller and accordingly, must dispose of that Person's holdings.
  - (4) Where the DFSA has issued a final notice imposing any conditions subject to which a Person is approved as a Controller, that Person must comply with those conditions.
  - (5) Where the DFSA has issued a final notice declaring a Person to be an unacceptable Controller, that Person must dispose of the relevant holdings within such period as specified in the final notice.
  - (6) The DFSA must also notify the Authorised Firm of any decision it has made pursuant to (3).

**Guidance**

1. Sections 3.2.34 and 3.2.37 of the RPP Sourcebook set out the matters which the DFSA takes into consideration when exercising its powers under Rule 11.8.13.
2. A final decision made by the DFSA pursuant to Rule 11.8.13(3)(b) or (c) is appealable to the Regulatory Appeals Committee (see Article 27(2)(i) of the Regulatory Law 2004).

## **11.9 Creation of additional cells of a protected cell company for an Insurer**

**11.9.1** This section applies to Insurers that are Protected Cell Companies.

### **Guidance**

1. An Insurer that is a Protected Cell Company is a company incorporated as, or converted into, a Protected Cell Company in accordance with the provisions of the DIFC Company Regulations.
2. Under the provisions of the DIFC Company Regulations dealings or transactions between Cells in relation to an Insurer may take place only with the approval of the Court.
3. An Authorised Firm which intends to apply to the Court for approval under the provisions is invited to consult with the DFSA before making the necessary application to the Court.

**11.9.2** An Insurer that is a Protected Cell Company may not create a new Cell unless approval has been granted by the DFSA.

**11.9.3** An application to the DFSA for the approval for the creation of a new Cell must be made on the appropriate form in AFN, and shall be accompanied by such documents and information and verified in such manner, as the DFSA may require.

**11.9.4** The DFSA may:

- (a) grant approval;
- (b) grant approval with conditions or restrictions; or
- (c) refuse approval;

for the creation of a new Cell.

### **Notice of the DFSA's decision**

- 11.9.5**
- (1) Where the DFSA grants approval of a new Cell, the DFSA will without undue delay give the Insurer a written notice of its decision.
  - (2) Where the DFSA grants approval of a new Cell with conditions or restrictions, the DFSA will without undue delay give the Insurer a written notice of its decision and, where requested by the Insurer, the reasons for the conditions.
  - (3) Where the DFSA refuses approval of a new Cell, the DFSA will without undue delay give a written notice of its decision to the Insurer and, where requested by the Insurer, the reasons for such refusal.

### **Rights of representation and appeal**

**11.9.6** The DFSA may only exercise its power to refuse an application for a new Cell, or to grant approval with conditions or restrictions, if it has given the

Insurer a suitable opportunity to make representations in person and in writing in relation to the proposed refusal or the proposed conditions or restrictions.

- 11.9.7** The Insurer has the right to appeal a decision to refuse approval, or to grant approval with conditions or restrictions, to the Regulatory Appeals Committee which has the jurisdiction to hear and determine such an appeal.

## **11.10 Notifications**

- 11.10.1** (1) This section applies to every Authorised Person, unless otherwise provided, with respect to the carrying on of Financial Services and any other activities whether or not financial.
- (2) This section does not apply to a Representative Office.

### **Guidance**

1. This chapter sets out Rules on specific events, changes or circumstances that require notification to the DFSA and outlines the process and requirements for notifications.
2. The list of notifications outlined in this chapter is not exhaustive. Other areas of the Rulebook may also detail additional notification requirements.
3. An Authorised Person and its auditor are also required under Article 67 to disclose to the DFSA any matter which may indicate a breach or likely breach of, or a failure or likely failure to comply with, laws or Rules. An Authorised Person is also required to establish and implement systems and procedures to enable its compliance and compliance by its auditor with notification requirements.

### **Core information**

- 11.10.2** An Authorised Person must provide the DFSA with reasonable advance notice of a change in:
- (a) the Authorised Person's name;
  - (b) any business or trading name under which the Authorised Person carries on a Financial Service in or from the DIFC;
  - (c) the address of the Authorised Person's principal place of business in the DIFC;
  - (d) in the case of a Branch, its registered office or head office address;
  - (e) its legal structure; or
  - (f) an Authorised Individual's name or any material matters relating to his fitness and propriety.
- 11.10.3** A Domestic Firm must provide the DFSA with reasonable advance notice of the establishment or closure of a branch office anywhere in the world from which it carries on financial services.

**11.10.4** When giving notice under Rule 11.10.3 in relation to the establishment of a branch, a Domestic Firm must at the same time submit to the DFSA a detailed business plan in relation to the activities of the proposed branch.

**11.10.5** (1) The DFSA may in its absolute discretion, object to the establishment of a branch office. Upon objecting to the establishment of a branch office, the DFSA must without undue delay, inform the applicant in writing of such objection, and where requested by the Domestic Firm, the reasons for such objection.

(2) If the DFSA objects to the firm establishing a branch anywhere in the world the firm may not proceed with establishment of such a branch.

**11.10.6** A Domestic Firm may appeal to the Regulatory Appeals Committee against the decision of the DFSA to object to the opening of a branch office, and the Regulatory Appeals Committee has jurisdiction to hear such an appeal.

### **Regulatory impact**

**11.10.7** An Authorised Person must advise the DFSA immediately if it becomes aware, or has reasonable grounds to believe, that any of the following matters may have occurred or may be about to occur:

(a) the Authorised Person's failure to satisfy the fit and proper requirements;

(b) any matter which could have a significant adverse effect on the Authorised Person's reputation;

(c) any matter in relation to the Authorised Person which could result in serious adverse financial consequences to the financial system or to other firms;

(g) any significant failure in the Authorised Person's systems or controls, including a failure reported to the Authorised Person by the firm's auditor;

(h) any action that would result in a material change in the capital adequacy or solvency of the Authorised Firm; or

(i) non-compliance with Rules due to an emergency outside the Authorised Person's control and the steps being taken by the Authorised Person.

**Major acquisitions**

- 11.10.8** (1) Subject to (2), an Authorised Firm which makes or proposes to make a Major Acquisition as defined in (3) must:
- (a) if it is a Domestic Firm, comply with the requirements in Rule 11.10.9; and
  - (b) if it is not a Domestic Firm, comply with the requirements in Rule 11.10.10.
- (2) The requirement in (1) does not apply to an Authorised Firm which is a Credit Rating Agency or a firm in Category 3 (as defined in PIB Rule 1.3.3) or Category 4 (as defined in PIB Rule 1.3.4).
- (3) Subject to (4), an Authorised Firm makes a Major Acquisition if it makes or proposes to directly or indirectly acquire a shareholding in a Body Corporate where that acquisition:
- (a) is of a value (whether by one acquisition or a series of acquisitions) of 10% or more of:
    - (i) the Authorised Firm's Capital Resources, if it is a Domestic Firm which is a Category 1 Authorised Firm (as defined in PIB Rule 1.3.1), Category 2 Authorised Firm (as defined in PIB Rule 1.3.2) or Category 5 Authorised Firm (as defined in PIB Rule 1.3.5); or
    - (ii) the Authorised Firm's Adjusted Capital Resources, if it is a Domestic Firm conducting Insurance Business; or
    - (iii) the capital resources of the Authorised Firm calculated in accordance with the requirements of the Financial Services Regulator in its home jurisdiction, if it is not a Domestic Firm; or
  - (b) even if it does not exceed the 10% threshold referred to in (a), it is reasonably likely to have a significant regulatory impact on the Authorised Firm's activities.
- (4) An acquisition is not a Major Acquisition for the purposes of (3) if it is an investment made by an Authorised Firm:
- (a) in accordance with the terms of a contract entered into by the Authorised Firm as an incidental part of its ordinary business; or
  - (b) as a routine transaction for managing the Authorised Firm's own investment portfolio and therefore can reasonably be regarded as made for a purpose other than acquiring management or control of a Body Corporate either directly or indirectly.

**Guidance**

1. Examples of the kind of investments referred to in Rule 11.10.8(3)(b) include an acquisition of a stake in a small specialised trading firm that engages in high risk trades or other activities that could pose a reputational risk to the Authorised Firm.
2. The onus is on an Authorised Firm proposing to make an acquisition to consider whether it qualifies as a Major Acquisition under Rule 11.10.8(3)(b). Generally, in the case of an Authorised Firm that is not a Domestic Firm (i.e. a Branch operation in the DIFC), the significant regulatory impact referred to in Rule 11.10.8 (3)(b) should be prudential risk to the Authorised Firm as a whole. If an Authorised Firm is uncertain about whether or not a proposed acquisition qualifies as a Major Acquisition under Rule 11.10.8 (3)(b), the Authorised Firm may seek guidance from the DFSA.
3. Examples of contractual arrangements of the kind referred to in Rule 11.10.8 (4)(a) include enforcement of a security interest in the securities of the investee Body Corporate or a loan workout pursuant to a loan agreement entered into between a bank and its client.
4. Examples of the kind of investments referred to in Rule 11.10.8(4)(b) include temporary investments, such as investments included in the Authorised Firm's trading book or which are intended to be disposed of within a short term (e.g. within 12 months).

- 11.10.9 (1)** An Authorised Firm which is a Domestic Firm must:
- (a) before making a Major Acquisition:
    - (i) notify the DFSA in writing of the proposed Major Acquisition at least 45 days prior to the proposed date for effecting the Major Acquisition; and
    - (ii) give to the DFSA all the relevant information relating to that Major Acquisition to enable the DFSA to assess the impact of the proposed Major Acquisition on the Authorised Firm; and
  - (b) not effect the proposed Major Acquisition unless:
    - (i) the Authorised Firm has either received written advice from the DFSA that it has no objection to that Major Acquisition or has not received any written objection or request for additional information from the DFSA within 45 days after the date of the notification; and
    - (ii) if the DFSA has imposed any conditions relating to the proposed Major Acquisition, it has complied with, and has the on-going ability to comply with, the relevant conditions.
- (2) The DFSA may only object to a proposed Major Acquisition if it is of the view that the proposed Major Acquisition is reasonably likely to have a material adverse impact on the Authorised Firm's ability to comply with its applicable regulatory requirements or on the financial services industry in the DIFC as a whole. The DFSA may also impose

any conditions it considers appropriate to address any concerns it may have in relation to the proposed Major Acquisition.

- (3) Without limiting the generality of its powers, the factors that the DFSA may take into account for the purposes of (2) include:
- (a) the financial and other resources available to the Authorised Firm to carry out the proposed Major Acquisition;
  - (b) the possible impact of the proposed Major Acquisition upon the Authorised Firm's resources, including its capital, both at the time of the acquisition and on an on-going basis;
  - (c) the managerial capacity of the Authorised Firm to ensure that the activities of the investee Body Corporate are conducted in a prudent and reputable manner;
  - (d) the place of incorporation or domicile of the investee Body Corporate and whether or not the laws applicable to that entity are consistent with the laws applicable to the Authorised Firm. In particular, whether there are any secrecy constraints that are likely to create difficulties in relation to the DFSA requirements including those relating to consolidated supervision by the DFSA where applicable; and
  - (e) any other undue risks to the Authorised Firm or the financial services industry in the DIFC as a whole arising from the proposed Major Acquisition.

#### **Guidance**

Factors which the DFSA may take into account in assessing whether there are any undue risks arising from the proposed Major Acquisition include the size and nature of the business of the investee Body Corporate, its reputation and standing, its present and proposed management structure and the quality of management, the reporting lines and other monitoring and control mechanisms available to the Authorised Firm and the past records of the Authorised Firm relating to acquisitions of a similar nature.

- 11.10.10** (1) An Authorised Firm which is not a Domestic Firm must:
- (a) notify the DFSA in writing of any Major Acquisition in accordance with the notification requirement applying to the Authorised Firm under the requirements of the Financial Services Regulator in its home jurisdiction (the home regulator); and
  - (b) if there is no notification requirement applying to the Authorised Firm under (a), comply with the requirements in Rule 11.10.9 as if it were a Domestic Firm. The DFSA must follow the same procedures, and shall have the same powers, as set out in Rule 11.10.9 in relation to such a notification.
- (2) An Authorised Firm which gives to the DFSA a notification under (1)(a) must:

- (a) notify the DFSA of the Major Acquisition at the same time as it notifies the home regulator;
- (b) provide to the DFSA the same information as it is required to provide to the home regulator; and
- (c) provide to the DFSA copies of any communications it receives from the home regulator relating to the notification it has provided to the home regulator as soon as practicable upon receipt.

- 11.10.11** (1) The DFSA may, for the purposes of the requirements in this section, require from an Authorised Firm any additional information relating to the Major Acquisition as it may consider appropriate. An Authorised Firm must provide any such additional information to the DFSA promptly.
- (2) The DFSA may, where it considers appropriate, withdraw its no objection position or modify or vary any condition it has imposed or any remedial action it has required under the Rules in this section. Where it forms the view that such an action is required, the DFSA will first give to the Authorised Firm affected by that decision prior written notice of its proposed actions and its reasons.

#### **Guidance**

The DFSA will generally not withdraw a no objection position it has conveyed to an Authorised Firm, except in very limited circumstances. An example of such a situation is where the Authorised Firm is found to have provided to the DFSA inaccurate or incomplete information and that commission or omission has a material impact on the DFSA's no objection decision.

- 11.10.12** An Authorised Firm may make an appeal to the Regulatory Appeals Committee for the review of a decision of the DFSA under Rules 11.10.9, 11.10.10(b) or 11.10.11(2) and the Regulatory Appeals Committee has the jurisdiction to hear any such appeal.

#### **Fraud and errors**

- 11.10.13** An Authorised Person must notify the DFSA immediately if one of the following events arises in relation to its activities in or from the DIFC:
- (a) it becomes aware that an Employee may have committed a fraud against one of its customers;
  - (b) a serious fraud has been committed against it;
  - (c) it has reason to believe that a Person is acting with intent to commit a serious fraud against it;
  - (d) it identifies significant irregularities in its accounting or other records, whether or not there is evidence of fraud; or
  - (e) it suspects that one of its Employees who is connected with the Authorised Person's Financial Services may be guilty of serious misconduct concerning his honesty or integrity.

### Other regulators

- 11.10.14** An Authorised Person must advise the DFSA immediately of:
- (a) the granting or refusal of any application for or revocation of authorisation to carry on financial services in any jurisdiction outside the DIFC;
  - (b) the granting, withdrawal or refusal of an application for, or revocation of, membership of the Authorised Person of any regulated exchange or clearing house;
  - (c) the Authorised Person becoming aware that a Financial Services Regulator has started an investigation into the affairs of the Authorised Person;
  - (d) the appointment of inspectors, howsoever named, by a Financial Services Regulator to investigate the affairs of the Authorised Person; or
  - (e) the imposition of disciplinary measures or disciplinary sanctions on the Authorised Person in relation to its financial services by any Financial Services Regulator or any regulated exchange or clearing house.

### Guidance

The notification requirement in Rule 11.10.14(c) extends to investigations relating to any employee or agent of an Authorised Person or a member of its Group, provided the conduct investigated relates to or impacts on the affairs of the Authorised Person.

### Action against an Authorised Person

- 11.10.15** An Authorised Person must notify the DFSA immediately if:
- (a) civil proceedings are brought against the Authorised Person and the amount of the claim is significant in relation to the Authorised Person's financial resources or its reputation; or
  - (b) the Authorised Person is prosecuted for, or convicted of, any offence involving fraud or dishonesty, or any penalties are imposed on it for tax evasion.

### Winding up, bankruptcy and insolvency

- 11.10.16** An Authorised Person must notify the DFSA immediately on:
- (a) the calling of a meeting to consider a resolution for winding up the Authorised Person;
  - (b) an application to dissolve the Authorised Person or to strike it from the register maintained by the DIFC Registrar of Companies, or a comparable register in another jurisdiction;
  - (c) the presentation of a petition for the winding up of the Authorised Person;

- (d) the making of, or any proposals for the making of, a composition or arrangement with creditors of the Authorised Person; or
- (e) the application of any person against the Authorised Person for the commencement of any insolvency proceedings, appointment of any receiver, administrator or provisional liquidator under the law of any country.

### **Accuracy of information**

**11.10.17** An Authorised Person must take reasonable steps to ensure that all information that it provides to the DFSA in accordance with any legislation applicable in the DIFC is:

- (a) factually accurate or, in the case of estimates and judgements, fairly and properly based; and
- (b) complete, in that it should include anything of which the DFSA would reasonably expect to be notified.

**11.10.18** (1) An Authorised Person must notify the DFSA immediately it becomes aware, or has information that reasonably suggests, that it:

- (a) has or may have provided the DFSA with information which was or may have been false, misleading, incomplete or inaccurate; or
- (b) has or may have changed in a material particular.

(2) Subject to (3), the notification in (1) must include details of the information which is or may be false or misleading, incomplete or inaccurate, or has or may have changed and an explanation why such information was or may have been provided and the correct information.

(3) If the correct information in (2) cannot be submitted with the notification it must be submitted as soon as reasonably possible.

**11.10.19** In the case of an Insurer which is a Protected Cell Company, an Insurer must advise the DFSA immediately it becomes aware of any actual or prospective significant change in the type or scale of the business conducted through a Cell, or the ownership of the Cell shares.

### **Information relating to corporate governance and remuneration**

**11.10.20** (1) Subject to (2), an Authorised Firm must provide to the DFSA notice of any significant changes to its corporate governance framework or the remuneration structure or strategy as soon as practicable.

(2) An Authorised Firm which is a Branch must provide notice of any significant changes to its corporate governance framework or the remuneration structure or strategy only if the changes are relevant to the activities and operations of the Branch.

**Guidance**

1. The purpose of these notifications is to ensure that the DFSA is informed of any significant changes to the Authorised Firm's corporate governance framework and remuneration structure and strategies.
2. Significant changes that the DFSA expects Authorised Firms to notify the DFSA pursuant to Rule 11.10.20 generally include:
  - a. any major changes to the composition of the Governing Body;
  - b. any changes relating to Persons Undertaking Key Control Functions, such as their removal or new appointments or changes in their reporting lines; and
  - c. significant changes to the remuneration structure that apply to the members of the Governing Body, senior management, Persons Undertaking Key Control Functions and major risk taking Employees.
3. The DFSA expects Branches to provide to the DFSA notification of significant changes that are relevant to the Branch operations.

**11.11 Provision of notifications and reports**

- 11.11.1** (1) Unless a Rule states otherwise, an Authorised Person must ensure that each notification or report it provides to the DFSA is:
- (a) in writing and contains the Authorised Person's name and Licence number; and
  - (b) addressed for the attention of (in the case of an Authorised Firm) the Supervision Department and (in the case of an Authorised Market Institution) the Markets Department and delivered to the DFSA by:
    - (i) post to the current address of the DFSA;
    - (ii) hand delivered to the current address of the DFSA;
    - (iii) electronic mail to an address provided by the DFSA; or
    - (iv) faxed to a fax number provided by the DFSA.
- (2) In (1)(b) confirmation of receipt must be obtained.

**11.12 Requirement to provide a report**

- 11.12.1** This section applies to every Authorised Person other than a Representative Office.

**Guidance**

1. Under Article 74, the DFSA may require an Authorised Person to provide it with a report on any matter. The Person appointed to make a report must be a Person nominated or approved by the DFSA. This Person will be referred to throughout the Rulebook as an independent expert.

2. When requesting a report under Article 74, the DFSA may take into consideration the matters set out in the RPP Sourcebook.

### **Independent Expert**

- 11.12.2** (1) The DFSA may, by sending a notice in writing, require an Authorised Person to provide a report by an independent expert. The DFSA may require the report to be in whatever form it specifies in the notice.
- (2) The DFSA will give written notification to the Authorised Person of the purpose of its report, its scope, the timetable for completion and any other relevant matters.
- (3) The independent expert must be appointed by the Authorised Person and be nominated or approved by the DFSA.
- (4) The Authorised Person must pay for the services of the independent expert.

### **Guidance**

1. If the DFSA decides to nominate the independent expert, it will notify the Authorised Person accordingly. Alternatively, if the DFSA is content to approve the independent expert selected by the Authorised Person it will notify it of that fact.
2. The DFSA will only approve an independent expert that in the DFSA's opinion has the necessary skills to make a report on the matter concerned.

- 11.12.3** When an Authorised Person appoints an independent expert, the Authorised Person must ensure that:

- (a) the independent expert co-operates with the DFSA; and
- (b) the Authorised Person provides all assistance that the independent expert may reasonably require.

- 11.12.4** When an Authorised Person appoints an independent expert, the Authorised Person must, in the contract with the independent expert:

- (a) require and permit the independent expert to co-operate with the DFSA in relation to the Authorised Person and to communicate to the DFSA information on, or his opinion on, matters of which he has, or had, become aware in his capacity as an independent expert reporting on the Authorised Person in the following circumstances:
  - (i) the independent expert reasonably believes that, as regards the Authorised Person concerned:
    - (A) there is or has been, or may be or may have been, a contravention of any relevant requirement that applies to the Authorised Person concerned; and
    - (B) that the contravention may be of material significance to the DFSA in determining whether to exercise, in relation to the Authorised Person concerned, any

powers conferred on the DFSA under any provision of the Regulatory Law 2004;

- (ii) the independent expert reasonably believes that the information on, or his opinion on, those matters may be of material significance to the DFSA in determining whether the Authorised Person concerned satisfies and will continue to satisfy the fit and proper requirements; or
  - (iii) the independent expert reasonably believes that the Authorised Firm is not, may not be, or may cease to be, a going concern;
- (b) require the independent expert to prepare a report within the time specified by the DFSA; and
  - (c) waive any duty of confidentiality owed by the independent expert to the Authorised Person which might limit the provision of information or opinion by that independent expert to the DFSA in accordance with (a) or (b).

**11.12.5** An Authorised Person must ensure that the contract required under Rule 11.12.4:

- (a) is governed by the laws of the DIFC;
- (b) expressly provides that the DFSA has a right to enforce the provisions included in the contract under Rule 11.12.4;
- (c) expressly provides that, in proceedings brought by the DFSA for the enforcement of those provisions, the independent expert is not to have available by way of defence, set-off or counter claim any matter that is not relevant to those provisions;
- (d) if the contract includes an arbitration agreement, expressly provides that the DFSA is not, in exercising the right in (b) to be treated as a party to, or bound by, the arbitration agreement; and
- (e) provides that the provisions included in the contract under Rule 11.12.4 are irrevocable and may not be varied or rescinded without the DFSA's consent.

### **11.13 Imposing Restrictions on an Authorised Person's business or on an Authorised Person dealing with property**

**11.13.1** The DFSA has the power to impose a prohibition or requirement on an Authorised Person in relation to the Authorised Person's business or in relation to the Authorised Person's dealing with property under Article 75 or Article 76 in circumstances where:

- (a) there is a reasonable likelihood that the Authorised Person will contravene a requirement of any legislation applicable in the DIFC;

- (b) the Authorised Person has contravened a relevant requirement and there is a reasonable likelihood that the contravention will continue or be repeated;
- (c) there is loss, risk of loss, or other adverse effect on the Authorised Person's customers;
- (d) an investigation is being carried out in relation to an act or omission by the Authorised Person that constitutes or may constitute a contravention of any applicable law or Rule;

- (j) an application has been made for the commencement of any insolvency proceedings or the appointment of any receiver, administrator or provisional liquidator under the law of any country for the Authorised Person;
- (k) there is a notification to dissolve the Authorised Person or strike it from the DIFC register of Companies or the comparable register in another jurisdiction;
- (l) there is information to suggest that the Authorised Person is involved in financial crime; or
- (m) the DFSA considers that this prohibition or requirement is necessary to ensure customers, Authorised Persons or the financial system are not adversely affected.

## APP2 INVESTMENTS

### A2.1 General definition of investments

#### Investments

- A2.1.1** (1) An Investment is, subject to (3), either:
- (a) a Security; or
  - (b) a Derivative,
- as defined in Rule A2.1.2 or Rule A2.1.3.
- (2) Such a Security or Derivative includes:
- (a) a right or interest in the relevant Security or Derivative; and
  - (b) any instrument declared as a Security or Derivative pursuant to Rule A2.4.1(1).
- (3) Where a Rule provides that a Security or Derivative has a different classification for a specified purpose, it shall have that effect for that specified purpose and no other purpose.

#### Guidance

An example of the application of Rule A2.1.1 (3) is Rule A2.1.2(2), where a Derivative is treated as a Security for the purposes of the requirements in PIB.

#### Security

- A2.1.2** (1) For the purposes of Rule A2.1.1(1)(a), a Security is:
- (a) a Share;
  - (b) a Debenture;
  - (c) a Warrant;
  - (d) a Certificate;
  - (e) a Unit; or
  - (f) a Structured Product.
- (2) For the purposes of the requirements in PIB, each Derivative specified in Rule A2.1.3 is to be treated as a Security.

### **Derivative**

**A2.1.3** For the purposes of Rule A2.1.1(1)(b), a Derivative is:

- (a) an Option; or
- (b) a Future.

## **A2.2 Definitions of specific securities**

**A2.2.1** For the purposes of Rule A2.1.2:

### **Shares**

- (a) a Share is a share or stock in the share capital of any Body Corporate or any unincorporated body but excluding a Unit;

### **Debentures**

- (b) a Debenture is an instrument creating or acknowledging indebtedness, whether secured or not, but excludes:
  - (i) an instrument creating or acknowledging indebtedness for, or for money borrowed to defray, the consideration payable under a contract for the supply of goods or services;
  - (ii) a cheque or other bill of exchange, a banker's draft or a letter of credit (but not a bill of exchange accepted by a banker);
  - (iii) a banknote, a statement showing a balance on a bank account, or a lease or other disposition of property; and
  - (iv) a Contract of Insurance;

### **Guidance**

1. A Debenture may include a bond, debenture stock, loan stock or note. Certain Islamic products ("Sukuk") structured as a debt instrument can also fall within this definition.
2. If the interest or financial return component on a debt instrument is to be calculated by reference to fluctuations of an external factor such as an index, exchange rate or interest rate, that does not prevent such an instrument being characterised as a Debenture.

### **Warrants**

- (c) a Warrant is an instrument that confers on the holder a right entitling the holder to acquire an unissued Share, Debenture or Unit;

**Guidance**

A Warrant confers on the holder an entitlement (but not an obligation) to acquire an unissued Share, Debenture or Unit, thereby distinguishing it from a call Option which entitles the holder, upon exercise, to acquire an already issued (i.e. existing) Security.

**Certificates**

- (d) a Certificate is an instrument:
- (i) which confers on the holder contractual or property rights to or in respect of a Share, Debenture, Unit or Warrant held by a Person; and
  - (ii) the transfer of which may be effected by the holder without the consent of that other Person;

but excludes rights under an Option;

**Guidance**

Certificates confer rights over existing Shares, Debentures, Units or Warrants held by a Person and include receipts, such as Global Depository Receipts (i.e. GDRs).

**Units**

- (e) a Unit is a unit in or a share representing the rights or interests of a Unitholder in a Fund; and

**Structured Products**

- (f) a Structured Product is an instrument comprising rights under a contract where:
- (i) the gain or loss of each party to the contract is ultimately determined by reference to the fluctuations in the value or price of property of any description, an index, interest rate, exchange rate or a combination of any of these as specified for that purpose in the contract (“the underlying factor”) and is not leveraged upon such fluctuations;
  - (ii) the gain or loss of each party is wholly settled by cash or set-off between the parties;
  - (iii) each party is not exposed to any contingent liabilities to any other counterparty; and
  - (iv) there is readily available public information in relation to the underlying factor;

but excludes any rights under an instrument:

- (v) where one or more of the parties takes delivery of any property to which the contract relates;
- (vi) which is a Debenture; or

- (vii) which is a Contract of Insurance.

**Guidance**

1. Instruments previously known as Designated Investments are now included within the definition of Structured Products.
2. The reference in Rule A2.2.1(f)(i) to “property of any description” covers tangible or intangible property, including Securities.

## **A2.3 Definitions of specific derivatives**

### **A2.3.1** For the purposes of Rule A2.1.3:

**Options**

- (a) An Option is an instrument that confers on the holder, upon exercise, rights of the kind referred to in any of the following:
- (i) a right to acquire or dispose of:
    - (A) a Security (other than a Warrant) or contractually based investment;
    - (B) currency of any country or territory;
    - (C) a commodity of any kind;
  - (ii) a right to receive a cash settlement, the value of which is determined by reference to:
    - (A) the value or price of an index, interest rate or exchange rate; or
    - (B) any other rate or variable; or
  - (iii) a right to acquire or dispose of another Option under (i) or (ii).

**Guidance**

1. For example, a call Option confers on the holder, upon exercise, a right but not an obligation to acquire an issued (i.e. existing) Security, thereby distinguishing it from a Warrant which entitles the holder, upon exercise, to acquire an unissued Share, Debenture or Unit.
2. Options over a ‘contractually based investment’ referred to in Rule A2.3.1(a)(i)(A) covers Options over Futures.
3. Cash settled Options such as Index Options are covered under Rule A2.3.1(a)(ii). Other cash settled Options that are covered under this Rule include instruments which confer rights determined by reference to climatic variables, inflation or other official economic statistics, freight rates or emission allowances.
4. Options over Options are covered under A2.3.1(a)(iii).

## **Futures**

- (b) a Future is an instrument comprising rights under a contract:
- (i) for the sale of a commodity or property of any other description under which delivery is to be made at a future date and at a price agreed on when the contract is made, and that contract:
    - (A) is made or traded on a regulated exchange;
    - (B) is made or traded on terms that are similar to those made or traded on a regulated exchange; or
    - (C) would, on reasonable grounds, be regarded as made for investment and not for commercial purposes; or
  - (ii) where the value of the contract is ultimately determined by reference, wholly or in part, to fluctuations in:
    - (A) the value or price of property of any description; or
    - (B) an index, interest rate, any combination of these, exchange rate or other factor designated for that purpose in the contract; and

which is wholly settled by cash or set-off between the parties but excludes:

    - (C) rights under a contract where one or more of the parties takes delivery of any property to which the contract relates;
    - (D) a contract under which money is received by way of deposit or an acknowledgement of a debt on terms that any return to be paid on the sum deposited or received will be calculated by reference to an index, interest rate, exchange rate or any combination of these or other factors; or
    - (E) a Contract of Insurance.

## **Guidance**

1. An over the counter (OTC) contract may qualify as a Future under Rule A2.3.1(b)(i)(C) if it can reasonably be regarded as being made for investment and not for commercial purposes. Some of the indicative factors that such a contract is reasonably likely to be made for commercial rather than investment purposes include the following:
  - a. a party to the contract is the producer or a user of the underlying commodity;
  - b. the delivery of the underlying commodity is intended to take place within 7 days of the date of the contract;
  - c. there is no provision made in the contract for margin arrangements; and

- d. the terms of the contract are not standardised terms.
2. A contract under Rule A2.3.1(b)(i) can provide for the physical delivery of the underlying commodity or property. Further, the price agreed under such a contract can be by reference to an underlying factor, such as by reference to an index or a spot price on a given date.
3. Contracts for differences (CFDs) fall under the definition in A2.3.1(b)(ii) and may include credit default swaps (CDSs) and forward rate agreements (FRAs). More exotic types of Derivative contracts may also fall within the definition in A2.3.1(b)(ii). These can include weather or electricity derivatives where the underlying factor by reference to which the parties' entitlements are calculated can be the number of days in a period in which the temperature would reach below or above a specified level.

## **A2.4 Financial instrument declared as an investment**

- A2.4.1** (1) The DFSA may, subject to (5), declare by written notice any financial instrument or class of financial instruments to be a particular type of an existing Security or Derivative as defined in these Rules or a new type of a Security or Derivative. It may do so on such terms and conditions as it considers appropriate.
- (2) The DFSA may exercise the power under (1) either upon written application made by a Person or on its own initiative.
  - (3) Without limiting the generality of the matters that the DFSA may consider when exercising its power under (1), it must consider the following factors:
    - (a) the economic effect of the financial instrument or class of financial instruments;
    - (b) the class of potential investors to whom the financial instrument is intended to be marketed;
    - (c) the treatment of similar financial instruments for regulatory purposes in other jurisdictions; and
    - (d) the possible impact of such a declaration on any person issuing or marketing such a financial instrument.
  - (4) A Person who makes an application for a declaration under (1) must address, as far as practicable, the factors specified in (3).
  - (5) The DFSA must publish any proposed declaration under (1) for public consultation for at least 30 days from the date of publication, except where:
    - (a) it declares a financial instrument to be a particular type of an existing Security or Derivative;
    - (b) it determines that any delay likely to result from public consultation is prejudicial to the interests of the DIFC; or

- (c) it determines that there is a commercial exigency that warrants such a declaration being made without any, or shorter than 30 day, public consultation.

**Guidance**

1. The terms and conditions that may be imposed on a declaration made by the DFSA under Rule A2.4.1(1) can include who should be the Reporting Entity and the type of disclosure requirements that should apply to that Reporting Entity.
2. If any issuer of a new financial instrument has any doubt as to whether that instrument can be included in an Official List of Securities as a particular type of a Security, that Person should first raise those issues with the relevant Authorised Market Institution before making an application to the DFSA for the exercise of the declaration power under this Rule. The DFSA has a discrete power to object to any proposed inclusion of a Security in an Official List of Securities of an Authorised Market Institution (see Article 34(1) of the Markets Law 2012).

## **APP3 BEST PRACTICE RELATING TO CORPORATE GOVERNANCE AND REMUNERATION**

### **A3.1 Best practice relating to corporate governance**

#### **Guidance**

#### **Roles of the Governing Body and the senior management**

1. The Governing Body should adopt a rigorous process for setting and approving and overseeing the implementation of, the Authorised Person's overall business objectives and risk strategies, taking into account the long term financial safety and soundness of the firm as a whole, and the protection of its customers and stakeholders. These objectives and strategies should be adequately documented and properly communicated to the firm's senior management, Persons Undertaking Key Control Functions (such as the heads of risk management and compliance) and all the other relevant Employees. Senior management should ensure the effective implementation of such strategies in carrying out the day-to-day management of the Authorised Person's business.
2. The Governing Body, with the support of the senior management, should take a lead in setting the "tone at the top", including by setting the fundamental corporate values that should be pursued by the Authorised Person. These should, to the extent possible, be supported by professional standards and codes of ethics that set out acceptable and unacceptable conduct. Such professional standards and codes of ethics should be clearly communicated to those individuals involved in the conduct of business of the firm.
3. The Governing Body should review the overall business objectives and strategies at appropriate intervals (at least annually) to ensure that they remain suitable in light of any changes in the internal or external business and operating conditions.
4. The Governing Body should also ensure that the senior management is effectively discharging the day-to-day management of the Authorised Person's business in accordance with the business objectives and strategies that have been set or approved by the Governing Body. For this purpose, the Governing Body should ensure that there are clear and objective performance goals and measures (and an objective assessment against such criteria at reasonable intervals), for the Authorised Person and the members of its Governing Body and the senior management to ascertain whether the firm's business objectives and risk strategies are implemented effectively and as intended.

#### **Internal governance of the Governing Body**

5. The Governing Body should have appropriate practices and procedures for its own internal governance, and ensure that these are followed, and periodically reviewed to ensure their effectiveness and adequacy. These policies and procedures should cover a formal and transparent process for nomination, selection, and removal of the members of the Governing Body (see paragraph 2.2.14 of the RPP Sourcebook), and a specified term of office as appropriate to the roles and responsibilities of the member, particularly to ensure the objectivity of his decision making and judgement. Appropriate succession planning should also form part of the Governing Body's internal governance practices.
6. The Governing Body should meet sufficiently regularly to discharge its duties effectively. There should be a formal schedule of matters specifically reserved for its decision. The working procedures of the Governing Body should be well defined.
7. The Governing Body should also ensure that when assessing the performance of the members of the Governing Body and its senior managers and Persons Undertaking Key Control Functions, the independence and objectivity of that process is achieved

through appropriate mechanisms, such as the assignment of the performance assessment to an independent member of the Governing Body or a committee of the Governing Body comprising a majority of independent members. See paragraph 2.2.15(b)(iii) of the RPP Sourcebook for the independence criteria for Authorised Firms and paragraphs 2.2.16 and 2.2.18 of the RPP Sourcebook for the independence criteria for Authorised Market Institutions.

### **Committees of the Governing Body**

8. To support the effective discharge of its responsibilities, the Governing Body should establish its committees as appropriate. The committees that a Governing Body may commonly establish, depending on the nature, scale and complexity of its business and operations, include the audit, remuneration, ethics/compliance, nominations and risk management committees. Where committees are appointed, they should have clearly defined mandates, authority to carry out their respective functions, and the degree of independence and objectivity as appropriate to the role of the committee. If the functions of any committees are combined, the Governing Body should ensure such a combination does not compromise the integrity or effectiveness of the functions so combined. In all cases, the Governing Body remains ultimately responsible for the matters delegated to any such committees.

### **Independence and objectivity**

9. The Governing Body should establish clear and objective independence criteria which should be met by a sufficient number of members of the Governing Body to promote objectivity and independence in decision making by the Governing Body. See paragraph 2.2.15(b)(iii) of the RPP Sourcebook for independence criteria).

### **Powers of the Governing Body**

10. To be able to discharge its role and responsibilities properly, the Governing Body should have adequate and well-defined powers, which are clearly set out either in the legislation or as part of the constituent documents of the Authorised Person (such as the constitution, articles of incorporation and organisational rules). These should, at a minimum, include the power to obtain timely and comprehensive information relating to the management of the firm, including direct access to relevant persons within the organisation for obtaining information such as its senior management and Persons Undertaking Key Control Functions (such as the head of compliance, risk management or internal audit).

### **Role of user committees**

11. An Authorised Market Institution should consider all relevant stakeholders' interests, including those of its Members and other participants, and issuers, in making major decisions, such as those relating to its system's design, overall business strategy and rules and procedures. An Authorised Market Institution which has cross-border operations should ensure that full range of views across jurisdictions in which it operates is appropriately considered in its decision-making process.
12. In some instances, an Authorised Market Institution may be required under the applicable Rules to undertake public consultation in relation to certain matters, such as any proposed amendments to its Business Rules under AMI Rule 5.6.5.
13. Effective mechanisms for obtaining stakeholder input to the Authorised Market Institution's decision-making process, including where such input is mandatory, include the establishment of, and consultation with, user committees. As opinions among interested parties are likely to differ, an Authorised Market Institution should have clear processes for identifying and appropriately managing the diversity of stakeholder views and any conflicts of interest between stakeholders and the Authorised Market Institution.

- 
14. Where an Authorised Market Institution establishes user committees to obtain stakeholder input to its decision making, to enable such committees to be effective, an Authorised Market Institution should structure such committees to:
    - a. have adequate representation of the Authorised Market Institution's Members and other participants, and stakeholders including issuers. The other stakeholders of an Authorised Market Institution may include clients of its Members or participants, custodians and other service providers;
    - b. have direct access to the members of the Authorised Market Institution's Governing Body and members of the senior management as appropriate;
    - c. not be subject to any direct or indirect influence by the senior management of the Authorised Market Institution in carrying out their functions; and
    - d. have clear terms of reference (mandates) which include matters on which the advice of user committees will be sought. For example, the criteria for selecting Members, setting service levels and pricing structures and for assessing the impact on Members and other stakeholders of any proposed material changes to the Authorised Market Institution's existing arrangements (section 4.3 of AMI) and any amendments to its Business Rules (AMI Rule 5.6.4); and
    - e. have adequate internal governance arrangements (such as the regularity of committee meetings and the quorum and other operational procedures).

## **A3.2 Best practice relating to remuneration**

### **Guidance**

#### **Development and monitoring of the remuneration structure**

1. To ensure that the remuneration structure and strategies of the Authorised Person are appropriate to the nature, scale and complexity of the Authorised Person's business, the Governing Body should take account of the risks to which the firm could be exposed as a result of the conduct or behaviour of its Employees. The Governing Body should play an active role in developing the remuneration strategy and policies of the Authorised Person. A remuneration committee of the Governing Body could play an important role in the development of the firm's remuneration structure and strategy.
2. For this purpose, particularly where remuneration structure and strategies contain performance based remuneration (see also Guidance no 7 and 8 below), consideration should be given to various elements of the remuneration structure such as:
  - a. the ratio and balance between the fixed and variable components of remuneration and any other benefits;
  - b. the nature of the duties and functions performed by the relevant Employees and their seniority within the firm;
  - c. the assessment criteria against which performance based components of remuneration are to be awarded; and
  - d. the integrity and objectivity of the process of performance assessment against the set criteria.

3. Generally, not only the senior management but also the Persons Undertaking Key Control Functions should be involved in the remuneration policy-setting and monitoring process to ensure the integrity and objectivity of the process.

#### **Who should be covered by remuneration policy**

4. An Authorised Person's remuneration policy should, at a minimum, cover those specified in Rule 5.3.31(1)(c). Accordingly, the members of the Governing Body, the senior management, the Persons Undertaking Key Control Functions and any major risk taking Employees should be included in the firm's remuneration policy. With the exception of the 'senior management', all the other three categories attract their own definitions. Although the expression "senior management" carries its natural meaning, Rule 5.3.30(3) describes the senior management's role as the "day-to-day management of the firm's business..." Guidance No. 3 under Rule 5.3.3 gives further clarification as to who may perform senior management functions.

#### **Remuneration of Persons Undertaking Key Control Functions**

5. Any performance based component of remuneration of Persons Undertaking Key Control Functions as well as other Employees undertaking activities under the direction and supervision of those Persons should not be linked to the performance of any business units which are subject to their control or oversight. For example, where risk and compliance functions are embedded in a business unit, a clear distinction should be drawn between the remuneration structure applicable to those Persons Undertaking Key Control Functions and the Employees undertaking activities under their direction and supervision on the one hand and the other Employees in the business unit on the other hand. This may be achieved by separating the pools from which remuneration is paid to the two groups of Employees, particularly where such remuneration comprises performance based variable remuneration.

#### **Use of variable remuneration**

6. Where an Authorised Person includes in its remuneration structure performance based variable components (such as bonuses, equity participation rights such as share based awards or other benefits), especially if they form a significant portion of the overall remuneration structure, or remuneration of any particular Employees or class of Employees, the Governing Body should ensure that there are appropriate checks and balances relating to their award. This is because, while such performance based remuneration is an effective tool in aligning the interests of the Employees with the interests of the firm, if used without necessary checks and balances, it could lead to inappropriate risk taking by Employees.
7. Therefore, the Governing Body should, when using any performance based variable component in the Authorised Person's remuneration structure, ensure that:
  - a. the overall remuneration structure contains an appropriate mix of fixed and variable components. For example, if the fixed component of remuneration of an Employee is very small relative to the variable (eg. bonus) component, it may become difficult for the firm to reduce or eliminate bonuses even in a poor performing financial year;
  - b. there are clear and objective criteria for allocating performance based remuneration (see below in Guidance note (7));
  - c. there are appropriate adjustments for the material 'current' and 'future' risks associated with the performance of the relevant Employee, as the time horizon in which risks could manifest themselves may vary. For example, where practicable, the measurement of performance should be set in a multi-year framework. If this is not practicable, there should be deferral of vesting of the benefits or retention or claw-back arrangements applicable to such components as appropriate;

- d. there are appropriate prudential limits, consistent with the Authorised Person's capital management strategy and its ability to maintain a sound capital base taking account of the internal capital targets or regulatory capital requirements;
- e. in the case of Employees involved in the distribution of financial products whose remuneration is commission based, there are adequate controls and monitoring to mitigate marketing which is solely commission driven; and
- f. the use of guaranteed bonuses is generally avoided as such payments are not consistent with sound risk management and performance based rewards. However, there may be circumstances where such guaranteed bonuses may be paid to attract new Employees (for example to compensate bonuses forfeited from the previous employer).

#### **Performance assessment**

- 8. The performance criteria applicable, particularly relating to the variable components of remuneration, as well as the performance assessment against such criteria, contribute to the effectiveness of the use of performance based remuneration. Therefore, the Governing Body should ensure that such criteria:
  - a. are clearly defined and objectively measurable;
  - b. include not only financial but also non-financial elements as appropriate (such as compliance with regulation and internal rules, achievement of risk management goals as well as compliance with market conduct standards and fair treatment of customers);
  - c. take account of not only the individual's performance, but also the performance of the business unit concerned and the overall results of the firm and if applicable the Group; and
  - d. do not treat growth or volume as an element in isolation from other performance measurements included in the criteria.

#### **Severance payments**

- 9. Where an Authorised Person provides discretionary payouts on termination of employment ("severance payments", also called "golden parachutes"), such payment should generally be subject to appropriate limits or shareholder approval. In any case, such payouts should be aligned with the firm's overall financial condition and performance over an appropriate time horizon and should not be payable in the case of failure or threatened failure of the firm, particularly to an individual whose actions may have contributed to the failure or potential failure of the firm.
